TODAY we entertain as our visitors, opposition from the Army Garrison town of Aldershot and we expect them to provide us with a real tussle.

The Hampshire Club have been more than usually successful this season even in spite of six home defeats for they have somewhat counterbalanced this deficiency by winning four and drawing three games on opponents grounds. They are the only club to gain the great distinction of defeating Coventry City at the Highfield Road Ground, which they accomplished by two clear goals on Christmas Day, and although Coventry somewhat levelled matters up the following day by defeating Aldershot at home, this does not however take away any of the glorification from the performance. Coventry City, Crystal Palace, Gillingham, Queens Park Rangers, Swindon Town and have been successful at the Recreation Ground, whilst Bristol City, Millwall, Southend United and Watford have shared the spoils there. Mention has already been made of their away victory at Coventry but they have also been successful at Cardiff City by one goal to nil, at Millwall by two goals to one and at Notts County by a similar score, whilst drawn games have resulted from their visits to Southend Bournemouth and Watford.

The finances of the Aldershot Club have never reached a high figure consequently their expenditure on players has of necessity been practically nil. The only player for which a transfer fee has been paid this season is Robert Shankly a forward from Newcastle United, but other captures were Jacob Iceton the ex-Fulham goalkeeper, Walter Rivers from Gateshead and Ernest Whitworth from Burnley, halfbacks, and in the vanguard Ernest Robson from Gateshead, John Oxberry from Reading and Andrew Love from Aberdeen.

Clubs, such as our visitors of today, always obtain the admiration of others more favourably situated financially, for the constant struggles that ensue to

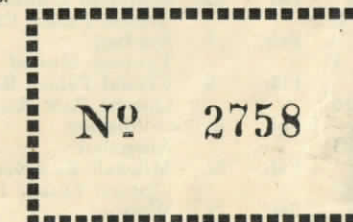

get together a team worthy of the Club, with only limited resources available, is one always well understood. Many of the now affluent clubs of today have at one period or another during their history suffered a similar phase and can readily sympathise with those who are going through a similar period. You deserve the congratulation of the football world Aldershot, on your successful efforts of this season.

**IMPORTANT**

Supporters are requested to note that seats at 3/6 each, for the Centre Stand, can be booked in advance, for all remaining League III matches for this season. All applications to be made to the Secretary, Luton Town Football Club, 84 Kenilworth Road, Luton.

We are presenting at each match, to two holders of programmes, a ticket which will enable them to obtain free admission to the Grand Stand at the following match (Cup ties and Special Matches excepted) that is to be played on this ground.

A board will be taken round the ground during the interval intimating the numbers that have been selected, and holders, who have in their possession programmes bearing these numbers, are requested to make personal application at the office of the Club immediately after the termination of the match, in order to claim these tickets.

## CLUB NOTES by "Hatter"

Should one attempt to describe the match with Torquay United on Wednesday evening last as a spectacle, it would indeed be a perversion of the truth, but one could honestly say it was a game full of thrills. Excitement was intense from start to finish and doubtless the tension that was involved had no little effect on our boys. On the other hand Torquay with everything to gain and nothing to lose defended stubbornly, their full backs believing in the order of the boot irrespective of where the sphere eventually landed. There is no doubt that this method was successful and coupled with the fact of a lively ball our vanguard could make little headway. It was not until seventy minutes of the game had elapsed that Jock Finlayson sent a long ball over goalwards to the left wing. It had every appearance of going out, but "Stevo" put on an extra burst of speed and despite the attention of two of the "Magpies" defenders he managed to square the ball and George Martin was on the spot to head a cleverly worked goal. After this taste of blood our forwards wanted more and there were determined onslaughts on the Torquay goal until the final whistle, but without result. Joe Coen did not have a tremendous amount to do, but a save in the opening stages brought down the house—a brilliant shot by Beedall and an equally brilliant save. Harold Booton and Tom Smith defended well, both kicking and tackling splendidly whilst Jack Nelson was a tower of strength at centre half. What a pity he had to miss the game at Swindon. Jock Finlayson and Bill Fellowes did not have an altogether happy match, the lively ball oftentimes playing queer tricks, and consequently several passes went astray. It was a pity too that Jack Hodge

pulled a muscle early in the game for this sadly weakened the right flank. Consequently we could not form an opinion of his capabilities, although he rounded the full back well early on and rammed in a perfect shot only for Maggs to make a fine save. George Martin played his usual clever game but Bill Boyd was given the ball too much in the air and against an unceremonious centre half had few opportunities. Nothing would go right for Fred Roberts, but he never gave up trying and one had only admiration for his efforts against adversity. "Stevie" played exceedingly well and was the biggest thorn in the flesh of the Torquay defence.

Today we meet Aldershot, a team that have shown remarkable form of late and who possess a defence that is the envy of many another Club. In Willie Robb they possess a goalkeeper of outstanding merit who somehow always manages to shine against us. Let us hope that his light will be put out today but that it will reappear when he takes a well earned benefit shortly. No alteration is made from Wednesday's team with the exception of Len Rich reappearing on the extreme right in place of Jack Hodge and Frank Sloan coming in for George Martin who is taking a well earned rest.

The "Stiffs" visit Highbury and have a tough nut to crack, but if they produce their form of recent weeks they may accomplish something different from the results of previous visits. After an absence of four or five weeks Tom Mackey is having a run at right back and Harry Gooney resumes at right half. Colin Cook takes the centre forward berth with Frank Beresford at inside right and Joe Payne on the extreme wing.

On Wednesday next April 1st the Final Tie of the Wednesday Cup is being played here. Kick off 3-15 p.m. Admission 6d. Everybody pay.

**BOBBERS STAND CLUB**

Thursday evening last, might possibly in years to come be looked upon as another milestone in the history of the Club, for it was the first occasion of a meeting of the Lady Members of the Club. The meeting took the form of a dinner followed by a musical evening. Fifty-three ladies sat down to the meal which consisted of Soup, Joint and Two Vegetables with Christmas Pudding and Cream, being waited upon at the table by the male members of the Club (as usual did I hear you say). A musical entertainment followed, songs being rendered by Messrs Goodman and Dawes, and the Bob Stand favourite "Peggy," the accompanist being Mrs. Hathaway.

During the evening Mr. J. Collier on behalf of the President and the Committee of the Club said how very pleased they were to see that the Ladies had undertaken

to do something on behalf of the Club. The Committee thought that the time was now opportune and especially so as the New Lounge was practically completed, for the Ladies to have a Committee of their own. The male members too, were anxious to compete with the Ladies to see which section could do the most for the Club. This was received with acclamation and from the enthusiasm with which this intimation was received the formation of a Ladies Committee is a certainly.

Will Clubs and other parties who have written to us for vacant evenings for Social gatherings kindly note that they can expect a reply in the course of a post or two.
