## LUTON TOWN

Colours—WHITE

# NOTES

Good Evening, Everybody,

We hope that this evening the elements will be more favourable to us than last Tuesday, when this game was abandoned with Luton ahead by one goal.

Last season we met them in the semi-final, and after an exciting game, very even in the first half, Luton gave the spectators a football treat in the second half and were worthy winners. In the final the Town met Reading, and won the Competition. So to-night we have the added pleasure of extending a warm welcome to the holders of the Southern Floodlight Cup,

Below are pen pictures of the players who may represent Luton this evening:

R. BAYNHAM (goalkeeper): In his seventh season with the club. Secured from Southern League club, Worcester City. Has represented England on several occasions including their matches versus Denmark in Copenhagen, Ireland and Spain. Played for the Football League versus the League of Ireland on two occasions and also for the England "B" versus the Yugoslavia "B."

S. DUNNE (right-back): Born in Limerick, Eire. Came to Luton from Shelbourne F.C. in May, 1950. Has played for his country on several occasions and was recently chosen to captain the Eire team versus Denmark.

L. JONES (left-back): Welshborn, although he has spent most of his life in Luton. Has been watched by the Welsh F.A. Selectors on several occasions and when recognition was expected, he had the misfortune to receive an injury. A classical back who is very cool on the field.

R. MORTON (right-half): Local born. Has been with the club since 1946. Played for England "B" versus the Switzerland "B" team, the Football Combination versus the Dutch XI and also for the Football Association versus the Army. Was chosen as reserve for England versus Ireland at Wembley in November, 1955, and recently played for the Football Combination versus the Dutch XI in Amsterdam. A brilliant wing half who has made several appearances at centre forward. Was a member of the F.A. party which toured South Africa in the Summer of 1956.

S. OWEN (centre-half): Captain of the side. Previously with Birmingham City. Has been with the F.A. touring party on three separate trips—to Australia, the West Indies and South Africa. Was a member of the Football League team which played in Copenhagen in May, 1953, and was in the England party in Switzerland for the World Cup games in 1954. Is a qualified F.A. Coach and coaches the younger players of the club.

R. PEARCE (left-half): Signed from Winsford United in November, 1954. Has proved himself a utility player in both the forward and half back lines. Occupied the left-half position during the latter part of last season and all this season with a series of brilliant displays. Played for the Football League versus the League of Ireland and also for the Football Association versus the Army in October, 1957.

M. CULLEN (outside-right): Scottish born. Joined Luton from Souglasdale Juniors in August, 1949. Took the eye of the Scottish Selectors and was chosen to play in Scotland "B" team versus England "B" team in March, 1956 and gained his first full cap versus Austria in May, 1956.

J. ADAM (outside-right or left): Recommended by the club's North-Eastern Scout and signed from the Northern Club, Spennymore United, in June, 1953. Can get quickly off the mark and is always a potential danger. Has been watched by the Scottish Selectors.

G. TURNER (inside-right): Came to Luton as a wing half upon his demobilisation from the Navy in 1950 but found his true position at inside-right. In season 1953/54 he broke the club's individual goal scoring record since their promotion to the Second Division with 37 goals. Was again the club's leading marksman last season. Represented the English League versus the Scottish League in October, 1955.

A. BROWN (inside-left or centre-forward): Secured from Blackpool for five figure fee in February last. A Scottish International who made his debut for the Town at Leeds in last season scoring the winning goal. Was very unlucky, missing two Cup Finals through injury while playing with Blackpool.

G. CUMMINS (inside-left): An Irishman from Dublin. Cummins first crossed to sign for Everton in 1950 and it was from the Merseyside club that Luton secured him for a big fee in 1953. A brilliant ball player. He has already played for Eire on several occasions, including their matches with Luxemburg, Norway, Yugoslavia and Spain.

J. GROVES (wing-half or inside-forward): Son of Arthur Groves, the old Derby County inside forward. Won Derbyshire Schoolboy honours and signed by Luton when only 15. Plays either inside or wing forward.

G. McLEOD (forward): Born in Inverness, Scotland, where he played for Clachnacuddin. Following a recommendation the club sent their North-Eastern Scout to watch him and as a result he was signed for Luton in January, 1955.

#### POSTPONED FIXTURE

Our League opponents on 4th January, 1958, Reading, are still interested in the F.A. Cup. It is hoped that a friendly game will be arranged for this date, so watch for details.
