WITH today's visit from Queens Park Rangers we renew acquaintances with old friends of whom the most recent is David Richards, our full back and captain of five seasons ago, and who now performs the trainer's duties at Loftus Road. Another familiar face is that of "Mick" O'Brien, the ex-Watford centre half back, who is now in control of the destinies of the Rangers Club.

The early history of the Queens Park Rangers Club is one of uphill struggle for existence. Season after season adversity had to be fought in the matter of finance, match results and the acquisition of playing pitches. Today, all these seemingly futile efforts have resulted in producing a popular West London Club.

It was in 1885 that Jack McDonald and Fred Weller, assisted by the Rev. Gordon Young inaugurated a team from amongst the boys of Droop Street Board School, Queens Park. This School team eventually became attached to St. Jude's Institute which name the Club was then called. The finances at this period was such that the only gear that was possessed consisted of four uprights, which were joined together by two pieces of tape to form a crossbar.

Their first playing pitch was at Welford's Home Farm, but between 1885 and 1898 their resultant venues are too numerous for recording. In one instance they had to contend with adverse public opinion as the residents in the vicinity of their ground were of the mind that a football team was detrimental to the interest (and value?) of the neighbourhood.

In the year 1891, St. Jude's Institute

adopted professionalism and at a subsequent meeting held the same year the name of the Club was changed to its present title. Admission was obtained to the Southern League, and the Reserves contended themselves with London League football. A Company was then floated and registered with a £5000 capital, whilst the management of the team was under Jock Campbell.

The first honour to fall the way of the Club was the West London Observer Cup, which trophy they obtained through defeating Fulham Rangers (the then champions of the West London League) by three goals to two, and which they subsequently held for a period of three years.

Their best season in the F.A. Cup was in 1922/3 when they lost to Burnley in the Fourth Round, having knocked out the Arsenal in an earlier round of the competition.

Their new signatories for this season includes "Mick" Ridley a full back from Reading, who played in 27 first team matches last term, Jack Crawford who had spent ten years previously as a winger at Chelsea, which latter Club paid £4000 for his transfer from Hull City, Tom Dutton, an inside forward from Leicester City, Sam Abel a centre forward who has seen service with Nelson, Chesterfield and Fulham, Gordon Reed a North Eastern League centre forward product whose transfer was secured from Newport County, J. Hammond an outside right obtained from London Paper Mills F.C. and G. E. Watson a young winger from Durham City.

CLUB NOTES

Our first word must be one of praise to our Reserve team. By their defeat of Leicester City on Monday evening by three goals to nil, they went to the head of the London Combination, West Ham having kindly inflicted a defeat on the Arsenal by two goals to nil. To our knowledge this is the first time we have ever secured the top place in the Combination, and to do so is no mean achievement, especially when it is remembered that some of the contestants are strong First Division Reserve sides. Anyhow, well done our "Stiffs." May you keep it up all the season.

The game with Leicester City was an exciting affair, interest being maintained until the final whistle. It is impossible to single out anyone for meritorious play, for all played extremely well and thoroughly deserved the splendid ovation they received when leaving the field. The experiment of trying Jack Russell at centre forward was quite a success, and on his exhibition in this game, he has been given the same position in the first team today against Queens Park Rangers.

For our match today, in addition to the change mentioned above, Dave Hutchison returns to the outside left berth and so we have for the first time this season the left wing that did so well during the last campaign.

The Reserve team is at Crystal Palace. Stan Coote's injured foot which prevented his appearance

against Leicester City has not resulted in the improvement anticipated. Horace Flackett and Joe Taylor resume at inside right and centre forward respectively and Harry Haggard gets his second run out at outside left. Both George Stephenson and Billy Pease are suffering from injuries sustained in Monday night's game so we are trying Colin Cook at inside left and Tom Bell at outside right.

George Harford's damaged hand is greatly improving and he is now in training with the other players.

On Wednesday next we journey to Gillingham for our Southern Section Cup Tie. Supporters are requested to note that the Kick-Off has been fixed for 5-15 p.m. Should a replay of this match be necessary it will in all probability be played the following Wednesday, and the kick-off arranged as late as possible. On Thursday we are taking a team to Biggleswade to help the finances of our nursery club. Biggleswade, who are receiving the assistance of Joe Payne, R. Conquest, G. Burns, F. Carpenter and R. Griffiths, proteges of ours, have done exceptionally well so far this season. After suffering defeat at the hands of Northampton "A" in the opening match of the season by three goals to one they have accounted for in turn Boston Reserves by seven goals to two, Desborough Town by two goals to nil and Kempston Rovers by four goals to one.

IMPORTANT

The Directors have decided to create a Boys' Entrance at Maple Road. The Entrance will be that used by the Season Ticket Holders. All Boys using same must purchase a ticket from the Club Representative who is on duty there.

THE SUPPORTERS CLUB

Now the Annual Meeting is over we can get down to the current season's work. The work to do (which is already in hand) will mean hard graft for some but we shall not mind this if our efforts meet with support, because on YOUR support depends OUR success.

There seems to be very little (if any) doubt that most of our efforts will be devoted towards the building of the Lane Stand extension. I hope to be able to let you know the decision of the Town Club Directors very shortly.

As you all know we have now only to wait about a fortnight for our first "big do" in the Assembly Hall. I have heard from the Artistes and they are looking forward to their visit, and will leave no stone unturned to make it a night to be remembered by all. The Eight Step Sisters would have been here had it not been for the Belfast Radio Exhibition. This is an actual fact.

For November 14th we hope to have two of the leading Radio Stars (one male and one female). In fact you have listened to one of them this week "over the air" and some of you doubled up with laughter.

We want a few helpers with our Stop Watch Competition Cards. Will you write to Mr. A. E. Payne, 78, Selbourne Road, Luton.

It was decided to get on with the Christmas Draw and some real good prizes have already been offered. The tickets will be 2d. each and a sub-committee has been formed to run the whole affair.

Don't forget, tickets of all sorts, dance, stop watch or Xmas Draw can be obtained at the Supporters Club Hut near Stand Entrance.

BOB STAND NOTES

At the request of many supporters we shall extend the present "Bob" Stand to the length of the playing pitch. The cost of this addition will be about £360, and as our present Bank Balance is about £40, we have got to raise another £320. We know the supporters will give us all the help they can. The first enterprise is a Christmas Draw, the tickets of which are one penny each.

Mr. Joe Collier, 6a, Cromwell Road, Luton, will be pleased to hear from any supporter who will be pleased to take some of the books that are for sale. He informs me that his previous request has met with a big response, but he would like to hear from a few more Luton people themselves. Supporters from Bletchley, Eaton Bray, Leighton Buzzard, Hertford and Sandy have already applied, and during the week the Sandy supporter wrote in for a further dozen books. That's the spirit we like. The comments made by these neighbouring "village" supporters are that they are only too pleased to do all they can to help, as they do appreciate the covered accommodation on wet days.

Another nice little episode that happened the other day was that of two supporters who on meeting Mr. Collier, handed him an amount of four shillings each, with the request that it should be put towards the purchase of prizes. If there are any others who would like to do likewise, or on the other hand prefer to give something in the "goods" line both Mr. Collier or Mr. Phil Wright will be pleased to hear from them, and make arrangements for collection at the appropriate time.
