## BRENTFORD RES.

LONDON COMBINATION

KICK-OFF 3.30 p.m.

## ORIENTAL CHATTER

Season 1935-36 has definitely arrived and we most sincerely hope that we are commencing in a manner which is going to materially assist towards our goal at the end of the season.

Luton Town are our visitors, and for our first hurdle we believe we are up against a team that is going to make headway, and it behoves our boys to be "up and doing" from the sound of the whistle to the end of the "95."

Of course, we have to take so much on trust with many new players in our ranks, and should we fail to make good in our first endeavour, we trust you will commiserate with us and make our lot easier by admitting something has been attempted and something done.

However, the new blood are going into the fray with a will to win and from what can be gathered from the one public trial and several private ones, we feel sufficiently optimistic that we are going to justify our endeavours.

It will be noted that in five instances our team differ from last season, and at the time of writing these few lines there is a possibility that two players who were with us last season will be ranged against us in to-day's match, viz.: Fellowes at centre-half and Finlayson at right back, both of whom should receive a roar of welcome from our home "fans" in recognition of services rendered. Our visitors have also secured another very fine centre-half in Nelson from the Wolves and who cost a four-figure transfer, and this goes to show that efficient reserves are part and parcel of the go-ahead policy of the Strawplaiters' directorate. Without doubt, Luton Town are going to make a bold bid for premier honours in the Third Division, and as in the past, the better the opposition the better our lads serve up their portion of the enjoyment. We are hoping to put the first peg in the way of our visitors' aspirations.

The home game last season resulted in a draw of 1-1, and if we can only go one better this time we think we shall have done something to justify the confidence of our very sympathetic and ardent supporters, and thereby create an impression which will most certainly compel every one of you present to-day to

bring along a friend for our second League game on Thursday evening next when Reading are our visitors.

For the benefit of those who were not present at our only trial match and therefore were not able to avail themselves of our "penn'orth," we have again printed the names of players on our books, i.e.:-

**Goal**—HILLAM, WALL.

**Full Backs**—SEARLE, HEROD (Swindon), TAYLOR, J. (Halifax), HURST (Blackpool), WOODS (Southend U.).

**Half-Backs**—FOGG, WARE, TAYLOR, AFFLECK (Bristol City), REED (Crystal Pal.), HEINEMANN (Crystal Pal.), TRODD (Queens Park Rangers).

**Forwards**—MILES, MAYSON, FARRELL, CRAWFORD, FOSTER, SMITH, HAMMOND, EDWARDS (Bury), McALEER (Lincoln City), PATEMAN (Bradford City), PAGET (Newport County), CAMPBELL (Glasgow Rangers), McDERMOTT (U.S.A.).

In endeavouring to please our patrons we have to-day offered you a programme of music by the NORTH LONDON EXCELSIOR BAND.

The Directors wish to acknowledge with deepest thanks the receipt of eleven pairs of hand-knitted socks which have been presented by Mrs. M. Hellen, of 2, Hartley Street, Bethnal Green. A real example of Oriental enthusiasm.

### SUPPORTERS' CLUB NOTES.

The opening of a fresh football season always means a great deal of work for all the officials of the Club, and I hope that this year will be no exception. Enrolments of new members and renewals by old members are keeping us very busy, and I am pleased to say that, up till to-day, 217 names are on the register. Our aim is 1,000 members, and if you will do your bit by enrolling to-day, our object will soon be achieved.

Now may I draw your attention to the new Members' Football Pontoon which commences to-day. This is definitely of great interest to all members, and if you would like to be of some real use to the Club, call at the Hut to-day and get your ticket. The price is 1/- per fortnight, the prizes are good and the object, to assist our funds—splendid.

DON'T FORGET THE BALL FUND.
