### CLUB NOTES by "Hatter"

SO we failed to beard the "Lions" at the "Den" last Saturday, but only just. Those supporters who made the trek to Millwall, in conjunction with the many sports writers present, invariably said we deserved a division of the spoils and some even went further than that. The match had a further unfortunate side from our point of view for with a quarter of an hour left for play Jack Nelson was hit on the nose by an opponents knee and had to leave the field. His injury was X-rayed on Monday last and the plates have disclosed a very bad break and it is not anticipated he will resume playing again for at least a month.

The "Stiffs" resumed their winning ways at the expense of Crystal Palace Reserves by five clear goals. This was an excellent game and a visitor sitting near to me exclaimed he could quite understand why we were runners-up in the competition. All played exceedingly well that I do not think it fair to individualise. The goal scorers were Jack Vinall, who obtained a hat trick, Horace Gager and Ron Stevens.

The "A" team also continued their successful career defeating Bedford Town in a "friendly" by five goals (Duggan 3, Hogg 2) to two.

Today we welcome famous opponents in West Bromwich Albion and as I do not think I have previously given their history I will take this opportunity of so doing. In 1879 when Association football was becoming popular, a number of West Bromwich working lads associated with a cricket club decided to take up the new winter game. They formed a club with the title of West Bromwich Strollers, paid sixpence entry fee and a weekly subscription of twopence and played on an open field. That was the modest start of West Bromwich Albion. In 1880 the name was changed to Albion and the hire of a ground in a public park was made, but the following year they obtained a private ground, which the players themselves enclosed. A year later, 1882, they moved to Four Acres, in 1885 to Stoney Lane and in 1901 to their present home,

"The Hawthorns." The first club colours were maroon, the present navy and white striped shirts being adopted in 1885. A year previously they assumed as the club crest a thrush—known locally as a throstle—perched on the crossbar of a goal, from which comes the nickname "Throstle." The club's progress was phenomenal. They first entered for the English Cup in 1883-4. Two years later they reached the first of three consecutive finals; and after being beaten by Blackburn Rovers and Aston Villa, their third attempt saw them gain a surprise victory over the strong Preston North End. This occasion was the first time the Cup had been won by an all-English eleven, nine of the Albion players being West Bromwich born and were paid ten shillings a match for time lost from their ordinary occupations. In 1891-2 the Albion again won the Cup and after being unsuccessful finalists in 1894-5 and 1911-12 carried off the trophy for a third time in 1930-31, whilst they were again finalists in 1934-5. I am sure we are all looking forward to their visit and trust they will carry away with them only pleasant memories of their journey to us.

**The Editor wishes  
everyone a very happy Xmas  
and a prosperous New Year**

## CHRISTMAS APPEAL TO SPORTSMEN

72,000 men and women in this country can never see a football match nor indeed any of the sights of normal men and women. They are blind.

Wireless is the only means by which they enjoy the recreations of normal men and women.

Tens of thousands of sets have been distributed to the blind by the British "Wireless for the Blind" Fund whose only appeal takes place on Christmas Day. Thousands more are still needed.

Remember the blind on Christmas Day. Listen in to Lord Southwood at 8.50 p.m. and please give generously.

The result of West Brom's visit to Luton

Is a point some experts find a moot 'un,

But there's no doubt

We'll be able to shout

If 'Hughie's' got his right shooting boot on.

All that this programme doth reach,

Stop, read and digest, we beseech:

That its quite plain,

That once again,

Tom King has stepped into the breach.

## ALBUMS

At the request of a number of supporters we have had prepared an Album to contain the Art Plates of our Football Personalities, which we present with this programme at League II matches.

Will any supporters who desire one of these Albums please place their orders at the office, 70-72, Kenilworth Road, Luton. Price 1/6 each.

**DO NOT MISS OBTAINING A COPY OF THE PROGRAMME ON TUESDAY, DECEMBER 27th. It will contain a full sized autographed Art Plate of Mr. Neil McBain.**

Back numbers of previous programmes including Art Plates, can be obtained on application to the Editor, 70-72, Kenilworth Road, Luton. Price 2d.

## WAKE UP YOUR LIVER BILE

without Calomel—and you'll jump out of bed in  
the morning full of vim and vigour

YOUR LIVER should pour out  
two pints of liquid bile into  
your system daily. If this bile is  
not flowing freely, your food  
doesn't digest. It just decays  
inside you. Gas bloats up your  
stomach. You get constipated.  
Your whole system is poisoned  
and you feel sour, sunk, and the  
world looks punk.

Laxatives help a little, but a  
mere bowel movement doesn't

get at the cause. It takes those  
good old Carters Brand Little  
Liver Pills to get these two pints  
of bile flowing freely and make  
you feel "up and up." Harmless,  
gentle, yet amazing in making  
bile flow freely. Ask  
for Carters Brand Little  
Liver Pills.

Stubbornly refuse any-  
thing else. 1/3 and 3/- at  
all chemists.
