## Newport County Supporters' Club

President—Cyrus T. Clissitt, Esq., J.P.

### Supporters' Notes.

Some of our members are perhaps wondering why it is that we have not made a grant as yet to the Newport County Funds. Well frankly, the position is this—our efforts have not been as successful as one might desire. It will be realised that the lack of success of the team is bound to be reflected in the efforts which the Supporters' Club might put out to raise funds. Our Christmas Draw was one of the items which suffered greatly. One is surprised to find what a 'flop' takes place when Newport County's success is lacking.

Then of course, there was the withdrawal by your Club of the 'Penny on the Ball' scheme—that has meant that income previously secured is now lacking.

We have the Buffet, the Whist Drives, and occasional Dances all of which earn some profit, and it must be remembered too, that during this season your Committee has paid off the guarantee of £50 in connection with the equipment and erection of the Buffet. All these items have to be taken into consideration when one sums up what has been done by the Supporters' Club for this season.

The present term is fast drawing to a close. It has been a bad season after promise of a brilliant one. We are all disappointed, but our disappointment must not damp our enthusiasm to such an extent that we fear passing out of existence. That must never be. It is up to every member to resolve to start afresh, and to once again restore some measure of prosperity to the County.

### Notes on To-day's Game.

For to-day's game we make one change from our side of last week when injuries caused such a debacle, Russell and Davies have recovered, but a slight mishap to Weaver means that he is unable to play and Reynolds therefore comes in at outside right.

Luton, who are placed fourth in the table at the moment, have 44 points in 36 games, provide formidable opposition. They include in their side Coen, the former Bournemouth goalkeeper who has put up some magnificent displays against us in former seasons. Their forwards include Stephenson (Aston Villa) whilst Smith (Rochdale) and Thayne (Hartlepool) are two of a strong mid-line. The County's need for points is really desperate, and a defeat to day will put the end to all hopes of steering clear of bottom place in the table. Encouragement to them should be freely given to-day, and we hope for some success.
