A very happy Christmas to all our Supporters. May you all have dined wisely and well before turning up this afternoon and so be in a mood to impart that festive spirit and good cheer to the players, who have to wait until tomorrow evening before they can begin their celebrations.

For a Christmas Day fixture what opposition could be more pleasing, attractive and appropriate than a visit from our old rivals and friends, Brighton and Hove Albion. The happy relationship between our respective clubs has a long unbroken chain, first begun many years ago, to which a link has been added annually. Our Brighton friends have a very formidable team this term and are almost invincible on their Goldstone Road turf, having had only one goal registered against them, and that by Bristol Rovers in the opening match of the season. Their away record also enhances the reputation of their defence, for of ten matches played, only fifteen goals have been scored against them, and four of these were by our neighbours at Northampton. We can therefore expect a thrilling tussle here today, which whatever the result, will doubtless be continued at Brighton tomorrow.

Brighton and Hove Albion, once Brighton and Hove Rangers, grew out of a Brighton United F.C., a club formed in 1898 that died in its second season.

After the death of the United, Mr. John Jackson formed the Brighton and Hove Rangers, and they were elected to the Second Division of the Southern League in the season 1901-02. The wages of the Club then was £11 a week. How many times greater is it today? This however was considerably increased a season or so later when the Albion, which had by that time been reconstructed under

the title of Brighton and Hove Albion, moved into Division I after beating Watford by three goals to one in a "test" match. Although being entitled to promotion the Club had a difficult problem to solve before accepting. Could they afford it?

The general concensus of opinion was that senior football presented difficulties which could not be overcome, and although the men who wanted to move on admitted they were more or less in agreement with the people who advocated waiting until the Club was more firmly established, they talked over the waverers and the Albion became members of the First Division.

The first season was a failure from a playing point of view. The Albion finished at the bottom of the table but were fortunately voted back. The following season the tide turned and a very respectable position was achieved.

Since those days the position has improved considerably. In the season of 1909-10 and again in 1920-21 they won the championship whilst a further honour to befall them in the 1909-10 season was the acquisition of the F.A. Charity Shield.

In the Third Division Southern Section Brighton have always commanded respect, whilst their reputation as Cup fighters is widely known. Whilst on the Cup here's wishing them luck against the Arsenal. If they have as fine a match as we did against the "Gunners" in the identical round last season they will be doubly compensated (the other compensation is the "gate.") Doubtless on this memorable occasion their ground record of 32,310 in 1933, when West Ham provided Cup opposition, will be broken.

His Worship the Mayor of Luton
(Councillor J. T. Harrison)

"The Mayor and Mayoress wish you a Happy Christmas and a Prosperous New Year."

Let us all endeavour to understand why we keep the Feast of Christmas and then in that spirit order our lives and our sports, and we shall be Happy.

My Luton Town smash the Chelsea Vase is the wish of,

Yours obediently,
JOHN T. HARRISON.

Alderman Harry Arnold, C.A., J.P.
(President, Luton Town Football Club)

I would like to give as the slogan for Players and Supporters—"Excelsior."

The aim for years of the Club has been the championship of our Division with the resulting transfer to the Second Division of the League.

Today with the Christmas games in front of us we stand in a most favourable position and if these holiday games can be won we shall be well in the running for the championship of our Division.

We have the players with the ability all working together as a team, not as individuals, to accomplish this desired achievement.

What is essential is united effort and determination on the part of the players, and real sportsmanship and encouragement by the supporters for this to be accomplished.

Councillor Chas. Jeyes
(Chairman, Luton Town Football Club)

My first wish is a very Merry Christmas and a Prosperous New Year to all, supporters, players, officials and my colleagues on the Board. My second wish is that the match you will witness today will prove to be everything you desire of it yourself, that it will be contested in the best possible spirit with the laurels going to the team that most deserves them. My third and last wish is that the spirit of Christmas has descended upon you all, as it did to Scrooge of old, and that you have in some way, whether it be great or small, have made this festive season appear brighter to someone less fortunate than yourself.

A Brighton & Hove Director
who desires to remain anonymous.

To all lovers of football at Luton, the Directors, Players and Officials of the Brighton and Hove Albion F.C. send you sincere and hearty greetings.

This Christmas Day, playing as we are, may it be a game to be remembered for the sporting spirit displayed, and as old opponents and friends, may this spirit long continue.

We are both playing important Cup Tie matches on January 12th, against two very famous Clubs. May we both by our play, and enthusiasm for this great National pastime give of our best, and when Chelsea and the Arsenal retire after the match, may they, whether winning or losing, say "Well done Luton, Well done Brighton, you both played the game, and we have been proud and honoured to meet you."

Mr. Harold Wightman
(Secretary-Manager, Luton Town Football Club)

I am taking this opportunity of extending to all of our supporters at this festive season, a Merry Christmas and a Bright and Prosperous New Year.

My Directors and I do appreciate the splendid support you have given us, and we can assure you that we shall make every effort to repay you for this support.

We trust you will continue to give us your full confidence and so encourage the Officials and Players in the hard task that confronts them.

Mr. Ian Wright, Derby
(Referee of today's game)

To the Directors, Officials, Players and Supporters of Luton Town and Brighton and Hove Albion Football Clubs.

Christmas, the Season of Goodwill, is here once more, and it gives me great pleasure to send you my Hearty Greetings.

As this is the first occasion I have officiated at a match in which either of these two teams have participated, I am looking forward to this game with interest and—**may the best team win.**

Tom Mackey
(Captain, Luton Town Football Club)

There is a saying "Christmas comes but once a year, and when it comes it brings good cheer." Christmas however, to a professional footballer, is a symbol for hard graft, as it is now that we experience our heaviest task of the season. Conditions are generally unfavourable, so give us a thought if we do happen to make a mistake. Our Brighton opponents are similarly placed to ourselves, and it is the hope of the "boys" and myself, that our meetings will be fought out in the true spirit of the game.

On behalf of the "boys" I wish you all a Happy Xmas and may the New Year bring us greater success than that with which we have already been favoured.

Mr. P. A. Edwards
(Chairman, Luton Town Football Supporters Club)

Christmas has an appeal to the individual and to the crowd alike, therefore, as an individual as well as in the capacity of Chairman of the Supporters Club, I give this message of Goodwill.

May at this time, all differences of opinion be for the Welfare of the Town Club, may there be nothing but charity in our hearts towards Players, Officials, Supporters and to each other generally and collectively, a determination to retain that friendliness throughout the season and beyond.

The Bobbers Stand Committee
(Philip W. Wright, J. Collier, A. E. Wickson)

A very happy Christmas to you all, and especially to those who have given us such magnificent assistance in making our several ventures in relation to the Bob Stand such a huge success.

We have frequently read in the daily papers, and even again during this past week, criticisms of clubs for failing to provide covered accommodation for their "bob" supporters. Happily, this state does not prevail at Luton. We have noted with pride that the Bob Stand has been greatly patronised, especially during inclement weather, and it gives us no little pleasure when we realise that we have by our small efforts been able to contribute to the comfort of Luton football followers. Automatically by the increased attendances that have resulted, and this is especially to the fore in regard to the Combination "gates," we are helping the Club. This is our only aim, and whilst we are so enabled, we shall so continue to do.

## THE SUPPORTERS CLUB

Chairman: Mr. P. A. EDWARDS.  
Vice-Chairman: Mr. H. JENKINS.  
Hon. Treasurer: Mr. W. PEASE.  
Hon. Registrar: Mr. F. E. LLOYD.  
Hon. Secretary: Mr. C. W. GILDER,  
"News Office," Luton.

First of all—to everyone—The Compliments of  
the Season. May these be the worst of our days.

There is a little matter we should like to clear up.  
It is in relation to the notes that appeared a fortnight  
ago regarding the proposed Club underneath the  
"Bob Stand." The Council of the Supporters Club  
wish it to be understood that they are not interested  
in this idea in any way whatsoever. They do not  
wish to steal other people's thunder and so ask for  
this to be distinctly understood.

The "draw" was made on Thursday for the  
Christmas Competition but of course particulars  
cannot be given here on account of space—or lack  
of it.

Our next big show will not be until February,  
when we hope to put on a tremendous programme.

May the "boys" get six points during the festive  
season.

## BOB STAND NOTES

The Committee first of all wish to extend to all  
their most sincere wish for a Merry Christmas.  
May everyone have a good time.

The Christmas Draw again this year was a huge  
success and although final figures are not yet  
available we shall be disappointed if the profit has  
not topped the £200 mark. In connection with this  
scheme our first word must be to the local tradesmen.  
From time to time notes have appeared in the local  
press criticising their lack of support to the Club.  
It is our great pleasure to report that the tradesmen  
have responded both nobly and generously to our  
request for prizes, so much so that we had 140  
available for distribution. This is really marvellous  
and the least we can say is "Thank you very much."  
Our next word of thanks is to all purchasers of  
tickets, to those who were fortunate—congratula-  
tions, and to those who were not—better luck  
next time, but you have some consolation in knowing  
your money went to a good cause.

As intimated last Saturday we are forming a Bob  
Stand Club. This is what the excavations mean  
under the Bob Stand, and we hope that the Room  
will be ready early in the New Year. A hearty  
invitation is accorded to all supporters to enrol as  
members of the Club. The subscription is merely  
nominal at 1/2 per season, and intending members  
are asked to send their name and address, together  
with remittance, to the Hon. Secretary, Bobbers  
Stand Club, c/o 84, Kenilworth Road, Luton.  
Supporters are asked to kindly note that **only  
members** will be allowed the use of the Club  
Room.
