WAKE UP YOUR LIVER BILE

without Calomel—and you'll jump out of bed in the morning full of vim and vigour

YOUR LIVER should pour out two pints of liquid bile into your system daily. If this bile is not flowing freely, your food doesn't digest. It just decays inside you. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk, and the world looks punk.

Laxatives help a little, but a mere bowel movement doesn't get at the cause. It takes those good old Carters Brand Little Liver Pills to get these two pints of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely.

Our holiday programme brought us a welcome three points out of a possible four for the First Team, whilst the Second Team obtained three points out of a possible six, and the "A" Team only secured one point out of their three Yorkshire League fixtures.

The game against Newcastle on the Recreation Ground on Good Friday was well worth witnessing, and there was no doubt our lads thoroughly deserved the victory they obtained. Immediately after this game they left for London where they were staying overnight en

route for Southampton for their League game on the Saturday.

The game at Southampton was a good hard and fast match, and although we might easily have secured both points or at the same time lost both points, a division was a fair result. The game opening in good style gave every promise of developing into a hard battle, and thrills at both ends were characterised in the early play. However, our lads perhaps held a slight advantage during the early exchanges, and Milligan opened the score after about 10 minutes' play. This goal was neutralised before the half way stage by Southampton, and the team crossed over with one goal each to

their credit. The second half commenced with both sides eager to gain the advantage, and this fell to the lot of Southampton, which they maintained until the last 8 minutes of the game, when Luke, with a lightning dash, brought the scores level again.

The Reserves, who suffered injuries at Newcastle on Good Friday, had to share the points with a strong Manchester United Reserve side on Saturday at Saltergate, and considering the opposition and the enforced changes the lads did very well. We were again unfortunate during this match, when Booker sustained an injury to his knee, which will keep him out of the game for some time.

On Monday in the return match with Newcastle United Reserves, our lads set about their task in earnest, and were two goals to the good by the interval. Almost immediately after the resumption, Bonass added our third, and the game looked well won, but Newcastle had other ideas, and during the second half reduced the arrears by two goals, and in the end compelled our lads to fight hard for the points.

However, all's well that ends well, and they still retain their lead of the Central League, although there is no doubt that the injuries sustained will make their task a little harder to hold on to the position they now occupy.

The "A" Team over the week-end had to admit defeat to Goole Town on Friday, share the points with Upton Colliery on Monday and leave the points with Ollerton Colliery on Tuesday, in their Yorkshire League campaign. On Saturday, they were engaged in the re-play of the Semi-final of the Yorkshire League Cup at Thorne, in opposition to Leeds United "A," and suffered defeat by three goals to nil.

To-day we entertain Luton Town at Saltergate, and the Reserve team will be in search of points at St. Andrews Birmingham. Luton Town have come into the promotion fight with a vengeance, and to-day occupy the third place in the table from the top. There

is no doubt that this game holds a special interest to us, and we may depend upon our lads to give us another good game in their endeavours to keep intact the record of their home games. Luton earlier this season defeated us at Luton by five goals to nil, and the lads will be also anxious to avenge this, their heaviest defeat of the season.

We are pleased to announce that Stoke City have accepted our invitation to play at Chesterfield on Monday, May 1st, 1939, for the Chesterfield Royal Hospital Cup, when we hope they bring over a strong representative side.

on the success they have gained in the English Schools Shield competition this season. By defeating Derwent Valley (Durham) Boys on Tuesday evening they qualified to meet the winners of the Manchester v. A Goal-keeper's Dream.

For Luck

"Nodding 'em in!"

They may be good these Luton
Hatters,
But the result of the game is all that
matters ;
If they beat our lads right under
their Spire,
They will well earn the points we
both require.

Let us not dwell so much on losing
at all,
But encourage our lads to play only
the ball ;
For football worth watching has been
our reward
From our team of players who are
all in accord.

If these rhymes have caused any
pleasure
To supporters and readers, when
taking their leisure ;
Remember they spring from Greaves'
Furniture Store,
Who have traded in town forty years
or more.

"What a clearance!"

**"Hurrah!
Two more points!"**

"Go on, Shoot!"

**CAN YOU WRITE FOOTBALL
RHYMES ?**

Write a topical Football Verse of 4 lines above and if selected for publication you will receive a prize as acknowledgment—value 10/6.
