WE are proud of the honour that the luck of the Cup Draw has bestowed on us this afternoon, when we entertain the League Champions, Sunderland. They arrive with a great reputation, and there is not the slightest doubt that the game seen here this afternoon will show only too well how this reputation has been accomplished.

Sunderland have every reason to be proud of their record, for few clubs can claim to have leapt into fame with such startling rapidity or have such a time honoured career as the men of Roker Park. The present day rivalry with Newcastle, their near neighbours, goes back to the early days, when a number of schoolmasters banded together and formed the club. Chief among these gentlemen was a Mr. James Allan, who took a great interest in football and other forms of sport, especially if the object was to aid charity.

During the early days football was a novelty, but rapid strides were made and the Durham Football Association was formed, while in 1887, Mr. Robert Thompson, J.P. became President of the Club.

At that time Sunderland's team was composed mainly of Scotsmen and they quickly became the most formidable combination in the County of Durham, their only serious rivals being Middlesbrough and Newcastle West End. Such was the power of this famous Club that in five seasons they only suffered three home defeats, while in the season 1891-2 they became League champions, a position which they again occupied the following season, after establishing the record number of 100 goals in a series of matches while securing a further record of 48 points. Success continued to come their way, and they again finished on top in the 1894-5 campaign. In fact Sunderland have enjoyed pride of place on no less than six occasions. It is worthy of note that Doig, a brilliant Scottish international goalkeeper, did much for his Club, while in 1905 Middlesbrough paid the then record transfer fee of £1000 for Alf Common who had done such sterling service.

It must not be imagined however, that Sunderland had no disasters for in the 1896-7 season, after an extremely bad term, they lost considerable support which caused them to leave their ground at

Newcastle Road. This change led to the present ground at Roker Park, which has since been the venue of so many thrilling battles. It is one of the finest grounds in the country, with a capacity of 65,000

ANNUAL SPORTSMEN'S SERVICE TOMORROW (Sunday, January 31st)

PEN PICTURES

of the SUNDERLAND PLAYERS

Mapson, John (goalkeeper)—Born at Birkenhead. Height 5ft. 11½ in. Weight 12 stones. Age 19 years. Went to Reading at 17 and signed on Jubilee Day. Transferred to Sunderland, March, 1936.

Gorman, James (right back)—Born at Liverpool. Height 5ft. 9 in. Weight 11 st. 6 lb. Age 26. Signed for Blackburn Rovers in season 1930-31. Transferred a fortnight ago to Sunderland at a fee in the region of £7,000.

Hall, Alec (left back)—Born at East Calder, Midlothian. Height 5ft. 10 in. Weight 11 st. 5 lb. Few clubs have had such a good bargain for £500. That was all this grand back cost Sunderland when they took him from Dunfermline Athletic. Established himself in the first team in last season's campaign. Had early experience with East Calder Swifts.

Thomson (right half)—Born at Glasgow. Height 5ft. 8 in. Weight 9 st. 12 lb. Was taken off the doorsteps of the big Scottish clubs. Sunderland signed him as a youngster from Glasgow Pollock. That was in 1930-1, and two seasons later he was in the League side. An engineer by trade, he now "engineers" delightful attacking movements.

Johnston, Robert (centre half)—Born at Falkirk. Was recruited from Alva Albion Rangers, a Scottish Junior Club, in 1930. Although acting mostly as understudy to John McDougall, he has made League appearances in each of his seasons at Roker Park.

McNab, A. (left half)—Born at Glasgow. Height 5ft. 5½ in. Weight 10 st. 3½ lb. Formerly with Glasgow junior club. He is a talented player and with Gallacher and Connor forms a formidable left flank.

Duns, Leonard (outside right)—Born at Newcastle. Height 5ft. 9 in. Weight 11 st. 6 lb. Was spotted by Sunderland soon after leaving school, and in October, 1933, when he reached the age of 17 years, they immediately signed him as a professional. Made his first team debut last season.

Carter, Horatio (inside right)—Born at Sunderland. Height 5ft. 8 in. Weight 10 st. 7 lb. True example of "local boy makes good" theme. As a schoolboy he won caps against Wales and Scotland. After an unsuccessful trial with Leicester City he was placed on the ground staff at Sunderland and signed as a professional in 1932. In season 1932-3 he became a regular in the first team and in March of that campaign played in an international trial. Has since gained his full cap.

Gurney, Robert (centre forward)—Born at Silks-worth, near Sunderland. Height 5ft. 8 in. Weight 11 st. 3 lb. Went to Roker Park on the recommendation of Charlie Buchan, the famous Sunderland, Arsenal and England forward. Has broken one leg during his career, but still plays with the same dash as ever. Has been "capped."

Gallacher, Patrick (inside left)—Born at Bridge of Weir, Renfrew. Height 5ft. 7½ in. Weight 11 st. 4 lb. Another of the club's discoveries from Scottish junior football. Was signed from a church side, Linwood St. Connel's, and had his League chance in 1929-30 when only 19. Plays either inside right or left and is a Scottish International.

Connor, James (outside left)—Born at Renfrew. Height 5ft. 8 in. Weight 10 st. 5 lb. Played with Paisley, Carlisle, Glasgow, Perthshire and St. Mirren before joining the Wearsiders in 1930. Was actually signed twice by Manager Cochrane, who fixed him up while with St. Mirren and later secured him again after he had taken over the Sunderland managership. A very tricky winger, he has several caps.

As there seems some little amount of controversy regarding the inclusion of the number of Season Ticket Holders in the attendance figures, the Editor wishes to state that the total number of Season Ticket Holders (whether present or otherwise) IS included in the League III attendances but NOT in the London Combination attendances.

BOBBERS STAND CLUB

OUR thoughts must go out to the boys today, and hope for another Cup victory. The Committee regret that the tickets for the Bobbers Stand were insufficient to meet every demand, but all the money has been returned. It is clear that improvements will have to be made to the ground, so join our Club and rally round us like you did for your tickets for today's match, and it will not be long before you all are able to obtain all the tickets for any needle match that you require.

We know that all football fans are not dancers, but I am pleased to say that some of the supporters have purchased tickets for the Bobbers Dance next Saturday, February 6th, at the Assembly Hall. All the profit goes towards ground improvements, so if you care to be in possession of one of these tickets you may get them from the Bobbers Stand Club.

Our Bedford members are here with us today, and one hundred will be sitting down to tea. If any of our members wish to join them they will be pleased to talk over our past battles. Mr. Adamson has been in charge of the distribution of the tickets for our members at Bedford and Mr. Fred. Creasey for our members at Dunstable.

Now members and supporters keep giving the boys a big cheer today, and do your bit to assist them to win.

Mr. Collier has received a letter from a member and an old supporter of the Club, Bill Harris of Chile, South America, and he says he listens to the wireless every week for the results of our team. By now he knows the draw and results of the Blackpool matches. He sends his best wishes to the

boys, also to all at Luton, and has asked Mr. Collier to send him a paper with the Cup Ties report. The letter is very interesting and any supporter who would like to read it may do so at the Club. So you see our team goes under a good deal of discussion in South America.

● Now for our next big push, just make a note of this date and get your tickets.

FIFTY YEARS' PROGRESS

Here are illustrated some of the machines of the past and in contrast is the finest bicycle of to-day—the Raleigh. Throughout all these years Raleigh have been first with every cycling improvement.

Don't blame cycling if it tires you. Blame your bicycle. If it makes hard work then it's old-fashioned—even if it's new. So change to a Raleigh. For a Raleigh is *designed*—from the position of the saddle to the free-running bearings—to make cycling easy. The whole secret of its easier-running and modern design is that skilled engineers are constantly working to improve the Raleigh—and every part is made in the Raleigh factory. Get the best in cycling—Get a Raleigh.
