### CLUB NOTES by "Hatter"

So our good fortune in the F.A. Cup draw has changed. Well we must not grumble too much, for we have had many plums in recent years. The trouble is that the Scarborough team is really an unknown quality. We cannot compare them with any club in the Football League, for they play in a competition which only includes the Reserve teams of League clubs, yet they defeat Darlington by two clear goals, at Darlington, in the first round of the competition. This tie reminds me of one we experienced a few seasons ago, on the occasion of a visit from Kingstonians. When the tie was known, we were all asking ourselves who would be our opponents in the next round. There was nearly no next round for us, as we just managed to force a drawn game at Luton, after Frank Macey, the Kingstonian's inside left had missed an open goal half a minute from the end, and then just scraped home by three goals to two in the replay at Kingston. Let us at this juncture therefore, leave it by saying that we **ought** to win.

The boys put up a great fight to bring a point away from Swansea. I am informed it was a real cup tie from start to finish. One can quite understand the "Swans" anxiety for annexing points as they had failed to garner any at all from the previous five matches. To aid them in breaking this run somewhat, they had obtained the transfer, the day previous, of two players, who appeared in the extreme wings against us. However our boys put up a great fight and added to their collection of points. The match was not without its casualties and Bill Dolman as a result will be out of harness for a month or six weeks with cartilage trouble.

The "Stiffs" were forced under by the "Hammers" who scored the only goal of the match. Ground conditions became atrocious and our lads paid the penalty of keeping the ball in the quagmire instead of using the wings. Let us hope they will make amends for this lapse at Watford today.

We welcome Norwich City once again to our ground. To the "Canaries" this match is more or less their "Derby" game, for Luton is their nearest neighbour in the Second Division. Anyhow we hope for a pleasant game and if the relation between the two clubs is anything to go by, it will be a very sportsmanlike affair and will be played under best traditions. May the best team win.

The Norwich City Club, known nationally and locally as the "Canaries," was formed in 1905, and the Club commenced in the old Southern League, the first game being at Plymouth where they were defeated by two clear goals. In their initial season, Norwich finished seventh, a position on which they showed little improvement the following season. From 1905 to 1908 their headquarters was a ground in the Newmarket Road, but from the latter date until a year or so ago they resided at "The Nest" in Rosary Road, which ground was perhaps one of the most curious in the country. Their present domicile is at Carrow Road.

On the formation of the Southern Section of the Third Division after the War, Norwich became members and remained in the section until 1933/4, when they won the championship with the consequent promotion to the Second Division. Their best achievement in the F.A. Cup was in 1909, when they created a tremendous surprise by knocking out Liverpool, at Liverpool, by the odd goal in five; the following round they were beaten by Bristol City, their opponents eventually reaching the Final Tie.

Do you see anything interesting or humorous during your Saturday afternoon visits to this ground? If so, enter our "Interest and Humour" Competition, for which there is a weekly prize of a free ticket to the Grand Stand or Enclosure for the following League II match for every paragraph printed.

Paragraphs must be confined to a maximum of one hundred words and should be addressed to "The Editor, Football Programme, 70-72, Kenilworth Road, Luton," accompanied by a copy of the Match Programme for that day.

A free ticket to the Grand Stand or Enclosure for today's League II match with Norwich City is awarded to Mr. W. McKenzie, 3, Atherstone Road, Luton, who sent in the following "Interest and Humour" story with Programme No. 3912 (4-12-37).

During the match between Luton Town and Fulham, there were, unfortunately, one or two "incidents," when the referee had to use his

authority and separate the potential "combatants" forcibly. As you will remember, Mr. Gibbs is a comparatively small man, and much applause and amusement was caused near me, when he literally flung himself between two players once, and a spectator shouted "Aint 'e a blinkin' 'ero—good ol' ref—throw yer weight about."

A free ticket to the Grand Stand or Enclosure for today's League II match with Norwich City is awarded to Mr. H. Smith, "Hazelbrook," Luton Road, Wheathampstead, who sent in the following "Interest and Humour" story with Programme No. 510 (11-12-37).

Luton Town Reserves v. West Ham Reserves

During the above game the ground churned up, especially in the centre, and several of the players floundered badly. It was during the second half of the game when the visiting half back had the ball on the edge of the mud and signalled to the outside right he was going to kick the ball to him, but he waded through the mud and could hardly move the ball, and one of the Town players took the ball from him. At this moment a voice was heard to exclaim "Why don't you send him a postcard and let him know when the ball is coming."

A free ticket to the Grand Stand or Enclosure for today's League II match with Norwich City is awarded to Mr. E. Bolton, 171, Sandridge Road, St. Albans, who sent in the following "Interest and Humour" story with Programme No. 182 (4-12-37).

It was two minutes from the end of the Fulham match, with the Town leading 4-0. The visitors were making a last half-hearted attack on the Town goal when a voice in the Lane Stand called out, to the amusement of those nearby, "Keep trying Fulham, **you never know!**"
