FOR the second week in succession we have Bournemouth and Boscombe as our visitors, but on this occasion it is the League III team that we have the pleasure to entertain.

On Saturday last, during their match with Swindon Town at the Dean Court Ground, the "Cherries" suffered a severe blow and one that will handicap them seriously. In a collision their centre half, Pincott, received an injury and had to be escorted from the field, later being removed to hospital suffering from concussion.

Bournemouth and Boscombe was originally formed in the year 1890 and was known as Boscombe St. John's Football Club, but nine years later through the ambitions of the inevitable local enthusiasts the present club was formed under the name of Boscombe. In these early days in junior football the club played at Castlemain Road, Pokesdown, and had for a coach, that redoubtable player, Charlie Stevenson. It was not before 1905-6, however, that the club first began to make a name for itself, but in this season practically all honours possible in both junior and senior circles in Hampshire and Dorset were gained.

The F.A. Cup Competition was entered for the first time in 1913-14, and the season following the club adopted professionalism and entry obtained to the now defunct South Eastern League. So far as playing results were concerned this venture proved disastrous, as the club finished in the lowest position.

The war brought a cessation of activities so far as League Matches were concerned and on a resumption in 1919, a season was spent in County League and Cup Football, but the year following, competition in the Southern League was sought. It was not until 1923 that Boscombe were admitted to the Football League, and in order to commemorate this unique occasion, the title of the club was changed to Bournemouth and Boscombe Athletic.

When the Dean Court became the domicile of the club in 1910, it proved to be a piece of waste ground, and the Club were indebted to the late Mr. J. E. Cooper Dean, a former president, who rented it to them on favourable terms. Much voluntary work had to be put in to make the ground in a proper playing condition, and with the growth of the club the accommodation has had to be enlarged—the original stand held 300—and the facilities increased.

When we met the "Cherries" at Dean Court earlier in the season, a very enjoyable game resulted in a victory for us by three goals to one. On that occasion the two teams were as follows:—

Luton Town—Coen, Kingham, Mackey, Brown, Thayne, Fraser, Martin, Bell, Ball, Rennie, Stephenson.

Bournemouth and Boscombe—Mellors, Smith G., Richardson, Smith W., Pincott, Moralee, Mortimer, Fletcher, Tait, Farrow, Parris.

## CLUB NOTES by "Hatter."

Many of our supporters must have had another surprise when they read in the papers last Friday week that Sam Bell had been transferred to Tottenham Hotspur and I expect too, that many supporters when they did read this item of news, were to say the least, a little annoyed that another of their favourites had been allowed to leave for pastures new. On the face of it, it does appear that the Directors are going back on their word—that nothing but the best is good enough for Luton—but I can assure you however that such is not the case. The fees received for Bill Brown and Sam Bell were such that it would have been a bad policy to have turned them down, but in both cases before the ultimate transfer was effected the decision to remain at, or leave, Luton, was left entirely to the players themselves. And who blames them for showing a preference for First Division Football? After all soccer is their profession and it is everyone's ambition to reach the pinnacle of their profession.

At the same time as Sam Bell was transferred to Tottenham we concluded arrangements for the transfer from the Spurs of David Wilson Colquhoun, their right half back. It is the wish of the Directors that any idea amongst the supporters that this transfer was in the nature of a part exchange for Bell should be squashed. Before any mention of Sam Bell's pending transfer was ever made negotiations had been opened for the acquisition of this player. David is a very versatile player and was secured by the Spurs at a substantial fee from St. Mirren just over four seasons ago. He is 5ft. 9ins. in height and weighs nearly 12 stone. He appeared at right half in our team against Bristol City last Saturday and made a very successful debut, his splendid combination with George Martin and Wilf Crompton often evoking applause.

The match at Bristol was great, our boys if possible, surpassing all previous performances given. Joe Coen kept a great goal whilst Tom Mackey and Reg Kingham put up a sterling resistance. The halves too not only defended well but ably assisted their forwards, Tom Smith playing finely in the unaccustomed role of left half back. The forwards gave a great exhibition and George Stephenson was always a thorn in the flesh of the Bristol defence. George Martin too played finely and the combination of the right flank was equal to previous games when the personnel was different. The two goal scorers, Jack Ball and Fred Roberts again showed their abilities, the two points scored being both great efforts.

The Reserve game with Bournemouth was not too brilliant but considering the severity of the day and the boisterous wind the "Stiffs" did extremely well to notch two points. Criticism of the individual players is not possible as the elements were atrocious. Harrison, the outside left from Blackpool who is on trial, had few opportunities, but from the little he did have to do there are quite good possibilities in him.

USUAL PRICES OF ADMISSION

On Wednesday next the Annual Meeting for the Election of Directors will be held. All three retiring Directors, Messrs Godfrey, Hewson and Wilkinson, have again been nominated for re-election, and in addition there has been received the nominations of Mr. Frank Andrews and Mr. Percy Edwards. Thus there are five candidates for three seats and an election, the first since 1930, will ensue.

## LETTER to the EDITOR

Dear Mr. Editor,

I wish to offer my deepest sympathy with Charlie Fraser in having met with so serious an accident on the football field, also my sympathies with the Club in losing so faithful a servant for the remainder of the season. May Charlie make a good recovery and be able to help the Town Club next season.

The Town will now have to look for a new player unless the men on the injured list recover very quickly, as the experiment of a fortnight ago will not work. Why not try one of the Full Backs in the position?

On Saturday last I took the opportunity of viewing the new Club Room. May I congratulate the Committee responsible for so fine an effort and having viewed the same I could not resist but sign one of their forms and become a member.

I also note the improvement at the Oak Road Entrance. I am sure the improvement has been a blessing to those who use that entrance and exit.

Wishing the Club and players every success.

Yours,

NORTHERNER.

(I am sure one and all were greatly sympathetic with Charlie Fraser on his misfortune. However he is making a good recovery and this week has had the limb put into plaster. Perhaps today he will be one of the spectators at the match. As will have been noted, the Club have secured the services of Colquhoun in the half back position vacated by Billy Brown and for the game with Bristol City, Tom Smith was given the right half berth, so your suggestion had already taken effect.

Many thanks for your congratulations over the Club Room. I am sure the Committee will be delighted at your remarks. However, but for the financial generosity of Mr. Philip Wright the venture would not have been possible, although the other members of the Committee have worked very hard indeed in their capacities in other directions. Let us hope it will be a huge success so that their labours have not been in vain.

The Oak Road entrance and exit has always been something of a nightmare—the lack of space is the drawback. However during the close season one or two alterations to the Oak Road portion of the ground are contemplated.—Editor.)

**THE SUPPORTERS CLUB**

The coming week is an important one so far as we are concerned. On Wednesday next we have a Popular Concert at the Assembly Hall with Leonard Henry and Webster Booth as the "star" artistes. Leonard Henry is broadcasting earlier the same evening and is coming down by road immediately. That very popular party "The Revellers" together with Roy Winup will make up a fine programme. According to reports, tickets are going very well and as the reserved seats are of a limited number I advise an early purchase.

On Saturday next (March 23rd) we hold the last of our social functions as far as the Assembly Hall is concerned. For this, Howard Baker's Casino Band, together with Leslie Day as the singer, have been engaged. The "Boy with the Phenomenal Voice" is a splendid turn and should draw a large crowd. As it is the last dance of the season may we hope for a good wind-up.

There is one thing which requires clearing up. It has been stated (by someone who knows different) that certain members of the Council have a "good time" at the expense of the Club. Let me state definitely that the total amount spent on refreshments of any kind for Band, Stewards, Officials etc. for an individual affair is 17/-. As sometimes the number of band and artistes is twelve this does not seem a great amount on which to have a "good time." I leave it at that.

We have been asked to say something concerning the recent transfers. Our motto is (and will be) "Help without interference." Therefore we have nothing to say. It is the business of the Board of Directors. The result of last Saturday's match was a reply to criticism.

**BOBBERS STAND CLUB**

Judging from reports the above Club was a larger topic of conversation last week-end than even that of the transfers. Patrons of the matches, who saw it for the first time, were astounded and many nomination papers were signed and what's more many gentlemen who have called in during the week and joined up, have been sent along by their friends who are already members. It's the talk of the barbers, tinkers, tailors, soldiers, etc., etc., and by the beginning of next season a new atmosphere will have been created so that we all can get what is most necessary now to Luton—higher League Football. A full time Steward has been installed and the Club is open every day from 10 a.m. to 10 p.m. Refreshments and games are ready at your wish and on Friday next, the 22nd March, the Players are playing Members at indoor games, so will members who would like to pit their skill against Tom Mackey and Co., at Whist, Crib, Darts, etc., please enter their name on the list on the notice board in the Vestibule of the Club?

We are proceeding at once with extensions so there will be room for many more members. Five hundred in one week is good going but we want more. Pop in and hand your yearly subscription 1/2 today or, if you like, become a life member for one guinea. You won't regret it.
