### The Local Cup Derby.

**T**O-DAY we entertain our near friends from Luton in the Second Round of the F.A. Cup, and given favourable weather, a huge attendance is anticipated. It is many years since we have met in the F.A. Cup Competition proper, and whatever the result of to-day's game may be, our patrons are promised one of the keenest struggles in the history of the club.

Luton Town have a good cup-tie team as has been proved by their decisive win over Clapton Orient at the second attempt. It is probable that there will not be much difference in our visitors' eleven from the team we defeated in the league match here earlier in the season, but cup-tie fare is entirely different from the ordinary league games, and it behoves all of our players to give of their very best to-day in their endeavour to go into the "hat" for the next round of the Cup.

### Brentford Take Both Points.

Brentford again demonstrated to us last Saturday that they are still among the best teams in the Southern Section, and although the score of three goals to one against us was perhaps a bit flattering to the visitors, they just deserved to win if only for the way they clinched the opportunities offered them. In the first half-hour of the game it looked as though we were to turn the tables on them, as we were completely on top and on one or two occasions were unfortunate in not opening our

account. The visitors, in fact, were penned in their own half when both their goals were scored from breakaways.

The score of two goals to nil at half time rather flattered the visitors, but after they had got their third point from the "mysterious penalty" the visitors took command of the game and ran out worthy winners.

Our team as a whole did not produce anything like the form they have shown in their previous games, a lapse which we hope is only temporary.

### Reserves at "The Dell."

Our reserves did very well in getting a point from their visit to Southampton last Saturday, and with the least slice of luck probably would have won. Lowe, who occupied the centre forward position for the day owing to White being ill, had a goal disallowed for some unknown reason, when he bundled ball and goalkeeper into the net "quite legitimately" we thought. In our opinion he was the ablest forward afield.

Holland, J. K. Smith and Lewis, in the defence, had a remarkably good match, clearing the lines well and tackling fearlessly. When the youthful side of the team is considered, we can look forward to better results in future when they gain a little more experience.

### "The Support."

The following letter has this week been sent to every member of our club by our President, Mr. J. H. Wright, J.P.:—

You may, or may not, be aware that on the 15th December we are entering the realms of Journalism, and that that day will see the birth of our magazine, which is appropriately entitled "The Support." This venture of ours is, we claim, the first of its kind ever undertaken by any of the affiliated Football Supporters' Clubs in this country; and if it becomes the success we hope for, then Watford Football Supporters will have reason for pride in the fact that their organisation still holds the field as being the most useful, and therefore, the most successful.

It is not for me to tell you of all the good things that are to be found in the pages of "The Support," but if I mention articles by Neil McBain and Captain A. Prince Cox, Motoring Notes, Local Amateur Boxing and Football, to say nothing of the Ladies' page, and other items too numerous to dwell on here, shall I have whetted your appetite? I hope so.

"The Support" will be on sale at the Football Ground and elsewhere, price twopence, and I can confidently recommend its pages to you.

In conclusion, may I suggest that you hand this letter to someone who is not yet a member of the Watford Football Supporters' Club, and so help to arouse the interest of all who follow the Watford Football Club. By so doing, you will earn the thanks of your Committee, and incidentally will have done your bit as a member of the largest team that ever played together in the name of football.

Will you kindly assist us by purchasing your copy every month.

J. H. WRIGHT, President.

Conductor: R. HUTCHINSON.

1. MARCH Selected
2. FOX TROT "Little White Lies" Donaldson  
The moon was all aglow and heaven was in your eyes,  
The night that you told me those little white lies.  
The stars all seemed to know that didn't mean all those sighs,  
The night that you told me those little white lies.  
I try, but there's no forgetting when ev'ning appears,  
I sigh but there's no regretting in spite of my tears;  
The Devil was in your heart, but Heaven was in your eyes,  
The night that you told me those little white lies.
3. VALSE "When I Passed The Old Church Door"  
When I passed the old church door,  
I heard the organ playing;  
When I passed the old church door,  
I saw somebody praying.  
Then something made me enter,  
I thank the heavens above,  
It was through that old church door,  
I found the way to love.
4. FOX TROT "Handsome Gigolo" Casucci  
Handsome Gigolo, dressed up all for show,  
What a wasted life you're leading,  
Dancing till the dawn, youth and future gone,  
Love will pass you by unheeding.  
Just a soul on hire to the highest buyer,  
Cast off when they tire tomorrow,  
Friends may come, but they'll go, leaving  
Handsome Gigolo  
A heart that breaks with sorrow.
5. "When Your Smiling" Mark Fisher
