After playing two matches away we at last begin our home campaign and for our opening fixture have as our opponents, old friends and rivals in Southend United. Curiously enough it was against the "Shrimpers" that we began the 1934/5 season when after a stirring struggle a draw of one goal each resulted. The "Seasiders" however, did not live up to their early promise and fell badly away, with the result that at the season's end they could only muster 31 points and were forced to seek re-election.

During the summer months however, the Southend management has endeavoured to greatly strengthen their team, and so make a bold bid for championship honours. With this end in view no stone has been left unturned to obtain the right man for the required position, and accordingly the signatures of the following players have been obtained. To understudy the veteran Moore, has been signed D. McKenzie who previously had donned the Plymouth Argyle sweater, whilst in addition to the full backs, Robinson, Kelly and Holborn, have been added V. Corbett, ex Manchester City and Torquay United, and J. Nelson, late of Newcastle United. Jackson, Morfitt, Smith, Donoven, Gulliver and Carr were the retained half backs to which line J. Spelman and C. Turner, both from Leeds United, are additions. Among the forwards newcomers to their ranks are

J. Demellweek from Plymouth Argyle, J. Firth from Leeds United, and C. Pearson from Birmingham, these in addition to Stevens, Cheesmur, Johnson, Jones, Oswald, Clark Deacon, Lane and Busby who were with the Club last season.

Southend have made a very auspicious commencement and on Wednesday last trounced Crystal Palace to the tune of seven goals to one whilst the previous Saturday drew three all with Bournemouth, our mid-week victors.

For some seasons past now our ground has always been a happy hunting place for the seaside club. What therefore will today bring forth?

We are presenting at each match, to two holders of programmes, a ticket which will enable them to obtain free admission to the Grand Stand at the following match (Cup Ties and Special Matches excepted) that is to be played on this ground.

A board will be taken round the ground during the interval intimating the numbers that have been selected, and holders, who have in their possession programmes bearing these numbers, are requested to make personal application at the office of the Club immediately after the termination of the match, in order to claim these tickets.

CLUB NOTES by "Hatter"

Further disappointment was our lot on Wednesday evening last when, following on our defeat by Clapton Orient, we had a second reverse, this time at the hands of Bournemouth & Boscombe United. Our only consolation this time is that there was only one goal margin in the defeat. So our hopes of two opening away victories have been dashed.

The game at Bournemouth started with both teams striving for an early goal and consequently the exchanges were keen and interesting. Gradually, thanks to Jack Smith, the ex-Pompey star, and Parris, the dusky winger, the "Cherries" gained the ascendancy and after twenty-five minutes play, following several heading bouts around the penalty spot, Riley secured and beat Coen from close quarters. On the restart Stephenson made tracks for the Bournemouth goal and, following a badly placed corner kick, the "Cherries" broke away on the right and Nelson handled, within the fateful eighteen yards area, a centre from the winger. Fortunately the place kick rebounded from the cross bar and was eventually cleared. Five minutes later, however, following another attack by our forwards, the Bournemouth right wing again broke away and this time it was Reg Kingham who handled the ball, but this time just outside the penalty area. The players lined up and put a barrage in front of the goal, but Riley's shot rebounded from the legs of a defender and was diverted into the opposite corner to that, to which Coen dived. Four minutes from the interval good work by Stephenson ended in a fine centre. Mellors came out to clear the ball, but Beresford's jump caused the goalkeeper to be out of his reckoning and consequently both missed the ball, which fortunately landed at the feet of Crompton, who had closed in, and he had no difficulty in putting it in the net.

Following the change of ends we attacked with vigour, but several promising movements were negatives by the slowness of the inside forwards and three good scoring chances, at least, were woefully misplaced by the same miscreants. We had at least seventy per cent of the game this half but the end came with no alteration to the score sheet.

Obviously this cannot be the form of the team, for there was a sad lack of understanding between the divisions, the most palpable being that of the defence. Joe Coen could not be blamed for the two goals recorded against him, but although his place kicking was good, he did not seem to show that confidence that was apparent last season. Arthur Hubbard put up a very good exhibition indeed and was easily the pick of our defenders for Reg Kingham allowed Parris to get the better of

him too frequently. The wing half backs did too much attacking, especially in the first half, and consequently a Bournemouth breakaway found them right out of position. The inside forwards, although showing much cleverness, were apt to overstep the mark, the short passing being very much overdone. If more use had been made of the extreme wingers, Stephenson and Crompton, goals must have come for they were always a thorn in the flesh of the Bournemouth defenders whenever they did get the ball.

The "Stiffs" match with their confreres from Bournemouth on Monday evening was a thrilling affair, a highly exciting game ending in a draw of one goal each, thanks to George Turner's successful last minute effort. Play during the first half was more or less even, if anything we had slightly the better of the exchanges, and if Dame Fortune had smiled sweetly upon us might easily have been leading by three goals although Bournemouth were unfortunate when a header from Burgin just missed the post after McIntosh had left his charge. Anyhow the interval arrived with the score sheet blank. The commencement, after the resumption, was a repetition of the first half, the ball travelling from end to end with amazing rapidity. After about a quarter of an hour's play a movement on the Bournemouth right produced an accurate centre and Adkins, meeting the ball first time, gave the "Cherries" the lead. After this it was all Luton. Time after time attacks were launched but over eagerness on the part of the Bournemouth rearguard resulted in no equaliser. With barely a minute to go, George Turner received the ball and, after beating his namesake, hit the ball first time and a brilliant cross shot right along the ground found its billet just inside the far post as Gold had made up his mind to go down for it. Never have I heard so much cheering as that which greeted this effort, even the boys and girls who were playing on the "Scotch Colony Bank," left their caprices and helped to swell the vociferation.

IMPORTANT.

Supporters are asked to note that the kick off on Monday evening has been altered to 6.15 p.m. and not 6.30 p.m. as advertised.

During the past week the membership of the club has again increased and if this is a forecast of what we have to expect in future, we shall soon be well over the 2,000 mark.

On Saturday next we are running a number of saloon motor coaches to Northampton, the occasion of our Derby match with the Cobblers. As these, however, are limited, will all members who are desirous of making the trip kindly give their names to the Steward or any member of the Committee as early as possible.

On Friday evening next with the desire to get as many of our members on fraternal relationship we are organising a hot supper. All those who have already tasted the Steward's preparations can give assurance of the fare that he supplies so there should be a good attendance. The charge is merely nominal at 1/- per head, and at 8.15 serviettes will be unfurled.
