Saturday, January 28th, 1928.

No. 14.

Club Chatter.

MUCH disappointment was experienced on Saturday last, in our failure to defeat our neighbours, Queen's Park Rangers, in the return League game, at home. The game was witnessed before a crowd of nearly 11,000, and many exciting incidents occurred in the opening exchanges, during which period our forwards had the opportunities to score, but lacked finish. Five minutes before the interval, the Rangers took the lead. The display of the team in this half had shown much improvement to recent games, although Douglas played under difficulties after the first 20 minutes, through receiving a nasty kick on the ankle.

The second half was very evenly contested, although our visitors added two further goals, whilst we were unable to score. This was not due to not having the necessary chances to do so, but simply lack of finish. The final score of defeat by three goals to nil was rather flattering to our visitors, on the run of the play, but their forwards are to be congratulated on accepting their chances; while our's failed, and at times failed badly.

The Reserves were also defeated, in their London Combination fixture against the Rangers Reserves, by three goals to one, our goal being registered by Wiggins, who is showing much improved form of late.

To-day we extend a hearty welcome to our visitors from Luton, and trust a good, enjoyable game will be witnessed. Like ourselves, our visitors are having a poor season from a playing point of view.

CLUB CHATTER.—(Continued.)

Changes are made in our team to-day. Jack Lane is being rested, while Fletcher is doubtful owing to his suffering with a severe cold. Drinnan, who has been playing so well with the Reserves recently, is included in the team, and Ward will play if Fletcher is not declared fit.

The Reserves are away to Luton Reserves to-day, in a London Combination fixture.

* * *

Next home game is on Thursday next, 2nd February, v **SOUTHEND RESERVES** (London Combination).

H.C.C.

Items of Interest.

Mr. F. W. Dorey, the hon. secretary of the Supporters' League, has asked me to state that the League are holding their Annual Dinner, at the "Star and Garter" Hotel, Kew Bridge, on Thursday evening, February 23rd, at 8 p.m. Tickets for same may be obtained from him, price 5/6.

* * *

Our next home game is on Thursday next, February 2nd, v. **SOUTHEND RESERVES**, kick-off at 3 p.m. (London Combination).

* * *

Jim Donnelly is having his first trial run at Luton to-day, with the Reserves.

* * *

Jack Phillips will have a trial run on Thursday next, v. Southend Reserves on this ground.

* * *

The Twickenham Brotherhood are holding a special Footballers' Sunday Meeting, at the Town Hall, Twickenham, on Sunday (to-morrow), January 29th, at 3.15 p.m. All have a hearty welcome.

* * *

The signature of W. J. Price, of Woking F.C. has been obtained on Amateur Forms. Price was capped against Ireland, and has been further honoured by being selected to play for England v. The Rest, at Ilford, on Saturday next, 4th February, in the Amateur International Trial. He is considered one of the cleverest inside lefts in the South, and will assist us in the near future.

* * *

Councillor H. F. Davis has been unanimously elected on the Board of Directors. The election is sure to be a very popular one, as Mr. Davis is well known in the district, and has been a supporter of the Club practically since its formation, in addition to his having rendered much good service to the Club in many ways.

* * *

Next Saturday February 4th, the Reserves meet Millwall Reserves, on this ground, kick-off at 3 p.m.; while the League team will be away at New Cross, in opposition to the League leaders and prospective champions.

Flood Distress Fund Collection.

At the request of the Committee of the above Fund, who, under the chairmanship of F. G. Cressy, Esq., J.P., have done such splendid work, a collection has been organised to take place to-day on this ground. I am told that a further £800 is urgently needed, as during the flood 120 houses in Brentford suffered considerably, while 58 houses in Chiswick had similar experiences. The Committee, which consists of members of the public from both districts, have, as previously mentioned, done excellent work, and rendered valuable help to sufferers and if it is in your power to help them continue the good work, please do so by giving whatever you can afford to make the collection a huge success. The Hanwell Silver Prize Band have kindly agreed to give their usual collection to the Fund, which is much appreciated.
