LUTON TOWN

DIVISION III.

SATURDAY, MAY 4th, 1929

Queens Park Rangers

Football and Athletic Club, Ltd.

RANGERS' CHATTER

by "The Bushman."

VALUABLE POINTS DROPPED.

The large contingent of our supporters who travelled down to Coventry last week-end to cheer the boys on, hoping that the team would collect the full spoils were unfortunately disappointed for the game ended in a goalless draw. The loss of a point at such a vital period of the season naturally pegged us back a little but on the other hand defeat would have had a really damaging effect on our chances of promotion. The division at Coventry kept us well to the fore although at the moment of writing two clubs—Charlton Athletic and Crystal Palace—have the opportunity of gaining a maximum number of points one in excess of which the Rangers can possibly reach.

A REALLY HARD GAME.

It was a very dour contest at Coventry, and a draw was a very fitting result on the day's play, for either club would have been unlucky to have left the field beaten. Coventry held the balance of the play during the early stages but as usual our boys stayed

the course well and might easily have obtained a goal and with it both points, late in the game when both Burns and Rounce missed by the narrowest of margins. A feature of the play was the brilliant exhibition given by the Coventry full-backs. They both served their side remarkably well during the periods of our aggressiveness. Had they faltered then our prospects of providing Second Division football at the Bush next season would have been greatly enhanced.

INTEREST STILL MAINTAINED.

The results during the week-end did not bring us any nearer to a solution of the hectic promotion struggle which has been going on for a couple of months in the Southern Section. In turn every one of the half-dozen leading clubs have held the leadership and at times almost each one of these clubs have seemed certain of gaining the honours. Unexpected defeats, however, have changed the outlook with such marked regularity that the interest has never before been so intense. Here we are at the very last day of the season and any one of the six clubs may by to-night be certain of figuring in the Second Division next season. It all depends on what the others do, except in the case of Charlton Athletic, who will be practically certain of the Championship if they win at Walsall to-day. There are so many "ifs" about the whole business that to pursue the matter any further would get one into such a tangle with points and goal average that the reader would be left with very little enlightenment in the matter. Suffice, therefore, to say that our team must win to-day if we are to stand any chance of being promoted. Even if Luton are beaten at the Bush we may still be doomed to disappointment.

A GOOD SEASON.

Whatever happens to-day, or whatever our fate may be in our efforts to gain promotion, I take this opportunity, being the last match of the season, of congratulating the players on their splendid show. But for a very bad patch a little while back the Rangers would no doubt have already been in an unassailable position at the head of the Southern Section. The same can be said of nearly all the other leading clubs so I will not labour the point. In saying "Well done!" to our players I do so with all the meaning in the world. They have earned the approbation of every single supporter of the club whether promotion is gained or not. Not for many seasons have the "Blue and Whites" shown such consistently good form. Not only has there been a marked improvement in the play of the League side but the Reserves have also shown up to greater advantage than during recent seasons. Very attractive football has been served up in the London Combination games at the Bush and I sincerely hope the good work will be continued when a new season dawns next August.

The Final Tie of the London Challenge Cup competition will be played at the Arsenal F.C. ground, Highbury, on Monday next, May 6th. Kick-off 6 p.m. The finalists are Millwall and Tottenham Hotspur.

TO-DAY'S MUSIC by the
**WILLESDEN TOWN SILVER
PRIZE BAND.**

Conductor - - Mr. C. R. Butcher.

1. MARCH ... Selected ...
2. FOXTROT "I Ain't Never
Been Kissed." *Gilbert*
I ain't never been kissed, I ain't never
been squeezed,
I ain't never been loved by no nobody at
all.
I've travelling east, I've been travelling
west,
I've been doing my best, but no nobody
will fall.
Guess my face was meant to chase the
chickens in the barn,
Leaving now to milk the cow, but I don't
give a darn,
Cos I ain't never been kissed, I ain't never
been squeezed,
I ain't never been loved by no nobody at
all.
3. TWO STEP "Dada! Dada!"
Le Clerg.
Dada! Dada! D-d-d-d-d-d-dada,
Come and see what Charlie's d-d-d-doing,
Dada! Dada! d-d-d-d-d-d-dada,
I'm sure there's trouble br-br-br-brewing;
He's got his arm around my waist, I'm
sitting on his knee;
And tho' I've told him not to do it, he
keeps on kissing me,
Dada! Dada! d-d-d-d-d-d-dada,
Come and see what Charlie's d-d-d-doing
4. FOXTROT "Dusky Stevedore"
Johnson
He's just a Stevedore, down on the
Swanee shore,
Workin' and singin' a song;
His dusky brow is wet, he doesn't mind
the sweat,
A-scuff-a-lin' all the day long;
See his rag-time shuff-a-lin' gait,
Happy 'cause he's handlin' freight,
The levee's heaven for, the dusk
Stevedore
Workin' and singin' a song.
5. FOXTROT "Shout Hallelujah,
'cause I'm Home." *Dixon*
