### MANAGER'S NOTES.

Form of the first team during the past few weeks particularly in front of goal, indicates the necessity to strengthen, and the club expect to go into the market again very soon. Many clubs have been contacted and the merits of several players carefully considered, for it is generally realised that the mere spending of money does not build a team.

The game with Queen's Park Rangers was not a good one, and although beaten 2-0 it is true to say that we had enough chances in the last

quarter of an hour to turn the tables and win. We cannot afford to miss such chances, although it must be realised that things are not running our way. The tide must be turned, and everybody connected with the club is working hard to see that it will be.

The reserve side won on Saturday, and there are several young players in the team whose progress we are watching carefully and with some pleasure.

Supporters will join with the club in extending our deepest sympathy to Bobby Owen in the loss of his son, and in the wishes for a speedy return to health of his wife. Bob has been given extended leave of absence in the circumstances.

## HERE'S THE ANSWER!

1—Glossop, who had one season—that of 1899—1900—in the First Division.

2—Ireland, against Wales at Belfast on November 4, 1933, their half-backs being William Mitchell (Chelsea), Jack Jones (Linfield), and his brother, Sam Jones (Backpool), who was Mitchell's brother-in-law.

3—Grimsby Town, who have met all save eight—Aldershot, Bournemouth, Carlisle United, Chester, Ipswich Town, Mansfield Town, Torquay United, and York City—of the other 87 clubs in peacetime Football League matches.

4—Those of Swindon Town in the Southern Section in 1920—21. In their first game of the season they beat Luton Town at home by 9—1 on August 28, but in their second two days later they lost at Southampton by 4—0.

5—Woolwich Arsenal, who, in 1907, were fined £25, the Football League also deciding that thenceforth all clubs must disburse practice match receipts within 14 days and make a return to headquarters.

6—Frank Soo for whom Leicester City paid Stoke City a handsome sum in season 1945—46. Before the post-war resumption of the Football League competitions on normal lines he was transferred to Luton Town in June, 1946.
