THE CHAIRMAN'S MESSAGE

AN old French saying is that we British take our pleasures sadly. Today the people across the Channel have a better knowledge of the British, and since they have begun to share our pleasures we know that they can be just as serious where football is concerned.

It depends upon circumstances whether we are serious or gay, and where large issues are at stake, as there are in this great winter game of football, we are compelled to be serious.

At the moment the Board of Directors have cause to recognise how great is their responsibility. We have reached the half-way house, and while we have to admit that our highest hopes have not been realised, we stand in a very fair position, and if our players do as well in the second period we shall be certain to retain Second Division status.

That is better than some clubs that earn promotion, but it is not good enough for us. We could hardly expect speedy promotion again, for our resources are limited, but I want to re-assure supporters that we have very definite plans.

Just as we told you we had planned promotion from the Third Division, and fulfilled that promise, so we are just as determined that this new plan will succeed, and we shall bring First Division football to Luton.

Support has not been all we expected, but we appreciate the fact that we have a staunch and loyal body of upwards of 15,000 for our League games, and upwards

of 6,000 for our London Combination games.

To these, and, indeed, to all our supporters the Board of Directors extends greetings at this happy season. We trust that the New Year will bring health, wealth and prosperity in the fullest sense of the word to you and yours.

Of course, even on such a comparatively small body of men as this Board, there must be differences of opinion on many phases of life, but we are unanimous in the hope that very speedily we shall see a great change in the International situation.

Peace and goodwill should not be merely a seasonable sentiment; it should be a permanent spirit the world over, and I can conceive of no greater blessing.

It is not my part here to express any opinion on the merits of the armament question, but without offence I can say, and my colleagues of the Board unanimously agree, that increased employment in the production of arms affords only a temporal or false prosperity, and what we want more than anything else is the prosperity that would come if the money now being spent in armaments could be devoted to trade and social service from which all classes would benefit.

My colleagues join me in the fervent hope that the New Year of 1939 will bring this endowment of peace among all nations, so that you and yours may be relieved from all anxiety and fear, and look forward each day to increasing measure of joy and happiness.

CHARLES JEYES,
Chairman.

CHRISTMAS APPEAL TO SPORTSMEN

72,000 men and women in this country can never see a football match nor indeed any of the sights of normal men and women. They are blind.

Wireless is the only means by which they enjoy the recreations of normal men and women.

Tens of thousands of sets have been distributed to the blind by the British "Wireless for the Blind" Fund whose only appeal takes place on Christmas Day. Thousands more are still needed.

There was a young player in grave concern
Who was told that football he'd never learn,

But, do you know
He decided to go

And watch that great artiste, Billy Redfern ?

Now balls he can trap and balls he can kill,
His technique is great and brilliant his skill

Goals he can score
Can weave and bore
And riddle a defence like Redfern Bill.

There is a great player, a tough one,
And Lor' how at times he doth run,
We're referring you know
To incomparable Joe,

Who's shewn on the programme as Loughran.

There is a great "winger" named C. Clark,
Who was kept in a cage at Queens Park,
They thought he couldnt "fly,"
But Luton knew why,

Now he "soars on the wing" like a lark.

WAKE UP YOUR LIVER BILE

without Calomel—and you'll jump out of bed in
the morning full of vim and vigour

YOUR LIVER should pour out
two pints of liquid bile into
your system daily. If this bile is
not flowing freely, your food
doesn't digest. It just decays
inside you. Gas bloats up your
stomach. You get constipated.
Your whole system is poisoned
and you feel sour, sunk, and the
world looks punk.

Laxatives help a little, but a
mere bowel movement doesn't

get at the cause. It takes those
good old Carters Brand Little
Liver Pills to get these two pints
of bile flowing freely and make
you feel "up and up." Harmless,
gentle, yet amazing in making
bile flow freely. Ask
for Carters Brand Little
Liver Pills.

Stubbornly refuse any-
thing else. 1/3 and 3/- at
all chemists.
