Secretary: Mr. A. E. Wickson.

Honorary Medical Officer: E. J. Crarer, M.B., Ch.B.

FOR the third successive year Southend make Luton their first visit of the season, a habit which has not been unproductive to them since they have taken three points out of the last four. Despite promising beginnings at our expense, however, their playing record during those past two seasons has not caused their supporters unmixed satisfaction.

This season, we learn, there has been a change of policy in which Manager David Jack has played a big part. The playing list has been reduced from 37 professionals last season to only 25 for this campaign. Seven newcomers have been signed and there is one point common to all these seven—they are all big men.

Luton has always been quoted in the seaside town as a team of big fellows and where the skill has been equal Manager Jack has signed the big men—perhaps in the hope of achieving some of the success that has been Luton's of late.

The new men include Jack Everest from Cardiff City. Weighing well over 12 stone, standing 5 ft. 10½ in. he is well up to Southend's new specification. A left back, he was captain of Cardiff last year and is a powerful and determined defender on the field, besides being a humorist in the dressing room. Another new full back is J. Brook from Coventry City, signed at the end of last season. He is 5 ft. 11 ins. and 12 stone. A roving player he has a sure kick in either foot and played some good games for Coventry.

A player considered a real find, however, is Hague, centre half from Derby County, another very well built youngster considered not unlikely to oust Charles Turner from the League side and Turner was capped for the Irish Free State last season. Hague had experience with Derby and has shown his mettle, although unfortunately for Southend, Goddard, regular centre forward, collided with him in last week's practice game and will not be present here today, nor elsewhere for a little while!

Egan is a new inside forward from Brighton. An ash-blond, he was the subject of some big money bidding on the part of Newcastle not long ago. Then he lost form. Southend have signed him and

We are presenting at each match, to two holders of programmes, a ticket which will enable them to obtain free admission to the Grand Stand at the following match (Cup Ties and Special Matches excepted) that is to be played on this ground.

A board will be taken round the ground during the interval intimating the numbers that have been selected, and holders, who have in their possession programmes bearing these numbers, are requested to make personal application at the office of the Club immediately after the termination of the match, in order to claim these tickets.

No 3675

he appears to have got his confidence back. Dickinson, from Rotherham, where he scored a hatful of goals last season, was previously with Sunderland, is another inside forward who sets a new fashion for Southend with his 5 ft. 10 ins. and 11½ stone measurements. Graham is the new centre forward from Hartlepoons, previously with Notts Forest. He is the biggest leader Southend have had, but has been out of training with a pulled muscle. He may be in the side today.

Finally there is Bryan a young goalkeeper from Walsall and Sunderland. In contrast to the other recruits he is only 5 ft. 8 ins. and scales just over 9 stone. Southend, however, have a penchant for small goalkeepers. The regular man, Mackenzie, a youngster from Plymouth is only 5 ft. 7 ins. and less than 10 stone. Was offered cap for Irish Free State last season, and considered Southend's "best ever." It's up to Luton to get past him today.

### SEASON TICKETS

The Directors wish to draw the attention of supporters to the Season Tickets that are issued by the Club. These can be obtained in three classes.

First of all is the £3/3/0 ticket which entitles a holder to a seat in the Centre Bay of the Grand

Stand. Here each seat is numbered and a holder makes a choice of a particular seat, which is reserved for him throughout the season. On the occasions of Cup Ties a holder is given first refusal of purchasing the necessary ticket which will enable him to occupy his usual seat.

Secondly there is the £2/4/6 ticket which entitles a holder to either a seat in the Grand Stand (other than the Centre Bay) or alternatively a position in the Enclosure whichever is preferred. On the occasions of Cup Ties a holder of this class of ticket will have first refusal of purchasing a ticket which will enable him to occupy a seat, which will be reserved, in the front rows of the Grand Stand (other than the Centre Bay).

Thirdly there is the Ground Season Ticket, which can be purchased for £1/2/6. As the name implies this ticket enables a holder to obtain admission to the Ground. This innovation begun three years ago and has received increased patronage each season, last season over 530 tickets being sold.

For the benefit of Schoolboys a ticket is issued at £1/2/6 which entitles a holder to a seat in the Grand Stand or a position in the Enclosure.

The Entrances for Season Ticket Holders are as follows:-

1. Main Grand Stand Entrance adjoining Kenilworth Road (for £3/3/- and £2/4/6 holders only)
2. Ivy Road (for Ground Season Ticket Holders only)
3. Maple Road (for all classes of Ticket Holders)

Season tickets can be obtained on application to the Secretary, Luton Town Football Club, 84, Kenilworth Road, Luton. 'Phone Luton 1560.

### CHAIRMAN'S MESSAGE

We have arrived at the threshold of another season. What the outcome will be we cannot foresee, of course, but while we cannot command success, as we have been told by one of the old writers, we can deserve it.

We think that we deserved more than we got last year, but it is no use harping on the past; we have to look to the future.

I hope these words will be read by a crowd of something like fifteen thousand people, because good support at the outset of the season is a tremendous encouragement to Directors, Officials and players alike.

I hope also that there will be even more supporters within a few weeks, because upon the loyal following so much more depends than the average man allows.

We believe that we have done right and have been in accordance with your wishes in retaining so many players; to the few who have gone we extend our best wishes; to those who remain we wish even greater success than they have yet known.

Moreover, we believe we have strengthened the teams although the acquisitions are few; we also consider that we have strengthened the Club generally by the appointment of Mr. Ned Liddell as our team manager.

With the fullest confidence, born of experience, I am appealing to you supporters to help us in every possible way to make this season compensate for all previous failures. Last season you helped us to make all sorts of new records: you can do it even better in the new season.

You also have had proved to you that the Directors are as eager to attain promotion as any of you; our efforts will be continued as earnestly as ever provided we get the support; we shall never lose sight of the fact that there are more important fields to conquer, and with your help we shall

gain the end we have in view, perhaps this season—The Second Division.

To everyone of you, whether Grand Stand or Terrace, the best of good luck, and a happy ending next May.

Yours faithfully,

CHAS. JEYES, Chairman.

The two Practice Matches interested an aggregate attendance of 9,822 spectators as compared with 10,549 last season, whilst the receipts amounted to £268/3/6 as against £287/19/0 in 1935/6.

It is impossible to account for the smaller attendances at these matches this term unless it is due to the fact that we were blessed with two glorious days for our trial games and would be spectators thought they would take advantage of practically the only two fine week ends we have had this summer.

**BOBBERS STAND CLUB**

To all the supporters of the Football Club. We informed you at the beginning of last football season, that the Committee had decided on the lines that their efforts for the season were to be made. We informed you we should extend the Bob Stand, which you all know has been done. During the close season we have been busy with the Concrete Terraces under the Bob Stand, so as to give you every comfort possible, and also to make room for a good many more spectators. We would like to point out that all this work has not cost the Football Club one penny. Another item we have not forgotten is that the spectators do need refreshments so we have largely extended our Catering departments. We have now four entrances to the Club, so you can easily get a good cup of tea as well as any eatables you require. Let us add a word to our non members. Join the Bobbers Stand Club, it costs you only 1/2 per year, or should you desire Life Membership the nominal sum of £1/1/0. We have now over 3,000 Members, (which includes 400 Lady Members) so do not delay, join at once, and so enable us to still go on further with our Ground improvements thus giving you no regrets for becoming one of the Happy Band of Bobbers. During the Winter months we have arranged a large programme of Indoor Tournaments. As usual we are being visited by our out of town supporters and any member who wishes to take part in any of these games is asked to give his name to any member of the Committee. Our chief improvement to our Club is the New Lounge, which is being extremely well supported. Non-Members come and inspect the Club Premises and we are sure you will not wish to leave them before you make yourself a Member.
