**CLUB NOTES**

I think you must all agree that the Floodlit Match against Portsmouth on October 22nd, was a great success, and that a very fine game was witnessed by everyone present. Both teams enjoyed the game enormously and the Portsmouth Directors were very enthusiastic about the possibilities of floodlighting, and are going ahead with plans to instal it at Fratton Park, when it is hoped that we shall be the Club to play them in their opening match.

There will be a Floodlight Match on Monday, November 12th when we entertain a very strong Army XI, consisting of the following players : Anderson (Leicester) Wilkins (Brighton) Mansell (Portsmouth) Glen (Aberdeen) Dodgin (Fulham) Fenton (Blackpool) Jackson (Leyton O.) Brooks (Reading) Smith (Chelsea) Cameron (Q.P.R.) Henderson (Portsmouth).

Our boys evidently gained confidence from their display against Portsmouth, because they carried on with the good play against Notts County, and had a grand away win. They played really grand football, particularly in the first half, when nearly all the chances they made were accepted. Unfortunately, Ellerington had a knock in the first half, and in the second, when we were under heavy pressure, he was not his usual self, but the team defended stoutly, and were unfortunate to concede another goal.

To-day, we welcome our visitors from Luton. Up to the present, they have done exceptionally well, and we feel sure that a very good game will result, and hope that the best team may win.

We are sorry to report that Peter Sillett, who has been doing so well in our team in recent matches, has now gone into the R.A.F. to do his National Service. We hope, of course, that we shall be able to play him when it is possible for him to get leave, but naturally, this will not be for some weeks.

We should also like to express the hope that Eric Webber will be successful in his new position as Player-Manager to Torquay United F.C. Eric has been a grand servant to us, and a marvellous Club-man. He deserves all the success that may come his way and I am sure all our good wishes go with him.

During the week, we also transferred Ken Wilkins to Exeter City. We hope the change will be of great benefit to him, and give him some very good experience, so that when the time arrives, we may recall him to Southampton.

Mr. Allen, the Secretary of the Albion Band, wishes to announce that they are very short of collectors on match days. He will be very pleased to hear from anyone who is interested in undertaking this job.

Mr. Allen's address is :—

"Gwenern," Chaucer Road, Thornhill, Southampton.
