TODAY we welcome Exeter City, a Club whose history forms a continuous chapter of an arduous, but on the whole, successful struggle against adversity. Owing to this the "Grecians" have become well noted and famed for their capabilities as talent spotters, and many a rough diamond has been moulded into the finished article by the Devonshire Club. Doubtless the most famous player ever connected with the Club has been Clifford Bastin, but followers of football a decade ago still remember Dick Pym, the Topsham fisherman, who was eventually transferred to Bolton Wanderers and with whom he gained an International Cap. Bastin, himself, was an Exeter schoolboy, and his ultimate transfer to the Arsenal has been heralded by many as the best of the late Mr. Herbert Chapman's many deals. It is a curious point, however, that even this great football judge was more than dubious of paying a four figure fee for a youngster who was inexperienced in Football League circles.

Exeter City's nickname of the "Grecians" has always puzzled football followers, and at no time has a satisfactory explanation been effected as to how the Club received this soubriquet. Perhaps the nearest solution is that at one time near the City ground was a community of street traders who used to style themselves the

"Grecians" but for what reason no one has ever been able to ascertain.

It was in the year 1908 that Exeter took the plunge and adopted professionalism, being elected that year to the old Southern League. A combination of unexpected circumstances gave Exeter City the chance to find a place on the football map. The secession of the "Spurs," who deserted the Southern League to join the Football League, created a vacancy and on the extension of the Southern tournament to a further two clubs the same season, Exeter City, together with Southend United and Coventry City, were elected to fill the vacancies.

The most memorable seasons of the "Grecians" are 1930-31, when they confounded all the critics by defeating Derby County, Bury and Leeds United in the Cup, and 1932-33, when they finished runners-up of the Southern Section, whilst three seasons ago they became the first holders of the Cup inaugurated for competition amongst the Southern Section Clubs.

As there seems some little amount of controversy regarding the inclusion of the number of Season Ticket Holders in the attendance figures, the Editor wishes to state that the total number of Season Ticket Holders (whether present or otherwise) IS included in the League III attendances but NOT in the London Combination attendances.

IMPORTANT.

Owing to the huge demand for tickets for the Cup Tie on Saturday next, the Directors have decided that each Season Ticket Holder will be allotted 2 seats for every Season Ticket held.

N.B. Tickets for the Bobbers Stand are obtainable ONLY at the Bobbers Stand Club.

If your thoughts are centred on house purchase you cannot do better than to pass us your requirements. You will find we have just the house you are looking for, and will be pleased with the courteous and efficient manner in which your business is attended to

BOBBERS STAND CLUB

President: Philip W. Wright, Esq.

Hon. Secretary-Treasurer: J. Collier.

Committee: Messrs R. Claridge, F. Cooper, N. Lines, A. Whittaker, E. G. Gibbs, A. Flitton.

Our first thoughts must go to the Town Players for the splendid victory on Wednesday, at Blackpool, and hope after the Sunderland match, Luton will be one of the clubs to go into the hat again. On Saturday last, fifty of our Bedford members stayed and sat down to a meat tea after the match. Now Mr. Adamson tells us that the same arrangements will be wanted for the Sunderland game. He has also asked for one hundred tickets for the Bobbers Stand.

NOTICE

I would like to point out to all the followers of the Luton Town Football Club that the Bobbers Stand Committee have no say as regards to prices made to the Bobbers Stand, or any business concerning the Football Club. We remain as we started, a body of workers trying to do all we can for the shilling supporters, and by so doing we are assisting the Football Club and the results of our work has proved a big help to the Football Club. With your support we will go on further with ground improvements to enable you all to see a football match under cover. I trust the remarks above will be quite clear to all, as while we are out to help the supporter, we are also out to do all in our power to help the Directors.

For and on behalf of the Committee,

Yours faithfully,

J. COLLIER, *Hon. Sec.-Treasurer.*

FIFTY YEARS' PROGRESS

Here are illustrated some of the machines of the past and in contrast is the finest bicycle of to-day—the Raleigh. Throughout all these years Raleigh have been first with every cycling improvement.

Don't blame cycling if it tires you. Blame your bicycle. If it makes hard work then it's old-fashioned—even if it's new. So change to a Raleigh. For a Raleigh is designed—from the position of the saddle to the free-running bearings—to make cycling easy. The whole secret of its easier-running and modern design is that skilled engineers are constantly working to improve the Raleigh—and every part is made in the Raleigh factory. Get the best in cycling—Get a Raleigh.
