## BILLY EDWARDS

Mr. W. J. Edwards, or as he is more popularly known, Billy Edwards has relinquished the post of Programme Sales Manager and this incomplete statement is to acknowledge in a small way, the appreciation of the Club for the services he has rendered.

Bill has managed the programme sales for thirty years, but his association with them goes back a long time further for he was only nine years old when he first began calling, "Match Card, gents." What a change he has seen since those far off days. His first experience was on the ground then known as Brown's Timber Yard, and when the Club transferred their activities to the Gas Works Ground he came along as well, as he did also when a further trek was made to our present domicile. The first printer of the programme was a Mr. S. Pride of Wellington Street, who had a business where the present Co-operative Stores now stand, but it was not long before Bill had to fetch the programmes from Mr. Moore of High Town Road and when the latter relinquished his business activities, then from his successor, Mr. Armstrong. Subsequently the "Luton News" undertook the issue of the programme and with this innovation the proprietors appointed Bill as their sales manager, a position he occupied even when the club undertook the management of the journal four years ago.

I have no doubt that Bill could give us many amusing anecdotes of some of his experiences during

his long association with the programmes, but space is rather limited here. However it was no uncommon experience in the early days when the spectators were not so orderly as they are now, for him to rush the referee, in his pony and cart, out of the back entrance, to the station.

For fourteen years Bill has witnessed every Cup Tie, both home and away, in which Luton Town has been engaged, so therefore he has seen them "go out" on every occasion. This he would not have been able to do but for the very able assistance he received from his brother Bert, who on these occasions assumed control of the programme sales.

Although Bill has relinquished the position of Programme Sales Manager it must not under any circumstances be assumed that there is any feeling between the club and himself in the matter, nor is it due to the increased public and social work in which the burgesses of Luton have honoured him these last few years, for like everyone of us he still has to work for his living, and he has not built up his successful haulage contractor's business by refusing to do small jobs. The Directors were unanimous in their desire that he should retain control as previously, but business arrangements could not be made amicably. They feel sure however, and to this Bill has also readily assented, that should at any time in the future his services or advice are needed, they will be immediately forthcoming.

Well done Bill, I am sure that during your association with the programmes your geniality has made you a host of friends and I should be surprised if nary one enemy.

## JACK NELSON

Today's portraiture, John Henry Nelson, is a native of the County Palatine, being born at Chorley, one 15th day of March. His schooldays were spent at the local St. Mary's School and at the age of 14 he commenced a career as a bleacher in the cotton trade. His love of soccer, which had been prevalent during his schooldays, found an outlet with Chorley All Saints' Juniors, but it was not long before he was wearing the Chorley Club's colours itself. His display attracted the attention of Preston North End and he was eventually persuaded to sign "pro" forms for them. After five years at Preston he was transferred to Wolverhampton Wanderers where he stayed 2½ seasons before coming to Luton some 3 terms ago. Hobbies—Tennis and Motoring. Height 6 ft. 1½ in. Weight 12½ stone.

# WAKE UP YOUR LIVER BILE

without Calomel—and you'll jump out of bed in  
the morning full of vim and vigour

YOUR LIVER should pour out  
two pints of liquid bile into  
your system daily. If this bile is  
not flowing freely, your food  
doesn't digest. It just decays  
inside you. Gas bloats up your  
stomach. You get constipated.  
Your whole system is poisoned  
and you feel sour, sunk, and the  
world looks punk.

Laxatives help a little, but a  
mere bowel movement doesn't

get at the cause. It takes those  
good old Carters Brand Little  
Liver Pills to get these two pints  
of bile flowing freely and make  
you feel "up and up." Harmless,  
gentle, yet amazing in making  
bile flow freely. Ask  
for Carters Brand Little  
Liver Pills.

Stubbornly refuse any-  
thing else. 1/3 and 3/- at  
all chemists.
