### CLUB NOTES by "Hatter"

Heartiest congratulations Joe. Your selection for the International Trial Match at Burnley on Wednesday next is an honour indeed and I hope you will make the most of it. Just remember what the Chairman told you last Easter Monday, that when you had scored three goals go on and score another three and even then don't give up, just put three more in. I am sure everyone round the rails today hope that you put up a game similar to those you have played for the club this season, and if such should prove to be the case, then your selection for England against Scotland should be positive. I can assure you Joe, that if this further honour does befall you, the Club will be only too happy to release you, for here in Luton our national pride is still the highest factor. Good hunting boy and may you realise your ambition. By so doing you will not only bring honour to yourself but to the old Club who has given you your chance in Soccer. Now you Joe Payne fans, here is an opportunity to show your appreciation of a whole hearted player. Why not send him a telegram on Wednesday, care of the Burnley Football Club, wishing him the best of luck. Joe I hope the Post Office authorities reap a handsome revenue over you! You deserve it, and we deserve our income tax lowered.

I wish I could also congratulate our boys over a victory at Bournemouth, but alas. A defeat should never have occurred for at the interval we ought to have been five goals to the good instead of our solitary point, for our supremacy was most marked, and quite a hatful of chances were allowed to go a-begging. The commencement of the second half saw Bournemouth take the lead in five minutes, a lead which never should have been obtained for both goals were the result of atrocious mistakes. Having tasted blood the "Cherries" went all out and our boys literally fell to pieces, with the result that we lost two much needed points. Now then boys we cannot afford these lapses.

The "Stiffs" had a great duel with Brentford Reserves, finally running out victors by four goals

to two. It was quite a hard fought tussle and goal scoring chances on both sides were badly missed. The "Bees" should have been two goals in the lead in as many minutes and five minutes play should have resulted in four goals to one in their favour. When the interval arrived however, they were leading by a solitary goal, the result of a brilliant cross shot which cannonned into the net off the upright. Ten minutes after lemons, Brentford added to their number, but Jack Ball and then George Martin equalised the scores. Towards the close of the game too much vigour crept into it, but although our third goal came from a penalty, taken by Jack Ball, it was for a handling infringement, quite a ridiculous move on the part of the Brentford culprit for the ball was never in danger of reaching the net at the time. The final goal came right on the stroke of time and was the best of the match, a brilliant drive by Lance Hall finding a true berth. Well done "Stiffs" your exhibition in this game was much in advance of your recent performances and I hope you will keep it up. Remember at Fulham today you have that ten goals defeat to wipe off.

Now a word for our visitors today, the "Cobblers," your record this season is much superior to that attained in recent years and none welcomes this improvement more than your old rivals of Luton. Whilst we always like to have the best of our meetings, we always wish you to have a successful season. At one time this term I thought you were going to be serious contenders for the championship but those three away defeats recently, have, I feel, cancelled your chances. You will doubtless be all out today to lower our colours and although I sincerely hope you fail, I also trust that the game will be fought out in true British spirit and at the end of the tussle the losers will admit the winners as worthy of the laurels and the winners pay a compliment to the losers. Let us hope also that irrespective of the result the friendly relationships between the two clubs are more firmly cemented and that both of us will look forward to a renewal of our rivalry.

Here are a few notes of the "Cobblers" team who will be on the field today.

**Wm. Gormlie** (goalkeeper) Height 5ft. 11in. Weight 11st. 10lb. Born at Liverpool. Had trials with Blackpool and Blackburn Rovers then had a year as a professional with Fleetwood. After 4 years with the Scotch club was along with Blair, the full back, transferred to Aston Villa. Re-transferred to the "Cobblers" last close season.

His first pro club was Preston North End with whom he remained two seasons before being transferred to Huddersfield. Had one season with the Yorkshire club before going to West Bromwich Albion. Transferred to Northampton in the close season. A young player with experience.

**D. Tolland** (inside right) Height 5ft. 8in. Weight 11st. 6lb. Birthplace—Glasgow. His

first professional club was Ayr United with whom he stayed eight seasons. Went to the "Cobblers" four years ago. Plays the typical Scotch style of the game.

**R. Allen** (centre forward) Height 5ft. 11in. Weight 12st. 6lb. Birthplace—Newburn, Northumberland. Graduated in the North Eastern League before having two seasons with Fulham. Was then 3½ seasons with Brentford before having a couple of terms with Charlton. Before being transferred to Northampton in October, had had 6 months with Reading.

**J. Lauderdale** (inside left) Height 5ft. 8in. Weight 11st. 3lb. Birthplace—Glasgow. His first League club was Third Lanark and then had a turn with Queen of the South. Was transferred to Blackpool, where he remained two seasons gaining a promotion medal. Transferred to Coventry, remaining there five seasons and gaining a further promotion medal. Went to the "Cobblers" during this present season.

**C. Lyman** (outside left) Height 5ft. 7in. Weight 10st. 7lb. Birthplace—Northampton. Had trials with Southend and West Bromwich Albion, but turned professional for his native town's club. Now in his third season.

As there seems some little amount of controversy regarding the inclusion of the number of Season Ticket Holders in the attendance figures, the Editor wishes to state that the total number of Season Ticket Holders (whether present or otherwise) is included in the League III attendances but NOT in the London Combination attendances.

Still another Derby Day, and let us hope for another win. Now supporters give the Boys those voices of yours and cheer them on to victory. From what the Bobbers have heard a large crowd of supporters will be following the Cobblers and its a hundred to one they will not forget to let their voices be heard. A large number of them have booked a meat tea at the Club, which the Committee have only been too pleased to provide. There will be about 60 all told which includes a number of our Bedford friends. On March 17th we go to Stewartby to play them at various games, and any Member who is desirous of going along is requested to hand in his name to any one of the Committee Members. The games to be played are as follows:- Darts,

Billiards, Dominoes, Shove-Halfpenny, Crib etc. so now here is an opportunity for your skill to be shown, as we have been informed the Stewartby Club are "hot." The return fare will be 2/-, motor coach leaving the Club about 7.30 p.m.

Now for Good Friday. We are running a train straight to the Lea Bridge Road Ground. Fare 3/- return. Get your tickets at the Bobbers Stand Club at any time. Patrons are advised to obtain these tickets as early as possible in order not to be disappointed.

TO-DAY

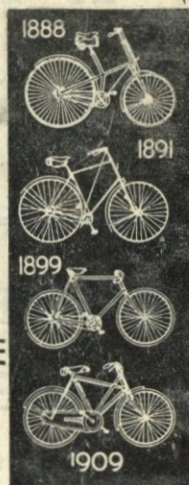

#### FIFTY YEARS' PROGRESS

Here are illustrated some of the machines of the past and in contrast is the finest bicycle of to-day—the Raleigh. Throughout all these years Raleigh have been first with every cycling improvement.

Don't blame cycling if it tires you. Blame your bicycle. If it makes hard work then it's old-fashioned—even if it's new. So change to a Raleigh. For a Raleigh is *designed*—from the position of the saddle to the free-running bearings—to make cycling easy. The whole secret of its easier-running and modern design is that skilled engineers are constantly working to improve the Raleigh—and every part is made in the Raleigh factory. Get the best in cycling—Get a Raleigh.
