A New Campaign.

Another football season has started (accompanied by the now inevitable heat wave) with the usual hopes and fears. Perhaps I should only say hopes for, at the commencement of the campaign, every club seems to regard itself as the potential champion; fears do not come until later on.

In company, no doubt, with the 21 other clubs in the Southern Section of the Third Division we of the Crystal Palace have also started with high hopes. Promotion and nothing less is the goal, a goal which the Club is quite capable of reaching. Success depends upon more than mere ability, it requires determination and the team spirit. This quality seems so strong in the Club at the present time that I feel confident our boys will make a strong bid to return to the Second Division.

Splendid Start.

A splendid start was certainly made at Southend last Saturday when the season opened with a 4-2 victory over the United. The home team were very unlucky to lose the services of Powell, but it is doubtful if they could have staved off defeat even with a full team. Our boys played together with a purposefulness that was good to watch. Every man pulled his weight and for the first match of the season the team work was excellent.

The victory was all the more acceptable in view of the fact that the Kursaal has not been a happy hunting ground for the Palace in recent years, and only last Season the Seasiders took full points from us. This season Southend are regarded as strong candidates for promotion so that the Palace win was all the more meritorious. It will please some to

think that the last season in which the Palace won at Southend was that in which they achieved promotion.

The Palace suffered a set-back at Torquay on Wednesday, when they lost 3-1 after leading by a goal at half-time. This need not cause undue alarm, however, for Torquay have a greatly strengthened side this season. We shall face Luton to-day full of hope.

## Twenty-Five Years Old.

The Club has just recently celebrated its twenty-fifth birthday. At a dinner given by the Directors at the Greyhound Hotel, Croydon, the other day, presentations were made to Mr. S. Bourne (the Chairman), and Mr. E. F. Goodman (the Secretary), who have been with the Club ever since its inception. General regret was expressed that owing to ill-health Mr. Bourne was unable to be present.

There has been no more enthusiastic supporter of the Crystal Palace F.C. than Mr. Bourne and his insistence upon "sportsmanship first" has done much to build up for the Club such enviable traditions in its comparatively short history. Mr. Goodman has been the mainspring of the Club, which could not have had a more loyal and enthusiastic official. The presentations, which were organised by the Shareholders, took the form of a silver rose bowl to Mr. Bourne, and a clock with Westminster chimes to Mr. Goodman. Both mementoes were suitably inscribed.

## Congratulations.

Our congratulations are extended to Mr. W. J. Lewington, the well-known Croydon referee who officiated at the practice match a fortnight ago. He is now on the full League list after only one season on the Supplementary List. This rapid recognition is something of a record and is indicative of the favourable reports that have been received concerning the capable way in which Mr. Lewington handled his games last season.

This month is a busy one for him, as altogether he has to officiate at no fewer than thirteen matches. Nine of these are Football League games and for the opening day of the season he had the important game between Leeds United and Portsmouth. He has also been honoured by the Football Association by being chosen to referee the League Champions (Sheffield Wed.) v. Cup Holders (Arsenal) for the F.A. Charity Shield to be played at Stamford Bridge on October 8th, and has been appointed a Southern representative on the committee of the newly formed association of referees and linesmen of the Football League.

For straw hats is the town of Luton famed,  
"Strawplaiters" are the men of Luton  
named.

This logic then we hope contains no flaw—  
May they against our team prove  
"men of straw."

Welcome to Luton, old Southern  
League friends and foes and always  
sturdy fighters.

They have departed from the past  
policy by relying to a much larger extent  
than hitherto on new talent. Only nine  
of last season's first team will again wear  
the club colours, with Gale, a young  
centre half from Southall, and Brown and  
Rickett, two London junior inside for-  
wards, who made their debut for Luton  
as professionals at the back end of the  
season and have yet to win their spurs.

Mr. George Kay, the old West Ham  
captain, will this year enter on his first  
full season as Secretary-manager, a  
position in which he succeeded Mr. John  
McCartney during last season.

The back division is considerably  
strengthened by the acquisition of  
Hodgson and Knox, from West Ham  
and Burnley respectively. A complete  
Scottish half-back line has been secured  
in Muir and McGinnigle from Falkirk,  
and Richmond from Partick Thistle. In  
addition there is Hale, who has been  
with Lincoln City for four seasons.

Of the seven new forwards four are extreme wing men, M'Nestry  
from Sunderland, and Heslop from  
Burnley, will improve the right wing,  
and Slicer and Bryce, from Norwich and  
Bournemouth respectively, should be  
satisfactory candidates for the opposite  
flank.

In addition, there are three experienced  
inside forwards in Armstrong (Tottenham  
Hotspur), F. Dent (Swindon), and J. Page  
(Millwall).

Transfer fees have been paid for twelve  
of the thirteen new men. In addition,  
they have secured the signatures to  
amateur forms of nearly a score of  
promising young players, several of whom  
were tried last season.

We give a most cordial welcome to  
Luton, but—we want the points.

**SUPPORTERS' CLUB.**

Hon. Secretary: Mr. A. Williamson,  
20 Croydon Grove, West Croydon.

At the commencement of a new season it is usual for the officers of a Club to announce the policy of the Club for the ensuing period of activities.

We intend to make our club the strongest and best in the country. In regard to strength, last season the Crystal Palace Supporters' Club came second to the Watford Club, whose figures of membership at the close of the Football season constituted a record. Our membership was 1666. Now, this season we aim at 2,000, and up to time of going to press 600 have been obtained. Membership costs but the minimum fee of 1/- (not necessary the maximum), and there is no entrance fee. For the 'bob' you obtain an enamelled seasonal badge and membership card with rules. But the officers appeal to those who join the club to support to the best of their ability the money-making efforts promoted by the club.

Have you thought of taking advantage of the facilities offered to every member of the Club in the purchase of season

tickets for the centre stand on "easy payment system." No charge over and above the actual cost of the ticket is made.

Arrangements for the disposal of these tickets are in the hands of one of the Trustees of the club, Mr. R. S. Moyes, 14, Waddon Close, Croydon, to whom all enquiries are to be addressed.

YOU CAN OBTAIN A SEASON TICKET FOR THE CENTRE STAND, NUMBERED AND RESERVED FOR LESS THAN THE PRICE OF AN UNRESERVED SEAT IN THE WING STANDS.

In regard to travel, it is the declared policy of the club that arrangements for travel will only be made in connection with local Derbies and Cup-Ties, and the annual outing.

**MATCH BALL WINNER.**—The ball with which the Southend Reserves match was played on Saturday last, 30th August, was won by Mr. J. H. Wright, 147 Benham Lane, Thornton Heath, with ticket No. K896.

**HAVE YOU PURCHASED YOUR TICKET TO-DAY?**—There are plenty of Stewards at all entrances to the ground, enclosures and stands with tickets for sale.

The Reserves did not make such an auspicious start as the First team and, at Selhurst Park, had to admit defeat from Southend United by two clear goals in a London Combination match. The visitors scored a goal in each half. This was a tribute to their opportunities for, owing to the steady play of the Palace defence, they had very few opportunities. The Palace forwards, on the other hand, were far more prodigal with the numerous chances that came their way, and some bad misses were made by the inside forwards. Fishlock was the only forward really to do himself justice.

"The idea of your permitting such a thing! Why didn't you call me when he attempted to kiss you?"

"But, Mamma, how was I to know you wanted to be kissed?"

Sheffield Wednesday have one great ambition, apart from the very natural one of wanting to win the Cup, and that is to equal Huddersfield's feat of winning the First Division championship for the third season in succession. They seem well equipped for it, too, with all their internationals and stars of last season.

\* \* \* \* \*

A number of prominent Welsh Rugby players are seriously contemplating a change over from Rugby to Soccer. One of these, Iorwerth Jones, the Wales and Llanelli forward who figured in several Soccer games last season and revealed a natural genius for the game, is likely to be given a trial by Swansea.

\* \* \* \* \*

Is it a fact that Arsenal have signed on Don Bradman as centre forward and offered A.P.F. Chapman terms to write their weekly match programme.

"What is a clue, dad?"

"A clue, my boy, is that which keeps detectives occupied whilst the criminal escapes."

Miss Black: "Miss Elderly carries her age well, doesn't she?"

Miss Green: "But she must be used to it by now."

"What kind of husband do you advise me to get?"

"You get a single man and let the husbands alone."

Scot (to ironmonger): "Twopence is too much for this mouse-trap. Besides, I want a trap that'll kill the mouse before he eats the cheese."

Child: "Papa, why do people cry at weddings?"

Papa (abstractedly): "Most of 'em have been married themselves."

Teacher: "Now, Jimmy, give me a sentence with the word 'seldom' in it."

Jimmy (thoughtfully): "My father had two goats, but he seldom 'em!"

Chairman (proposing a vote of thanks to a speaker): "The lecturer has come up to our most sanguinary observations."

Host: "Have a cigar?"

Guest: "No, thanks, I don't smoke."

"Have a drink, then?"

"I really don't drink."

"Perhaps you'd like to go in the ballroom and have a dance?"

"Sorry, but I don't dance."

"Well, my wife has a ball of yarn and some needles, perhaps you'd like to knit a little."

It was a magnificent prospect. Levi a successful business man, had built himself a pretentious riverside cottage, although it lay rather near the river bank. Levi was very pleased with himself. "Yes, I've insured it against fire and burglary for £3,000," he confided to Isaacs, a city friend, on their round of inspection.

"But vot about floods?" asked Isaacs. "You're very near the river, you know."

Levi (thinking hard): "How do you make a flood?"

It is just as well at the start of the season for clubs, players, and spectators to become acquainted with changes that have been made since the previous campaign.

So far as the rules governing the Association are concerned changes are practically nil. There is also no change in the laws of the game; but an official decision has been given of the meaning of the word "stand" in Law 17, which refers to the taking of the penalty kick. The Law says:

"The opponents' goalkeeper must stand on his own goal line until the ball is kicked."

"Stand" is now defined as "must not move his feet."

Players should also note they—

"Must not question a referee's decision, but accept it without demur. To approach and argue with a referee, to touch him or show dissent is ungentlemanly behaviour for which a player must be cautioned and on a repetition of it be ordered off."

Careful notice of the latter instruction should save much unpleasantness on the field.

It will not be surprising to find Frank Osborne, the international forward of Tottenham Hotspur, on the look-out for another club. A natural centre, he has been pitch-forked into other positions which do not suit him, the official excuse being that he was not heavy enough for the buffeting of a leader gets.

Glasgow is delighted. The Corinthians are coming back to revive the New Year's Day fixtures with Queen's Park. The Scottish League, in their mercy, have allowed the Hampden club to transfer their League game with Ayr United from Ne'erday to Christmas Day. So Queen's Park will gain both ways.

Bristol soccer fans are interested in Brentford this season, for the Griffin Park club now includes Foster, Blakemore, Sherlaw and Roberts, all formerly of Bristol. If the Bees hope for promotion they may probably find Bristol Rovers one of the most serious obstacles in their path.
