TO-DAY'S VISITORS.

FOOTBALL LEAGUE—DIVISION II.

For our last home League game this afternoon we have as visitors Luton Town with whom our early days as a professional club are associated, when both clubs were members of the old Southern League and the older generation of City supporters will remember the "invasion" of Cardiff of thousands of straw-boaters wearing supporters of the Town whenever the sides met at Ninian Park in those days—hence the sobriquet of "Strawplaiters" by which Luton are known.

The Bedfordshire side this season have to date won 9, drawn 13 and lost 17 of their 39 matches and their lowly position belies the true form shown by the team throughout when on many occasions they have completely outplayed opponents and yet scraped through with a draw or even lost. The attack have scored 52 goals—one more than ourselves—while the defence have yielded 62 goals.

In the corresponding game last season Bernard Stretton, Luton's English international goalkeeper, gave a remarkable display and was mainly responsible for gaining a point for his side in a goalless draw. Earlier this season at Luton the score was 1-1.

CLUB NOTES.

BY a grand 2-1 away win at Bramall Lane last Saturday we were brought back in line with our rivals in the promotion race.

Although a goal down after 18 minutes our boys fought back with such purpose that it came as no surprise when they equalised, following a brilliant move by Wilf Grant which ended in Mike Tiddy scoring, and established a lead from a goal by George Edwards. Strong defensive play by Glyn Williams, Stan Montgomery and Alf Sherwood, supported in fine style by Ken Hollyman and Bill Baker, and with Phil Joslin in top form in goal countered all the efforts of the United to score. Sheffield United became the third team we have completed the "double" against this season, the others being Chesterfield and Notts County. We have the possibility of adding to this list in Leeds United and West Ham!

Below we give the remaining fixtures of the clubs challenging for second position and promotion including today's games:

MANCHESTER CITY (47 pts.)

Barnsley (H), Sheffield Utd. (A), Grimsby (H), Notts County (A).

CARDIFF CITY (47 pts.)

Luton (H), Leeds Utd. (A), West Ham (A).

BIRMINGHAM CITY (46 pts.)

Leeds Utd. (H), West Ham (A), Brentford (H).

The Combination side by their 3-0 home win over Swindon Town last Saturday have superseded Swansea Town as leaders of Section IV. in the Football Combination Cup. With the same number of points as the "Swans" we top the section with a better goal average and have a match in hand.

We fielded the following team against Swindon: Morris; Rutter, Smyth; T. Bevan, Sullivan, McIlvenny; Nugent, Mills, George, Norman and Evans (L.). Scorers were Les Evans (2) and Gwyn George.

At Shrewsbury last Monday evening we entered the final of the Welsh Cup, a trophy we last won in season 1929-30, by beating Wrexham in the semi-final 1-0. George Edwards scored our goal when he accepted a centre from Wilf Grant, who had worked his way from mid field to the right flank before crossing the ball with excellent judgment. City team: Joslin; Rutter, Wilcox; Hollyman, Montgomery, Baker; Tiddy, Marchant, Grant, McLaughlin and Edwards.

SOCCER QUIZ.

HERE ARE THE ANSWERS.

1. That of Stamford Bridge in December, 1907. Ten minutes from the end of a First Division game Chelsea led by 3-1, but Bury won by 4-3.

2. "Fanny" Walden (5ft. 2 $\frac{1}{2}$ ins.; 9st. 4lb.) and Sam Brooks (5ft. 4ins; 9st.), who first filled the wing positions in the same match with Tottenham Hotspur in 1922.

3. Only two. William Abbott's 38 goals in 1898-99 still rank as the highest total ever reached for Birmingham City in one season, and the late Robert Whittingham's 30 in 1910-11 still likewise stand as a Chelsea record.

4. Only eight—Aston Villa, Blackburn Rovers, Derby County, Nottingham Forest, Notts County, Preston North End, Sheffield Wednesday, and Wolverhampton Wanderers.

5. That of Hussein Hegazi, a pure Egyptian born in Cairo, whom Fulham introduced to the League as a centre forward in 1911.

6. That created by Stephen Bloomer, Derby County's chief scorer in First Division games in each of the 14 seasons from 1892-93 to 1905-6 inclusive.
