**OUR VISITORS**

The last visitors to The Hawthorns for Season 1957-8 are Luton Town—and none the less welcome for all that the season is on its last legs, for Luton Town are a football-playing side versed in the arts of the game by their mentor and manager, ex-England star winger, Mr. Dally Duncan.

His First Division side—enjoying their first run in the top section which they have graced this past two seasons—are a far cry from the early efforts to establish football in Bedfordshire.

It was on April 11th, 1885, that a public meeting was held. A meeting in Luton Town Hall to discuss the formation of a football club. It was taken very seriously, and the proposal was duly passed.

It was also decided that the club colours should be navy blue and pink, and that a shirt and cap should be worn by each member when playing. There have been some changes here, fortunately, but at least they still all wear a shirt.

They became a professional side by 1891, with a top wage of 5/- plus 6d. for away games.

From 1897 to 1900 Luton played in Division II, but found the going too tough, and retired to rejoin the League on the formation of the Third Division.

Like ourselves, Luton Town have been plagued by injury lately, but should choose their side from among the following:

**Ron BAYNHAM**, goalkeeper. Six footer—Birmingham born and former Worcester City player. English International during 1955-6.

**Seamus DUNNE**, right back, born at Wicklow. Joined Luton from Shelbourne, after playing for Drogheda. Eire International.

**Ken HAWKES**, left back. A County Durham-born player who was secured from Shotton Colliery Welfare.

**Terry KELLY**, wing half. Really the reserve centre half pressed into service on the flanks. A Luton lad from Vauxhall Motors.

**Sid OWEN**, centre half, formerly with Birmingham City. He was born in Birmingham and was chosen three times for England in 1954.

## OUR VISITORS—continued

**Alwyn McGUFFIE**, wing half. A Scot from Glasgow, he joined Luton as an amateur. Recently on the "injured list".

**David PACEY**, wing half. A Luton-born player who joined them from Hitchin Town. Takes a fitness test to determine whether he can tour in Germany.

**Wally SHANKS**, half-back under usual conditions, but equal to the outside right position. Born at Malta and formerly with Chelsea. Scottish parentage.

**Mike CULLEN**, outside right. Glasgow born and joined Luton Town as an amateur. Has not been missed by the Scottish selectors.

**Gordon TURNER**, inside right. Born at Doncaster. Signed as an amateur from a Hull junior side. His father was a former Hull City professional. Football League honours.

**George CUMMINS**, inside forward. Irish International, born at Dublin. Played for Everton before joining Luton.

**Allan BROWN**, inside forward. Born at Fife, played for East Fife and Blackpool. Has seen most of his highest honours withheld through injury, but is a Scottish International first choice.

**George McLEOD**, centre forward. Born at Inverness and played for Inverness Clachnacuddin. No wonder he signed for Luton Town in 1955. Has recently received an ankle injury.

**John GROVES**, inside forward. Born at Langwith in Derbyshire. John's father was a player alongside Mr. Duncan. He signed for Luton straight from school, and became a 'pro' in 1950.

**Brian WHITBY**, outside left. Young part timer who works at the Vauxhall plant. Born at Luton, he played for the works team.

## CLUB NOTES

Our supporters who have responded to our experimental probe on the possibility of Ground Season Tickets should keep a weather eye open for a further announcement in the near future. We thank all those who have taken the trouble to assist this time.

\* \* \* \*

The news of the commencement of the new corner stand at the Birmingham Road end has brought us more applications for seat season tickets. We have a very very long waiting list for these, and cannot reply to the applicants for the time being until the situation becomes clearer. If you have written, please be patient—we will write you as soon as possible.

\* \* \* \*

A strange looking side travelled up to Blackpool last week—only Ronnie Allen was left of our all-conquering forward line of earlier in the season. Frank Griffin, injured—was replaced by Brian Whitehouse; Bobby Robson, England reserve, by Eric Robinson; Derek Kevan, on England duty, by David Burnside, and Roy Horobin—ankle injury, by George Lee.

\* \* \* \*

Eric Robinson had his first taste of Division I soccer. He is one of five Altrincham players to join us in recent years—last but one in actuality. He was born at Manchester and joined us just over a year ago. He made a good impression and was unfortunate to be on the losing side.

\* \* \* \*

David Burnside also showed his improvement. He has played once this season—at Leeds—but looked better in this game.

\* \* \* \*

Joe Kennedy reported fit to ease the defensive tension, but late in the week Charles Drury ("Chuck") cancelled him out by going down with a poisoned toe.

## CLUB NOTES—continued

Donald Howe's absence in the land of the "Haggis" playing for his country was covered by moving Stuart Williams into right back, where he plays for Wales, and retaining the younger Welsh Williams, Graham, at left back.

\* \* \* \*

Graham's third game this it was, and against Stanley Matthews too he was. It says much for Graham's future that Stanley had a quiet day.

\* \* \* \*

With so many players absent the Reserves struggled to hold a goalless draw against Bolton. Young Derek Finch earned himself some praise from the fans for his play at full back.

\* \* \* \*

The arrangements for the match at Bilbao on May 1st are almost complete. The party will leave on Monday, April 28th, and return the following week-end.

Bigest headache so far is who of our players will be allowed to take the trip. England World Cup XI play England under-23 on Friday, May 2nd. By the time this is in print the crystal ball will have cleared.

\* \* \* \*

Next week is the Cup Finals week at The Hawthorns, with a local final every night of the week. There is always a lot of interest and excitement built up at these games. Why not drop in and see one or two. A complete list will be found on Page Eleven.

\* \* \* \*

So ends another season. We thank all those who have supported us. When we have pleased you we have been amply satisfied by your pleasure. When we have displeased you—we are sorry. We have soared to the heights and plumbed the valley of despair. We look forward to 1958-9 with high hopes—perhaps this time we may go one better. Enjoy your holidays.
