UNITED NOTES

TO-DAY WE WELCOME LUTON TOWN and extend to them our sincere congratulations upon the success they have accomplished so far this season. Last season, and it was their second successive season, they were involved in a struggle for retention of their Second Division status, and it was only after a very fine late rally that this was achieved. Twelve points from their last twelve games proved good enough to keep them from relegation. We have noted their improvement this season and we have no doubt that the "Hatters" will provide us with stern opposition this afternoon. The club was founded in 1885 and their home at Kenilworth Road, whilst not of a very extensive nature, housed the largest gate in 1949, when the Spurs provided the opposition, 27,319 spectators attended. Of the playing strength, there were no ever presents last season, S. Owen and G. Stobbart leading with 39 appearances and the latter was leading goalscorer with 9. This suggests a

decided lack of scoring power, but the fact of them rattling in 5 goals against Sheffield Wednesday last Saturday leaves us with no illusion at the present time. This, coupled with our own recent improvement, will undoubtedly bring forth a stirring encounter, in what, to quote a common saying, is a "4 points game". Elland Road is nothing of a new venue to Dally Duncan (shades of Hull City and Bill McCracken) and many of his men, and we hope Mr. Charles Jeyes, the respected Chairman of the Club, will be able to make the journey.

CONGRATULATIONS TO OUR OWN BOYS for a magnificent performance in defeating the County at Nottingham, thus providing us with our second away win this season. This result was fully deserved and the spirit now prevailing is on no less equality than the ability. The change that has been wrought in the last few weeks is but ample reward for the endeavour that our men have put into their work, both in training and on the field of play. They deserve their success. Good hunting to-day.

THE RESERVE TEAM only gained partial success against Liverpool Reserves last Saturday, and this was achieved with the very last kick of the game. We are still within two points of the leading team, Wolves, whom we have already defeated at Molyneux. 7,136 spectators saw the game, which in itself, reveals the interest which is being taken in our Reserve side. To-day they are at Blackburn.
