CLUB NOTES by "Hatter"

SO another great day for Luton soccer fans has drawn nigh. Dare we hope for an even greater day? One can never tell in this game. After the match with Sheffield United I made a remark to the effect that we should play a much worse game and win, but little did I think that this would come true so soon, for there is no doubt that on the exhibitions given, as we had lost to Sheffield United we undoubtedly deserved to lose to Burnley. But it's Cup Tie day today, so therefore for a brief span let us forget our League worries.

We extend a most cordial welcome to our visitors Manchester City, and let me say here and now that if the game this afternoon rivals the one I witnessed at Maine Road two seasons back, then not one of you will have grudged the money spent. It was the finest game of football I have ever seen.

Many people may be under the impression that Manchester City are breaking new ground today. That is not the case however, for old supporters of both clubs may recall the meetings in the Second Division in 1897-8 and 1898-9. It was on New Year's Day, 1898 that the City made their debut here, winning by three goals to nil and they also completed the double by winning by the odd goal in three at Maine Road. This triumph they repeated the following season again winning by three clear goals at Luton and by two clear goals at Maine Road. This latter season was a memorable occasion for our visitors for they carried off the Second Division Championship for the first time. Quite a large percentage of the players who were on view in our previous Cup Tie on January 25th, 1936, will be appearing today and to save any comments I give here the composition of the two teams.

Manchester City. Swift, Dale, Barkas, Percival, Marshall, Bray, Toseland, Herd, McLeod, Tilson, Brook.

Luton Town. Coen, Mackey, Smith, Finlayson Nelson, Fellowes, Crompton, Martin, Ball, Roberts, Stephenson.

Herd and McLeod scored for the City and George Martin replied for Luton.

I am able to give here, thanks mainly to the assistance of "Volant" of the Manchester Evening Chronicle, a few notes on the men who comprise the City team here today.

Frank V. Swift, goalkeeper, has had a remarkable career. He has never missed a match of any description since he was given his first chance at Derby four years last Christmas after making only one appearance with the Reserves. He was then 19 years of age and had joined the City from a junior club, Fleetwood. He was a member of the team which won the F.A. Cup in 1934 and he has also a League Championship Medal. Is a native of Blackpool and a brother of the Bolton Wanderers goalkeeper of the same name. Height, 6 ft. 2 in., Weight, 14 st.

W. Dale, right full back, is the only Manchester born player in the side. He was brought out by Manchester United and is a model of consistency. Rarely has an off-day and is a cool and sound tackler and also a judicious distributor of the ball. Height, 5 ft. 9 in., Weight, 11 stones.

Sam Barkas, left full back, is the captain of the team and has had that privilege also in the England team in this season's internationals. A clever and stylish defender who places the ball well and never wastes a chance of going through. Brother of the Chelsea defender. Born at Wardley Colliery in the North East and reached the City from Bradford City. Height, 5 ft. 9 ins., Weight, 13 st. 6 lb.

J. Percival, right half back. One of the youngest members of the team and another product of the North East. A quick footed player and an adept at bringing the ball under immediate control. Height, 5 ft. 8½ ins., Weight, 11st. 7 lb.

R. S. Marshall, centre half. The "veteran" of the side and known to everyone as "Bobby." A native of Hucknall, Notts, and was understudy to Charlie Buchan at Sunderland, from whom he was transferred to the City, nearly ten years ago. From an inside forward he has developed into a splendid pivot and is one of football's gentlemen, on and off the field. Height, 5 ft. 10½ ins., Weight, 13 st. 2 lb.

J. Rogers, left half back. Is really the understudy to Bray who has been out through injury. He is a Yorkshireman from Normanton, although he joined the City from Oswestry. Rather on the small side, but is a tireless worker and has the courage of a lion. Played in the last Cup Tie against Bury. Height, 5 ft. 6½ ins., Weight, 10 st. 10 lb.

E. Toseland, outside right. One of the fastest and most graceful wing forwards in the game and also one of the oldest members of the team. Joined the Club from Coventry City in March, 1929, and has rendered splendid service. Has been honoured by the League against the Irish League. Born at Northampton. Height, 5 ft. 6 ins., Weight, 10 st. 6 lb.

Alex Herd, inside right. The only Scotchman in the side. Born at Bowhill and secured from Hamilton Academicals. A schemer and a strong shot. Height, 5 ft. 8 in., Weight, 11st. 1 lb.

J. Heale, centre forward. Has been a most unfortunate player. Suffered a very severe knee injury two seasons ago and another last season which kept him out of the senior team until a few weeks ago. Has made a complete recovery and has been serving the club well as a leader of the attack, though really an inside forward. Born at Bristol. Height, 5 ft. 11½ ins., Weight, 11 st. 7 lb.

P. Doherty, inside left. One of the cleverest inside forwards in the game. An Irish International, born at Mogherafelt and secured from Blackpool at a fee of £10,000. Has been worth every penny of it to the City. A lovely player to watch and as energetic as he is clever. Height, 5 ft. 10 ins., Weight, 11 st. 7½ lb.

Eric Brook, outside left. A wonder man and one who surprised the football world a few weeks ago by turning out in the replayed Cup Tie against Millwall only six weeks and four days after an operation for appendicitis. A remarkable footballer, by reason of his capers, his wandering propensities and his terrific shooting. Born at Mexborough and joined the City from Barnsley nearly ten years ago along

with Freddy Tilson, his left wing partner, who until the return of Heale was the leader of the City attack. Brook has had all the honours the game can bestow, including Cup and League Championship Medals (both divisions). Height, 5 ft. 7½ ins., Weight, 11 st. 12½ lb.

A free ticket to the Grand Stand or Enclosure for the League II game with Coventry City is awarded to Mr. Alex Macdonald, 65, Runley Road, Luton, who sent in the following "Interest and Humour" story with Programme No. 1505 (2-2-38).

Luton Town v. Sheffield United

Tom Smith was spoken to by the referee which tickled two boys who were having an unofficial holiday from school. One of them shouted to the teacher who was having a working holiday, "What's he given you Smithy? Fifty lines."

A free ticket to the Grand Stand or Enclosure for the League II game with Coventry City is awarded to Mr. R. T. Ansell, 31, Ampthill Road, Shefford, who sent in the following "Interest and Humour" story with Programme No. 1007 (5-2-38).

It happened half-way through the second half of the game with Burnley. Mackey, limping on the right wing, stood facing the Burnley goal at the edge of the penalty area, watching the ball trickle slowly towards their goal-line. All at once Ferguson (right half) was seen to be rushing along the side line and passing Mackey. "Look," shouted the wag, "Toms got a runner."

A free ticket to the Grand Stand or Enclosure for the League II game with Coventry City is awarded to Mr. H. Brantom, "Mackay," Vandyke Road, Leighton Buzzard, who sent in the following "Interest and Humour" story with Programme No. 257 (5-2-38).

"Do you see anything interesting or humorous?" On the ground last Saturday the above question in the Official Journal was the subject of discussion. One man said, "I don't know about humorous but there are some funny things happening today in connection with football, for instance—a club, particularly when in low water, writing in the Cup Tie programme, "May the best team win!"

Again—the successful gambler in stocks and shares objecting to football pools on account of the moral aspect, in other words, fearful lest the bulge of our pockets will prevent us from squeezing through the "needle's eye."

Funny are the ways of man
Surely the stars must think,
If you differ—tell me if you can,
Why on earth they wink?

Saturday, February 19th, 1938.

This afternoon will be a most exciting and anxious one for all of us and we shall be pleased if at the end of the 90 minutes we have to go into the hat again. We all realise how hard our boys have to fight and this of course will be made much easier for them if we give them our usual support with our voices. We do not know yet what the team is, but all will be anxious to see our new goal scorer, Tom Mackey—last Saturday he no doubt played under difficulties, yet he hit two home and helped to give us those two valuable points. Burnley played a grand game and some good football was enjoyed. The reserve team again suffered defeat, at the expense of the Rangers.

We give a hearty welcome to our visitors today; the last time we played them was at Manchester and we have been told it was the best

## BOBBERS STAND CLUB

'Phone 2566.

game seen at the City's enclosure for many a day, everyone who paid the visit to Manchester will agree that the ground conditions that day were far from good. Still we will not make excuses, but hope for the best today. To the followers of the City team. Please note you may get tea at any of the Bobbers Refreshment Bars, at Half-Time or after the game. You may partake of tea at reasonable prices, in comfort at the Bobbers Stand Club.

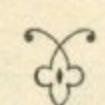

We are pleased with the way Members are taking out their renewals, also the response for New Members. Still there is plenty of room for a lot more and by joining the Bobbers you are assisting the Board of Directors in giving you the best accommodation, so rally round and let us still be one, if not the largest Bobbers supporters taking part in the game—it only costs you 1/2 per year. Plenty of games to play and all the comforts possible.

THE ALL-STEEL BICYCLE

When you are buying a bicycle ask yourself these questions:

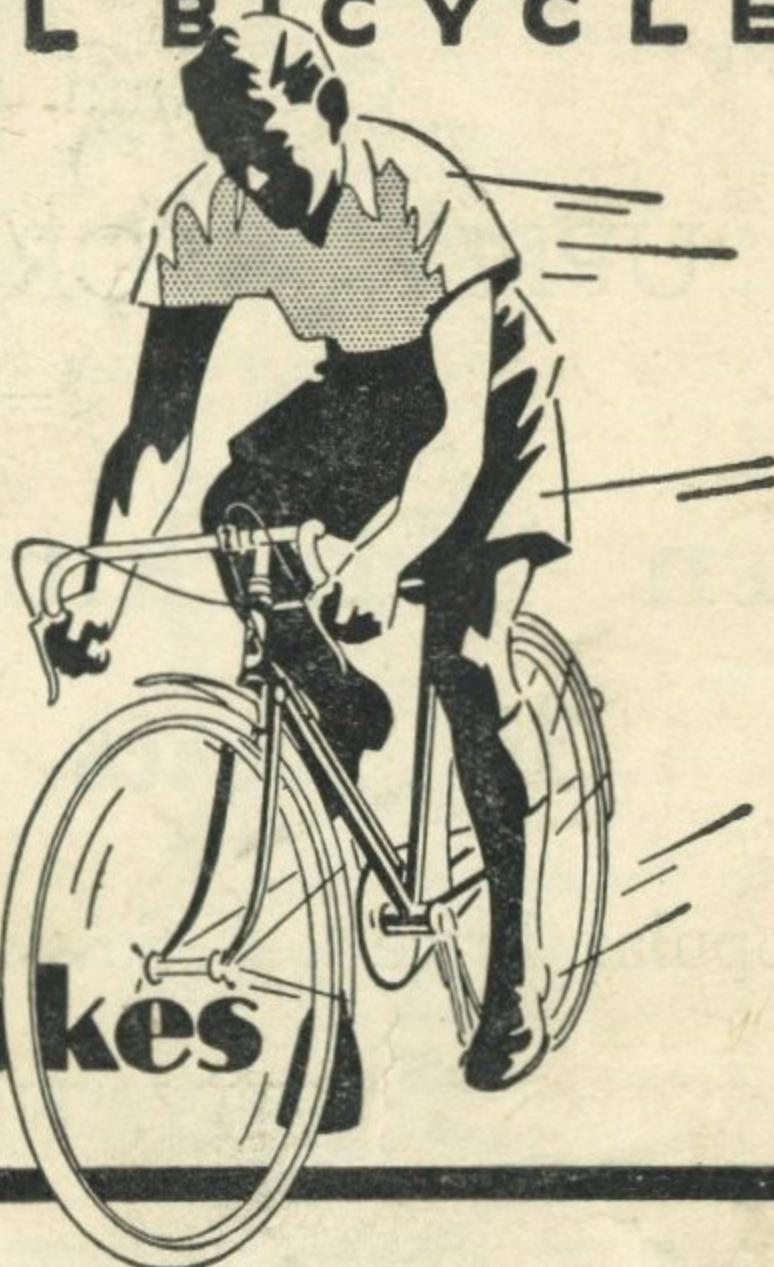

Is it individually produced in the world's largest and best equipped cycle factory?  
Has it an exclusive design which ensures easiest possible running?  
Is the plating and enamel extra thick to withstand the most inclement weather?

— the Raleigh is the answer to these questions. It will give you the finest possible cycle value because it is *superior even to the spokes*.
