NOTES

Welcome to-day to Luton and included in their side, "Dally" Duncan, who was a member of their Cup winning side last season. He was recently transferred to Luton, which reminded me of another time he was transferred—when I was Manager of Hull City. I transferred him to Derby in 1932.

—SWAN'S SPOTLIGHT—

ROBERTS, OWEN J.

Born at Mardy in the Rhondda—as a junior of 17, went to play for Plymouth. Joined H.M. Forces at the beginning of the war. He was discharged two years before war ended—went back to play for Mardy and came to Swansea early in 1945, since when we have seen him give some grand exhibitions of goal-keeping!
