A HEARTY welcome this afternoon to Manchester United, another Club which has a wonderful traditional record. May your visit to "Hatopolis" be recorded in your annals as an extremely happy one, and one also that will be looked back upon as a fine sporting contest, fought out in the best traditions of English football with the laurels awarded to the team that most deserved them. We hope also that as our guests this afternoon you will accept from us our hospitality, and that new friendships will be made.

The exact date of the formation of the Manchester United Club cannot definitely be stated but it is over fifty years ago when as Newton Heath they were beaten in the final of the Manchester Senior Cup. The Club was originated by a body of working men employed by the Lancashire and Yorkshire Railway and the first ground was secured on a space adjoining the North Road. For some years the Club was hampered in making suitable fixtures, but eventually a combination of clubs known as the Alliance came into existence, and this body eventually became in season 1892-3 the Second Division of the Football League. Later the ground was moved to Bank Lane, Clayton, and on a memorable occasion they attempted to play a match there by artificial light. Unfortunately this was not a success.

The first match at Old Trafford was played against Liverpool in 1911, on a ground that had cost some £60,000 to establish and which still remains one of the best in the country. The United have had a chequered career in connection with the League, and after several years without achieving distinction they won the League championship in 1908, a performance they repeated in 1911. Their lowest record was in 1894 when they secured only fourteen points.

It may not be generally known that the United players were largely responsible for the formation of the Players Union, the organisation which has done so much to improve the status of professionals.

During its long history Newton Heath and now Manchester United have won every possible honour in the Football World. In 1888 the team won the Manchester Senior Cup, a success which has been

repeated on many occasions since. They won the F.A. Cup in 1909, and they also held the Football League Shield, which was won at Stamford Bridge with a record score of eight goals against Swindon Town. The ground capacity is 73,000, which total is also the record attendance figure.

One of the interesting events in the history of the Club is that they have invariably unearthed goalkeepers above the ordinary, and such names as Tom Hay, Slater and Jimmy Warner readily come to memory. Famous players who have been associated with the Club include Alec Bell, Billy Meredith, H. Burgess, R. Duckworth, Sandy Turnbull, G. Wall, H. Halse, J. Silcock, Neil McBain, Frank Barson, Ernest Hine, James Hacking and T. Jones.

The United are making strenuous efforts to regain their lost First Division status and on the opening match of the season defeated Newcastle United by three clear goals at Old Trafford. During the week however they succumbed at Coventry, where the "Bantams" were successful by the only goal of the match.

CLUB NOTES by "Hatter"

"It was a famous victory." This quotation aptly fits our match with Aston Villa on Wednesday last. It was a grand game producing thrills galore. The "Villans" played sparkling football, inclined if anything to over cleverness, but our boys were on top of their form and in contrast to the Villa took the shortest way for goal. The game had a sensational commencement for within half a minute Albert Dawes caught hold of a faulty clearance by Callaghan, on the volley, and gave Biddlestone no chance whatsoever with a shot that glanced in off the post. The Villa's equaliser a quarter of an hour later was a terrific drive by Maund, Joe Coen being helpless, but before half time had arrived Joe Payne put us again in the lead following brilliant work by the right pair. After the interval Ted Hancock got the best goal of the match (if it is possible to say so) whilst three minutes later Massie decreased the deficit by one with another great shot. From this time until the closure a ding dong struggle ensued first the "Villans" and then ourselves taking the initiative but the respective citadels remained supreme from further attack. Well done boys, as I said before "It was a famous victory."

Oh Stiffs! whatever did you do at Leyton on Thursday. Heartiest congratulations to you all. To score seven goals without reply is a fine achievement, but to do so on an opponents' ground practically borders on the miraculous. It was my pleasure to witness this game and I congratulate you on the fine team spirit displayed. One thing which pleased me more than anything (Clapton Orient will not agree with me over this though)

IMPORTANT

The Directors wish to draw the attention of supporters to the alterations in the structure of the entrances and exits that have been made since last season.

First of all ten turnstiles have been provided to feed the new terraces at Kenilworth Road. Four turnstiles, together with an exit door, have replaced the seven turnstiles that faced Hazelbury Crescent which is hoped will be sufficient to serve that end of the terrace. Five turnstiles and an exit have been installed leading from Kenilworth Road, to serve the centre of the terrace, and the turnstiles used last season as a Boys' Entrance to the Ground, adjoining the Grand Stand Turnstiles in Kenilworth Road, will be utilised this season as an Adult Entrance to the Terrace.

The Boys' Entrance to the Ground will now be in the Lane Ivy Road.

At Maple Road, where the new extention to the Grand Stand has been built, there has been provided three turnstiles instead of only the one last year, to feed the Grand Stand and Enclosure. There will also be here the usual Season Ticket Entrance to the Grand Stand and the four turnstiles leading to the Ground behind the Oak Road Goal.

AN APPEAL TO ALL PATRONS

On Wednesday evening last, the occasion of the match with Aston Villa, it was found necessary to close the entrances before the game commenced owing to a supposed congestion. The attendance registered by the turnstiles was slightly in excess of 25,000 but the ground is estimated to hold well over 34,000. Patrons will greatly assist the Club and also allow many more supporters to witness the games if they will

KEEP CLEAR OF THE ENTRANCES

The policemen on duty have instructions to keep the entrances well cleared and it is hoped all Patrons will assist them in this matter.

PLAYERS' APPEARANCES

If your thoughts are centred on house purchase you cannot do better than to pass us your requirements. You will find we have just the house you are looking for, and will be pleased with the courteous and efficient manner in which your business is attended to

The Bobbers Committee desire to take this opportunity of wishing the Boys every success in the coming season. At the same time may we remind the supporters, whether Bobbers or not, that some responsibility for the success of the team rests on ourselves and we hope all will do their part. We feel that the good results obtained last season were due in no small part to two factors, the magnificent way in which the supporters rallied round the Club and the splendid team spirit amongst the players.

Now a word in regard to the Bobbers Stand Club and its activities. We want to be of service both to you and the Club and we can only do this if you will help and support us. First of all we want everyone to join our Club. The Membership Fee is only 1/2 per annum. Membership Forms are issued to all the Tea Bars on the Ground and can also be obtained in the Club Room. Membership entitles you to take part in the Winter Tournaments

that the Games Committee intend to run amongst the Members. The Refreshment Bars round the Ground have all been built by us and these, we are sure, will be well patronised. By so doing you will not only assist us to give you something for your cash, but at the same time will aid the Directors of the Football Club in regard to finance. All the catering on the Ground is now under the management of the Bobbers Stand Club. Last, but not least, it is our intention to organise excursions for away matches at cheap rates. This with the co-operation of the Railway Company. To do this, however, it must be realised that we shall have to have early applications. Last Saturday we took a train load to Stockport, and those that went have asked for another run to be booked up, so do not fail to purchase a Programme to find out in these notes all full particulars. Failing this look in at the Club Room on match days.

Now an appeal to the lady supporters. We were very pleased to see so many ladies travel by the train to Stockport. We have over 400 lady members in our club, but we want more, so now is a chance for you to become a Bobber. Membership saves you a lot of trouble when you wish to go away to watch your favourites play. We send small parties as well as long corridor trains, so just make up your minds and join at once.
