## Club Notes.

West Ham 2; Norwich 1.

Another victory to chronicle this week, brings our home total of wins up to eight out of twelve games played, the other four being drawn. Norwich are a sparkling young team who at times showed as good football as any ever seen at the Boleyn ground. This is their first year of playing together, and if Norwich can keep them all for another season, they should prove a difficult nut to crack. It was a very good performance on our part to win by the odd goal in three after being first led. The play again showed the tenacity of Kitchen and Co.

The day is drawing closer when you will have the opportunity of seeing the best team in England. Next Saturday is the great day when we face Manchester United in the Third Round of the Cup. It is going to be a battle of giants. Manchester have no walk over, as they fully realise themselves. On the morning after the draw, one of the Manchester daily papers informed its readers that, "Manchester United would rather play on any other ground in England than West Ham's." What is there wrong with the ground? Nothing! What the paper meant to say was that, "Manchester United would rather meet any other Club in England than West Ham." You notice that the sentence as printed, only required the alteration of three words, to get at what was in the writer's mind at the time he penned the article.

Just let's compare Manchesters home and away record with our own:—

### HOME.

AWAY.

	Goals				
	Played.	Won.	Drawn.	Lost.	For, Against, Points.
Manchester U. ...	13	6	2	5	17 15 14
West Ham ...	13	4	4	5	18 15 12

You will notice that there is really little difference. Manchester have secured 36 points in 26 matches and head the First Division of the League, while West Ham have 32 points for 25 matches, and are fourth in the Southern League.

It is curious that in their away games both Clubs have lost 5 matches, and have each had 15 goals scored against them, while West Ham have scored one goal more away from home than have Manchester. Then in the home matches Manchester have been beaten once and have lost four more goals than we have.

Both Clubs played at home last Saturday, and while we beat Norwich 2—1, Manchester gained a 3—1 victory over Bristol City, one of the lowest clubs in their League. To-day, Manchester are meeting our old friends Newcastle United, on the banks of the Tyne.

The Manchester Directors do not often make changes in their team, and there is every probability that on Saturday next, the Club will be represented by nine of the players that lifted the Cup on April 26th, 1909, at the Crystal Palace when they beat Bristol City 1—0. 

The Cup winning team and the side that beat Aston Villa in the last round were:—

1909. (Cup Winning Team)

Moger; Stacey and Hayes; Duckworth, Roberts and Bell; Meredith, Halse, Turnbull (J.), Turnbull (A.), and Wall.

## Club Notes—continued.

1911. (Team that beat Aston Villa)

Moger; Donnelly and Stacey; Duckworth, Roberts and Bell; Meredith, Halse, West, Turnbull (A.) and Wall.

It will be seen that there are only two changes this season from the side that won the Cup. Hayes at back, and Turnbull (J.) the centre forward, have left the Club, and now Stacey has Donnelly for partner while West leads the forwards.

To show how fairly regular the team played together last season, I append their appearances:—

Moger 37, Donnelly 8, Hayes 30, Stacey 32, Duckworth 30, Roberts 28, Bell 28, Meredith 31, Halse 27, Turnbull (A.) 28, and Wall 32.

The goalscorers out of this party were:—

Wall 14, Turnbull (A.) 13, Halse 6, Meredith 5, Roberts 4.

West who now leads the forwards was last season with Notts Forest for whom he played in 32 matches and scored 17 goals.

Now for a moment lets look at their past three year's Cup-tie records.—In 1908 they reached the Fourth Round; in 1909 they won the Cup, and it is almost superfluous to add that they were knocked out in the First Round in 1910. But so it was. It was the third consecutive season on which the holders of the trophy fell at the first fence. Burnley playing like demons knocked Manchester United out by 2—0, and afforded the winners some compensation for being unluckily defeated by the United in the Fourth Round in the previous season. On that occasion Burnley were leading when a snowstorm stopped play shortly before time, and Manchester won on the re-play by 3—2.

Out of the last eleven matches that could have been played on Club grounds, Manchester have had 7 at home and 4 away. Of the home matches all were won, while of the away matches only two have ended in defeat.

The colours of our opponents are Red Shirts and White Knickers, the same as Notts Forest, so that in all probability our boys will be the "All Whites" again.

The gates next Saturday will be opened at 1.30 o'clock, as there is every possibility that the ground will be tested to its utmost. It behoves all those with Reserved Seats to be in their places at least half an hour before the time of kick-off—that is if they want to get to their places with any degree of comfort.

And now one word for the programme. If the necessary arrangements can be made, I am hoping to present every purchaser next Saturday with a separate portrait group of the Manchester United players.
