## Our Opening Day.

As is becoming customary, we don't remember when it was otherwise, the football season opened under such brilliant conditions that the great public interested in the game were enabled to assemble in their thousands to see their favourite teams. Those who came to Villa Park were rewarded with a fast and interesting game, and one which, no doubt, sent away happy those Villa "fans" who are expecting so much from their team this season. Naturally, as is to be expected during

the opening part of the season, there were flaws both in the play and team work, but doubtless, when the players become less exuberant and settle down, we shall find most of those flaws eradicated. When this occurs, and we firmly believe it will, then we should possess a team capable of holding its own with the best. On all sides the condition of the playing pitch last week was much admired, and someone said it was almost a shame to play football on it, because it resembled a bowling green, which may be figuratively true, but it must be remembered that the directors of Aston Villa would not consider the best bowling green surface too good for football, and will always do their utmost to provide the best obtainable.

## Our Reserves.

WHILST our first team was winning at home, our Central League side was doing battle at Newcastle-on-Tyne, and although beaten by one goal, they gave a display which gives encouragement to the thought that they are in for a better season than last. In that game they had quite as much of the play as the home team, and, but for an injury to Gardner before the interval, it is quite likely they would have returned home with at least one point.

Three goals each were credited last Saturday to Mills (Chelsea), Drake (Arsenal), Clayton (Wolves), and Crawshaw (Mansfield Town), and they are all centre-forwards.

Manchester City's defeat at Wolverhampton was their first one in the League since Christmas Day. They wound off last season by being undefeated in their last 22 League games,

## Our Hopeful Start.

Aston Villa .....<sup>2</sup> West Ham United ...<sup>0</sup>  
(Haycock, Maund).

On a day more suitable for cricket, and before a gate of 51,000 spectators, our team on Saturday last gave a display in its opening match which must have gladdened the hearts of all who witnessed it. We don't say it was the perfect team, or that we have found an all-conquering combination, but on the form displayed in this match there is every reason to be proud of the boys who brought us the victory. West Ham United were far from being a weak team; they had a particularly fine defence which gave away nothing, and their attack was one which had to be treated with respect, yet, despite it all, the Villa were always on top after the first fifteen minutes and never looked like doing anything other than win once Haycock had given them the lead.

### A Fast and Interesting Start.

Phillips, whom we were all pleased to see after his long absence from the first team, was at outside right and acting captain for the day, whilst Cummings once again took up his position as left back with Callaghan as his partner. West Ham won the toss and the Villa kicked off towards the Church. From the start the play was fast and interesting with both sides for the first quarter-of-an-hour having an equal share of the game. Phillips for Villa was prominent with some fine wing work, and Morton of the visitors, on the left, was providing most of the trouble to our defence. At 14 minutes Callaghan put the ball over to Phillips, who took it up towards goal with a thrilling burst and shot amongst a crowd of players around the goal, the ball reached Haycock who barely touched it to give us the first goal of the season.

### Villa Inspired.

After this success the home team seemed more inspired than ever, and the West Ham defence was given plenty to do both by our forwards and halves. Massie and Iverson were doing great work both in attack and defence, whilst Broome, Starling and Haycock were putting in all they knew, and were plying the wingers with adroit passes. Just before 30 minutes had gone the ball came over to the right, and Haycock obtaining possession by the corner flag sent a centre across goal

which Maund ran in to, and met with his head to put us two up. Again we tried the West Ham defence, Broome over on the right got the backs in a tangle and sent the ball over to Maund for him to give Starling a chance to test the goalkeeper. Immediately prior to the interval Phillips all but added to the score when he went through to the centre and sent in a terrific shot which Weare could not hold, but which, luckily for him, bounced off his hands and over the bar. All this time the West Ham attack had not been idle, they had had their chances and good work had been put in by their wingers, but offside traps set by the Villa defence repeatedly pulled them up.

### Maund Nearly Gets a Second.

Immediately after the interval the Villa again took up the running; Massie tried Weare with a long one from well out on the right, and Broome did his utmost to help both the goalkeeper and the ball into the net. Once, the West Ham goal had a most remarkable escape, for Iverson put the ball nicely to Maund for him to run in and shoot hard. In its flight for goal the ball struck a defender and bounced off him to the foot of the left post from which it rebounded into safety. Macaulay, the visitors' recent recruit from Glasgow Rangers, who had been doing most effective work since the interval, now sent Small away down the middle in a most menacing way, but Cummings, at the crucial moment, ably removed any anxiety which Fred Biddlestone had. The end came with the home team still pressing, and the defeat of April 17 last wiped out.

ASTON VILLA: Biddlestone; Callaghan, Cummings; Massie, Allen, Iverson; Phillips, Haycock, Broome, Starling, Maund.

WEST HAM UNITED: Weare; Bicknell, Walker (C.); Fenton (E), Walker (R), Cockcroft; Foxall, Macaulay, Small, Goulden, Morton.

Leicester City's four goals scored against Sunderland on Monday last were all headed through. Is this a record?

Only two home teams, Leicester City and Tottenham Hotspur, failed to score last Saturday, but both made amends on Monday by scoring four goals.

It is stated that 897,000 football enthusiasts attended forty-four League matches on Saturday last, and that this figure is a record for the opening of any season.

## We Lose at Luton

Luton Town .....<sup>3</sup> Aston Villa .....<sup>2</sup>  
(Dawes, Payne, (Maund, Massie.)  
Hancock.)

On Wednesday last we visited Luton for the first time so far as League football is concerned, and a ground record of 30,000 spectators gave us a very fine reception. Despite the fact that we lost the game, it was admitted on all sides that so far as artistry was concerned there had only been one team in it, and that was not the home team. The Luton players chiefly confined themselves to what is termed typical Third Division football, and as it was successful so far as obtaining the points was concerned, they were no doubt satisfied that the end justified the means. The Luton team is a good solid go-ahead one, full of enthusiasm and vim, and it will doubtless beat many other visiting teams ere the present season reaches its conclusion.

### A Startling Start.

Within half-a-minute of the start Dawes put Luton ahead in a goal-mouth scramble, but it wasn't long before we were on level terms again, for Maund, after a great dribble, fired in a shot which left Coen helpless. Shortly before the interval Payne again put the home team in front, and they went further ahead fairly soon after the resumption.

### Villa Pressure.

This further reverse seemed to bring out added pressure from our team, and they surged round the home goal to such effect that it fell at 54 minutes when Massie snapped up a loose ball and fired it home. Try as they would the Villa could not get the equaliser, and they retired beaten by the odd goal in a game which had been brimful of interest from start to finish.

LUTON TOWN: Coen; King, Smith; Finlayson, Nelson, Fellowes; Hancock, Dawes, Payne, Roberts, Stephenson.

ASTON VILLA: Biddlestone; Callaghan, Cummings; Massie, Allen, Iverson; Phillips, Haycock, Broome, Starling, Maund.

Twenty-eight of Saturday's winning teams played again last Monday, and only one was successful in obtaining full points. Who said follow football form?

## The New President of the Football Association.

MR. WILLIAM PICKFORD has been elected to the Presidency of the Football Association and Chairman of the Council in succession to the late Sir Charles Clegg. Mr. Pickford, a Lancastrian, 75 years of age, has put in over fifty years of strenuous work on behalf of the great game of football, and the honour accorded him is one most deserved. In his younger days the new President played for a Bournemouth Club, but besides being an adept at football, he earned some little reputation as a swimmer and cyclist. For over twenty years he was secretary and treasurer of the Hants F.A., and became a member of the F.A. Council in 1885. Eventually, he became a member of the International selection and other important committees of the Association, and a vice-president. His invaluable and long experience of the game will doubtless be of considerable service to him in the arduous duties which will now fall to his lot.

## WAKE UP YOUR LIVER BILE

without Calomel — and you'll jump out of bed in the morning full of vim and vigour.

The liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

Laxatives help a little, but a mere bowel movement doesn't get at the cause. It takes those good old CARTERS BRAND LITTLE LIVER PILLS to get these two pints of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for CARTERS BRAND LITTLE LIVER PILLS. Stubbornly refuse anything else. 1/3 and 3/-.

## Central League.

Newcastle United ..... 1    Aston Villa ..... 0  
(Park).

On Saturday last, in glorious weather, 20,000 spectators saw a close and interesting game between two fairly matched teams. During the early part of the game the Villa had the greater attacking ability due to fine work by the halves who were finely led by Gardner. As the game wore on the home team exerted more pressure on the visiting defence, and here Ephgrave had an opportunity of showing his capabilities. An injury to Gardner, forcing him to go on the wing upset the balance of the Villa, and whilst the home team took full advantage of it, a stern defence refused to bend. After the interval the Villa again took command of the game and gave the Newcastle defence some anxious moments, but McPhillips the home goalkeeper, was very safe. Fifteen minutes after change of ends, Park, the Newcastle outside right, got away and fired a shot into the top of the net well away from Ephgrave. This reverse seemed to inspire the visitors and they again exerted pressure on the home defence without avail. Thus, Newcastle won by the only goal of a match in which the losers had had quite as much of the game as the winners, and a draw would perhaps have been a more equitable result.

NEWCASTLE UNITED : McPhillips ; Forster, Fairhurst ; Leighton, Denmark, Grundy ; Park, Isaac, McGarry, Connelly, Mooney.

ASTON VILLA: Ephgrave; Beeson, Cobley; Gardner, Pritty, Barker; Kerr, Martin, Jones, Drinkwater, Houghton.

A difference of two goals did not at all represent the disparity between these two sides on Monday last, on the occasion of our opening Central League match at Villa Park. Right from the kick-off, when Martin might have scored, almost to the end, our boys dominated the play. In the first half, Martin caught the eye with the some masterful work and good shooting, which resulted in our crossing over with a two goals lead. In the second half, Moralee and Jones added to our score whilst Swindells netted for the visitors from a penalty, which was immediately nullified by a good goal from Houghton. With such a commanding lead our team now seemed

to slacken off, and the visitors realising it, took full advantage of what chances came their way. With rain falling somewhat heavily, the ball became greasy, and as a consequence two shots fired in at Ephgrave slipped through his hands. This finished the scoring, and the game ended in semi-darkness.

ASTON VILLA: Ephgrave; Beeson, Cobley; Latham, Pritty, Barker; Kerr, Martin, Jones, Moralee, Houghton.

CHESTERFIELD: Lamb; Watson (A).  
Watson (W.); Weightman, Seagrave, Spedding; Davies, Wright, Swindells, Woodward, Spence.

## Birmingham Combination.

Aston Villa.....2 West Brom. Albion....2  
(Perry, Hardy). (Lewis, T. 2)

On Saturday last at the Alexander Ground, Perry Barr. Albion were first to score through Lewis (T.), but shortly afterwards Perry ran in from the wing and levelled matters. Just before the interval Lewis again put the visitors ahead, and the game definitely looked like going to the Albion, when, with the last kick of the match, Hardy equalised the score.

WEST BROM. ALBION: Harris; Edmunds, T. H. Kinsell; G. Cartwright, Davies, Lewis; Prew, Hewitt, Gomry, T. Lewis, Lapworth.

ASTON VILLA ; Dimmock ; Hickman, Sockett ; Grosvenor, Hardy, Roberts ; Bate, Perry, Fish, Mulligan, Warburton.
