### CLUB NOTES by "Hatter"

WHAT a sensation our result at Southampton caused in football circles last Saturday. I know of several cases amongst supporters who could not believe their ears and so bought up every paper, as well as "listened-in" to make sure that they **had** heard aright. They soon found there was no doubt about it at all. To say that the actual result was to our expectations, is to somewhat stretch the point, for whilst one or two ardent supporters prophesied a win, I venture to say no one at all ever dreamed we should score six goals. But we did and right good goals they were too, without any fluke about any single one of them. That which brought down the house was Fred Robert's first goal (our second) and if Mr Burgin only flies that height, I am sure he would be summoned for low flying (joke over) or speeding (joke still over). Enough has already been said and described regarding the match so I do not propose to add any epistle, except to heartily congratulate the lads on a marvellous performance. I hope they will now continue in this vein.

Today we entertain Blackburn Rovers, another club with great traditions, who now find themselves striving to regain their lost prestige. I have no qualms that the game will be a ding dong struggle and if statistics are anything to go by then the Rovers have an attack which will command the the greatest respect from our defence. They have found the net on twenty-six occasions and have only failed to record a score in one game against West Ham United at Upton Park. On Saturday last they defeated Barnsley by five goals to three a score which they had previously inflicted on Norwich City, whilst they notched four against Southampton. I think this is the first time we ever welcomed the Rovers to Luton and I am sure they will receive a sporting cheer from you all as they enter the field.

Now what about the "Stiffs." Last Saturday's game with Reading was distinctly interesting. It was a match which could easily have gone the other way, and the "Biscuiters" have good grounds for saying that fortune had failed them. After the visitors had opened the score, our boys equalised by means of a penalty kick that only succeeded at

the second attempt, and then I thought Reading were distinctly unfortunate in having a goal disallowed them, when their outside right kicked the ball out of Joe Coen's hands into the net. The referee however, thought an infringement had been committed and failed to give the point. During the second half the "Stiffs" added two further goals and thus made the issue safe.

Congratulations also to our Mid-Week League team on their victory at Guildford on Wednesday last.

Do you see anything interesting or humorous during your Saturday afternoon visits to this ground? If so, enter our "Interest and Humour" Competition, for which there is a weekly prize of a free ticket to the Grand Stand or Enclosure for the following League II match for every paragraph printed.

Paragraphs must be confined to a maximum of one hundred words and should be addressed to "The Editor, Football Programme, 70-72, Kenilworth Road, Luton," accompanied by a copy of the Match Programme for that day.

A free ticket to the Grand Stand or Enclosure today's for League II match with Blackburn Rovers is awarded to Mr. H. A. Farmer, 19, Church Road, Steppingley, near Flitwick, who sent in the following two "Interest and Hu.nour" stories with Programme No. 1176 (30-10-37).

Luton Town Reserves v. Reading Reserves  
During the second half with Luton pressing, a home player hit the ball hard, a few yards away a Reading player instinctively shielded his face from the ball, which hit him. Ignoring the cry of "Hands," the referee waved play on. As he neared the touch-line a spectator shouted, "Hi! ref., what rule book do you read, 'Tit-Bits'?" With the referee remaining quite rightly dumb, another fan said, "Yes he doesn't know about 'Answers.'"

There was also another little incident I noticed during the same game. During the first half when the Town Reserves were pressing, the right full back of Reading came under both the spectators' and referees ban for vigorous and rough play.

After seeing the referee caution the player, a spectator near me shouted, "Its a good job they only feed you on biscuits at Reading. Heaven knows what you would do if they gave you meat."

LUTON SCHOOLBOY FOOTBALL

As a result of the matches played this month the leadership of our Senior League is now shared by four schools, each of which has obtained 6 points. Denbigh Road lost their unbeaten record to Northfields, who defeated them on their own ground by 2 goals to 1. Beech Hill moved into second position by defeating Britain Street to the tune of 9-0. Surrey Street scored 6 times against Waller Street to move into third place. Waller Street and Britain Street have yet to gain a point.

Denbigh Road hold a clean lead over Old Bedford Road in the Intermediate League. Waller Street visited Surrey Street and won by 6 goals to 3

On October 9th, the Luton Boys entertained South Northants. Boys on the Town Ground. The visitors scored the only goal of the match after five minutes, when Langley took advantage of an opening to give Reeve no chance. Shotbolt, the Luton Boys outside right, was injured just after this and was unable to take any further part in the game. Despite this handicap the Luton Boys were on the offensive for the remainder of the game. Only a brilliant display of goalkeeping by the diminutive South Northants goalkeeper, prevented them from scoring. He fielded shots from all angles with the coolness of a veteran and saved his side time after time by his brilliant work.

In the first round of the Senior Wix Trophy, Surrey Street defeated Denbigh Road, last year's finalists, by 4 goals to 1. Surrey Street were quicker off the mark and their superior finishing gave them the victory.

In the first round of the Junior Wix Trophy, Tennyson Road were defeated by three goals by their visitors, Norton Road. Hitchin Road were also defeated by their visitors, Christ Church, who scored six times to their host's two.

at the Ivories. Also for the first time in Luton we have Mr. Godfrey and also J. Price who will be playing his Guitar. Now get to the Club early and be sure of a seat. On Sunday evening the same artistes have promised to give us another entertainment, so turn up in large numbers and hear some of your own local talent

The Finals of the Tournaments are now close at hand, so you can realise the excitement which prevails to find out who will be the holders of the Silver Cups. Immediately these Tournaments are concluded, the Game's Committee are commencing another series to include the following for further Cups—Darts, Dominoes, Skittles etc., according to the number of entries received.

The Committee also wish to announce that the Bobbers are running a **DANCE** at the Winter Assembly Hall, on a Saturday in December, further details will be published later.

Now a final word. Give the boys those usual cheers and let us hope for a win, also the Reserves at Fulham. At half-time, or any time during the game, don't forget to get a cup of tea at any of our Bars. You will find them inside the Club Room and also around the ground.

What has been the general topic of the week? Why, Southampton 3 Luton 6, and what a fifth for the boys. We have not an easy task today to deal with Blackburn and the lads will need all our support, so don't hesitate to give your voices something to do. The Bobbers Committee rather fancy that when the result came through it made quite a lot of supporters feel as if they could drink a cup of tea, as quite a number stayed to purchase one at the Bars. We are also pleased with the result of our campaign in making supporters members of our Club and it is gratifying to see these newcomers using the premises during the week and at the week ends.

On Saturday and Sunday last we had a musical evening, which was greatly enjoyed. From the applause, there is no doubt that "Jack," the well known Welsh Tenor was at his best. This evening we are having a Request Night, so come along with your requests. We have a well known pianist
