The League—Div. III.

LUTON v. BRENTFORD.

Wed., Feb. 1st.

Our first word must be of heartiest congratulation to the boys for their magnificent victory on Saturday. It was thoroughly earned, without a suggestion of a fluke at all, and in spite of the fact that some of the critics would rather run down the losers than praise the winners, we pay tribute to the 'Spurs for a good sportsmanlike game, and the genuine expression of goodwill and compliment they paid to the victors.

We wish the 'Spurs the best of good luck in their quest for promotion, for they proved that they could take defeat with good grace, and such a team deserves to prosper.

Fate has not been kind to us in the draw for the next round, but we have no need to fear the result, whether it be at Chester or Halifax.

We have received many messages of congratulation, all of which we appreciate very much. If Mr. Wightman cannot reply to all individually, especially from our regular supporters, we are sure they will accept this paragraph as an acknowledgment.

To-day we have to play Brentford, and for them, even more than for us, the match holds big things. They lost the leadership to Exeter City on Saturday, and a win to-day would restore them. They have a strong side, and Bain is down to resume after absence through injury.

We are fielding our Cup team, and we hope to win, for we are in need of points.

The ground is bound to be in a bad state after the thaw, but we should have a good match.

On Saturday we have Northampton here in a London Combination game. Kick-off at 3 o'clock.
