CLUB NOTES by "Hatter"

LAST week end might well be dubbed "Surprise" Saturday, for I do not think—yes let us be quite candid about it—that only very, very, few supporters expected us to bring away a point from Bramall Lane. We all hoped we would do so, but few thought that we should. Then the "Stiffs," who had been doing excellently in the Combination, failed here against Queens Park Rangers Reserves. I know the ground was in a shocking state, and that this materially helped the Rangers, who possessed greater physical strength than ourselves. But even so the "Stiffs" did not take their chances and were prone to dally in the mud instead of making more use of the wings where the ground was much firmer. They should have taken a leaf from the Rangers book. And then we come to the "A" team. They were defeated for the first time of the season at Biggleswade. We all realise that someone had to do it sooner or later, and Biggleswade have had more opportunity in this respect than anyone else, for it was the fourth meeting with them this season. As we had however inflicted defeat on them on the three previous occasions, to say the least, their victory was unexpected. George Martin informs me it was the worst display the "A" team had given this term, for besides failing to score from a penalty several other easy chances were missed.

Now to return to the first team. Undoubtedly the hero of the match was Hugh Billington, whose two goals produced a new record this season at the Bramall Lane Ground, for previous to our visit no team had scored more than one goal there. The team as a whole played remarkably well and if that little bit of good fortune had been on our side we might have won, although perhaps on the run of the ball a drawn game was a fair result. The defence was much tighter than in the debacle against Plymouth Argyle and Gordon Dreyer never gave Dodds an inch of rope; in fact the centre forward was almost subdued. Well it was a good performance and let us hope they will continue the good work today.

Burnley our visitors this afternoon, are quite a good side, and play a type of game very similar to ourselves. I remember seeing them play against Fulham at Craven Cottage earlier in the season, when the "Cottagers" were going great guns, and a goalless draw resulted. They possess quite a nippy forward line who have some delightful touches and accordingly we should witness some first class entertainment. Naturally we all hope we shall be successful as we have our defeat at Burnley to wipe out, but if we are not, then let us hope the spoils have gone to the better team.

The "Stiffs" have a stiff task—joke over—at Stamford Bridge this afternoon and at the time of writing their team has not been definitely selected. If we are to keep in the running for the Combination championship we shall have to improve on last Saturday's result. The "A" team also face their most difficult hurdle being opposed to Kettering Town, the present League leaders. A victory here will aid them greatly in their championship effort. May they pull it off.

Many people have asked me whether it is not possible to have one of these "A" team matches at Luton, and it therefore gives me great pleasure to announce that we have arranged for Rushden Town to visit us here on Wednesday, 26th April next. This will be an evening kick-off, somewhere about 6.30 p.m. and a glance at the League table will show that the "Russians" are no mean opponents. It should be a very interesting game and I hope you will all make a note of the date.

WAKE UP YOUR LIVER BILE

without Calomel—and you'll jump out of bed in
the morning full of vim and vigour

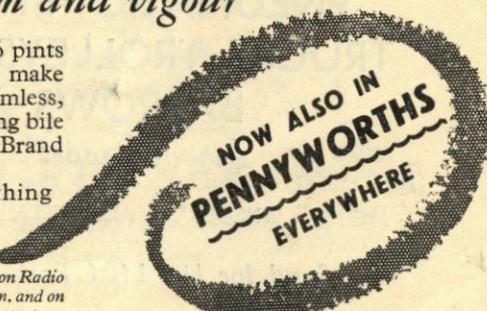

YOUR LIVER should pour out
two pints of liquid bile into
your system daily. If it doesn't,
your food doesn't digest. It just
poisons your whole system. Gas
bloats you up. You get constipated.
You feel sour, sunk, and the
world looks punk.

Laxatives help a little, but a
mere bowel movement doesn't
get at the cause. It takes those
good old Carters Brand Little

Liver Pills to get these two pints
of bile flowing freely and make
you feel "up and up." Harmless,
gentle, yet amazing in making bile
flow freely. Ask for Carters Brand

No doubt, supporters, you sometimes look at the new covered stand built last year, and admire the work of the **Bobbers Stand Club**, also many of you utilise the stand for viewing the matches in comfort. Now to show your appreciation, if you are not already a Member of the Club, just come along and join for the sum of 1/2 per year. If you cannot call, send along your fee to the Secretary, he will acknowledge your letter and forward to you your Membership Card. Our appeal for 500 new members by the end of February is meeting with a good response, so don't leave it too late and be left out.
