### CLUB NOTES

WE WISH all of you here today, whether for or 'agin' us, the Compliments of the Season, and a Happy and Prosperous New Year. We trust you all had a very happy and enjoyable Christmas Day, which no doubt was enhanced if your own particular team was the victor at the match played at the Boleyn Ground yesterday. Whatever happened there, however, and again today, we trust at the end of it all that our two Clubs and their supporters remain, as we have always been, the best of friends, and that these Christmas encounters are now something we can both look forward to each year.

If we escaped defeat in London yesterday then our lads did a very good job of work for the "Hammers" have been playing extremely well this season, starting with such a run of success that at first it looked as if they might have the Championship in the bag by Christmas, but unexplainedly they have recently struck a bad spell which has caused them to drop considerably in the Table. They still however, are a force to be reckoned with, for they almost beat the present leaders on their own ground last Saturday, only a do or die effort by an injured player spoiling the "Hammers" from being credited with at least one point. Davie Sexton has fitted into the "Hammers" scheme of things very well, and has been an ever-present so far this season. He received a nasty knock last Saturday which resulted in three stitches having to be inserted in a head wound, but there is every hope of him being present here this afternoon. He has scored nine goals so far this season.

After a glorious run in which our lads obtained eighteen points out of a possible twenty they had to admit defeat at Goodison Park last Saturday by the odd goal in three after a most entertaining game. No one could have grumbled if we had crossed over with at least a three goal lead, for we were undoubtedly the better team in the first half. A goal to Everton however in the first minute of the second half put the "Toffeemen" right on their toes, a goal which we thought should not have been allowed. Bernard Streten was definitely impeded as he went up to collect a high ball, but was prevented from doing so by the Everton centre forward as will be seen from the photograph in last Wednesday's "Luton News." Streten appealed but to no purpose and the Everton crowd, who throughout the first half looked upon their team's display with much misgiving, now began to give them all the encouragement they could. Talk about the Hampden Roar! Nothing in it compared with this. It would be a very poor team indeed which could not respond to such encouragement, and the "Toffeemen" did respond. But even then Ever-

ton's second goal looked very much offside to us sitting in the Stand despite the explanation that Bud Aherne played the winger inside. In our opinion it was definitely not so, but there it is, Everton on their second half display fully deserved the spoils—but if only our lads had driven home their superiority in the first half in the shape of another goal or two, we would not now be looking back on our first defeat since October 3rd. when we allowed Fulham to beat us down here; when again we lost a match through an all too obvious "offside" goal.

Our Reserves put up a very good show here last Saturday when they beat Leicester City's second string by the decisive margin of five goals to two, after a most entertaining game. It was cut and thrust from both sides right away through the match, with our lads just having the edge on the game. Johnnie Downie showed us what a good footballer he really is, for although not so outstanding during the first half he was the best man on the field in the second, using the long ball to perfection. But the whole team played well, with Leslie Jones in his new position at centre forward showing some very nice touches and some intelligent play. Altogether a most enjoyable and satisfactory match, fully worthy of a much bigger attendance.

The Luton Schoolboys are going great guns again this season, having won their Divisional Final for the second season running when they beat the Leicester Schoolboys at Leicester recently by two clear goals. The next Draw takes place on December 31st., when they can be drawn to play any team in the South of England. Last season they had the long trek to Plymouth, only to be beaten after a very close fight. This season they are full of confidence that they will go further, and from what we have seen of their displays so far this season it is going to take a very good team to beat them. We wish them every success in their efforts.

With regard to our F.A. Cup match at Blackpool on January 9th. Tickets are being issued at 7/6 Centre Stand; 6/- South Stand (Reserved Seats): Standing in the Centre Paddock at 4/6 and in their other Paddock (South Side) at 3/6. Season Ticket Holders are being given until first post on Tuesday, December 29th in which to apply for tickets, after which no preference can be extended. Postal applications only, please, together with a stamped addressed envelope, and it would help us considerably if you did not make your postal orders payable to anybody, but to leave this space blank. The Bobbers Club is running an Excursion Train, the details of which, as far as is known at the moment, being shown in their Notes on the opposite page.
