CLUB NOTES by "Hatter"

The meeting of Newcastle United and ourselves last Wednesday evening was a real thriller, everyone being kept on tenterhooks for the whole of the 90 minutes; it was only when the final whistle blew that we could be sure of the result. The first half was a ding dong struggle, with the balance of play rather in favour of the "Geordies." It was fought at a terrific pace, and for the first twenty minutes or so Bill Dolman was frequently in action. During this period the defence did sterling work, but unfortunately Jock Finlayson received a leg injury which makes him a doubtful starter on Saturday. Then towards the interval the vanguard was able to command more of the game with the result that the defence was able to take short breathers. Newcastle however, were always dangerous and missed several chances, whilst at the other end Eddie Connelly hit the underside of the crossbar only to see the ball rebound into play. So ended a great first half. The second period was a replica of the opening half with the exception that our boys gradually assumed the ascendancy, this in spite of the fact that Jock Finlayson was more or less a passenger on the right wing. This necessitated Fred Roberts taking over the right half position, Eddie Connelly coming to inside left and Charlie Ferguson inside right. After twenty-six minutes play a corner was forced on the left. This was well placed by George Stephenson, and Jack Nelson, who had come up, headed the ball goalwards. In the struggle that ensued in the goalmouth, the ball was kicked in and cleared two or three times until it did eventually rest in the back of the net. It was impossible to say who was responsible for the final touch but, after the game, enquiry of the referee, gave the decision that the ball was helped there by Gordon, the Newcastle half back. Almost immediately the ball had been centred a fine through pass by Jack Nelson found Jack Vinall, who flicked the ball to Eddie Connelly who, in turn, put a perfect pass to Charlie Ferguson. The winger took the ball to the goal line and with the Newcastle defence absolutely spreadeagled, crossed a perfect ball and George Stephenson had

merely to nod the ball into the net. The United protested against this point on the grounds of offside, but this was simply ridiculous as Ferguson was right on the goal line when he squared the ball, so it was impossible for Stephenson to be anything but onside. Directly from the restart another thrill, but an adverse one, came along. Clifton gained possession of the ball and our defenders erred in falling back instead of challenging, with the result that the inside forward fired in a great shot from quite thirty yards distance and Bill Dolman was beaten all the way. After this the "Geordies" went out for an equaliser, but this was nearly their undoing for one or two chances to increase our score went a-begging and eventually, but not too soon, the final whistle sounded with the score 2-1 in our favour. It was a thrilling match and if we are to see the like during the season, the ground must be packed on every occasion.

Today we entertain our friends and rivals Norwich City. We managed to beat them at bowls, can we beat them at football? Last season the "Canaries" divided the spoils here, although we inflicted a heavy defeat at Carrow Road. Our visitors did not commence the season any too well for they suffered defeat at home last Saturday at the hands of Bradford, losing by three goals to one. They were indeed unfortunate as they suffered the loss of Coleman and were playing only ten men for most of the game.

The "Stiffs" are due at Bournemouth this afternoon and will be all out to retain their unbeaten record. The team will be the same as played at Millwall unless Jock Finlayson's injury has not yielded to treatment and a shuffle has to be made.

The "A" team open their home programme at Bedford with a visit from Stewart and Lloyds, a strong combination and an excellent game should result. The team selected for duty is Mayberry, King, R. Samuels, Campbell, Strathie, Gardiner, Clark, Laing, S. Praeter, K. Melton, E. J. Duggan. Praeter is a young London amateur who put up quite a useful game in the trial last Wednesday week.

CHAIRMAN'S MESSAGE

It is my duty on behalf of the Board of Directors to give a word of explanation and encouragement to supporters at the opening of another season, and I would preface my remarks with our sincere thanks for the loyal support received last season.

The measure of success of a Club depends as much on the goodwill existing between Directors and supporters as in the dressing-rooms, and you may be assured that we do appreciate to the full the steady and unwavering enthusiasm which is shown by the main body of supporters.

We shall do our utmost to deserve it in the future, and if our plans mature reasonably the success of the Club is assured.

Experience has shown us very clearly that Second Division football is a grade higher than Third Division, however we appraise the latter, and if we are to maintain this standard of football, plans must envisage a good deal more than immediate essentials.

My colleagues would not wish me to make any prediction or boast of what is to be, but our aims are the same as your ambitions, and such resources as we can command will be utilised for the advancement of the Club.

Supporters are beginning to understand what we have known for some time—that the prestige of the Club is higher than ever before. We can go higher still, of course, but it means hard work, constant application to the needs of the Club in every shape and form, and, above all, good sportsmanship on the field and on the terraces.

With the assistance of the Bobbers Stand Club we are trying to bring our ground right up to the standard of other clubs in the same sphere. It cannot be done at a stroke of the pen, but by consistent effort and support we shall see it accomplished. Some hundreds of supporters will find much more comfortable accommodation through the changes that have taken place at the Oak Road end of the ground.

Within a few years we hope to have as cosy and inviting a ground as any in the country.

As far as playing strength is concerned we may not have a team of stars, but we have a band of players who will provide fine football, and with your loyal support and encouragement a high place in the League Table should be assured.

In addition to those who are already proved worthy of the Second Division class we have a complement of young players from which we hope to draw many recruits in the near future, and this policy will save the Club from that feature of the game which is at once ugly and necessary—payment of transfer fees.

Our hopes are high as ever, and with your continued goodwill the Club can prosper exceedingly.

On behalf of the Board of Directors,
CHARLES JEYES,
Chairman.

BILL DOLMAN

May his arm grow ever longer,
May his eye get keener still,
May he do his stuff years longer,
That's the luck we wish our Bill.
And when at last he finds age creeping
And he has to take his pass,
Perhaps the club will do some "KEEPING"
By placing Billy on the staff.

H.B.

We welcome again Norwich City
With football colours so pretty.

May we say the same,
Today, of the game
With us, of course, taking the 'kitty.'

Humphrey Dolman, otherwise Bill,
Has a difficult role to fill.
But one must say
At the end of the play,
He does it with the utmost skill.

BILL DOLMAN

Humphrey William Dolman, to give him his correct name, was born at Bloxwich, Staffordshire, on 30th August. His schooldays were spent mostly at St. Peter's R.C. School and it is curious to note that he never tried the soccer code during this period. His first employment was in the Nut and Bolt trade with Messrs Wilkes, at their Grand Junction Works at Darlaston. Bill began his football career with Coalpost St. Mary's in which club he was the junior member by at least seven years, and it was whilst with them that he gained his first medal. He then joined Blakenall, being transferred to Willenhall (his first professional club) for the sum of £10. After two seasons with them he was again transferred to Chesterfield with whom he won a Northern Section Championship medal. From Chesterfield he joined Bristol City, coming to Luton in March two years ago. A born comedian and a great pigeon fancier. Height 5 ft. 11½ in. Weight 13 stone 10 lb.

## WAKE UP YOUR LIVER BILE

without Calomel — and you'll jump out of bed in  
the morning full of vim and vigour

YOUR LIVER should pour out  
two pints of liquid bile into  
your system daily. If this bile is  
not flowing freely, your food  
doesn't digest. It just decays  
inside you. Gas bloats up your  
stomach. You get constipated.  
Your whole system is poisoned  
and you feel sour, sunk, and the  
world looks punk.

Laxatives help a little, but a  
mere bowel movement doesn't

get at the cause. It takes those  
good old Carters Brand Little  
Liver Pills to get these two pints  
of bile flowing freely and make  
you feel "up and up." Harmless,  
gentle, yet amazing in making  
bile flow freely. Ask  
for Carters Brand Little
