Every year Club Week is an important feature of BOYS' CLUBS activities all over the country. During this week members do all they can to raise funds, not only for their own club but also for the organisations to which they are affiliated.

The very existence of BOYS' CLUBS depends on the interest and generosity of friends in their immediate neighbourhood. We hope you will assist them in their efforts and help them to beat their target.

### CLUB NOTES

WE receive Fulham this evening in the First Round of the Southern Professional Floodlight Challenge Cup Competition, and welcome them to Kenilworth Road for the first time since March 1955, when we met in a Second Division encounter. In those three and half years many changes have taken place in both teams, which were for Fulham: Black; Chenhall, Fisher; Lowe, Greenwood, Lawler; Barton, Robson, Jezzard, Hill and Mitten. For Luton: Bayham; Dunne, Aherne; Pemberton, Morton, Shanks; Davies, Turner, Groves, Cummins and Cullen. We won by three goals to nil, Turner (2) and Groves being the scorers. Ron Greenwood is now Assistant Manager at Arsenal, Bedford Jezzard is Team Manager at Fulham, Charlie Mitten is Manager at Newcastle, Jimmy Hill is Chairman of the Players' Union, just to mention a few of the players still making their mark in football but in a different sphere. Fulham won promotion to the senior circle last May, and have certainly shown that it was well justified for they at present occupy seventh place in the Table, only three points behind the leaders, having scored 32 goals in the 14 matches played to date. Details of the players expected to play here tonight are as follows:

**Elio (Tony) Macedo**, goalkeeper. Born in Gibraltar, came to England as a child and joined the ground staff from school. Got his chance just before Christmas, 1957, and has developed into one of the greatest in the game. Played for England Under-23, stands 6 ft., weighs 12 stones. **George Cohen**, full back. Local boy who made his way up from Fulham's ground staff and has now gained representative honours. Had a fine schoolboy record at right half, and since October, 1957, has only been out of the side through injury. Stands 5 ft. 9 in., weights 12 st. 4 lb.

**Jim Langley**, full back. Signed from Brighton in the latter half of 1956-57 season and has played for England, England "B," Football League and London F.A. Born in Kilburn, London, and scores goals from full back position besides penalty spot. Stands 5 ft. 9½ ins., weights 12 st.

**Alan Mullery**, half back. Fine record as a schoolboy at Notting Hill, London, and joined the ground staff from school. In two years made a first team place his own when given his chance in February, 1959. Stands 5 ft. 9 ins., scales 11 st. 10 lb.

**Roy Bentley**, half back. Signed from Chelsea in 1956-57, and 12 times an England international forward. Converted by Fulham to wing half then centre half. Played for both Bristol clubs before going to Newcastle, from whom Chelsea signed him in 1948. Stands 5 ft. 11 ins., scales 11 st. 10 lb. Native of Bristol.

**Eddie Lowe**, wing half. Played in every half back position besides inside forward since joining Fulham from Aston Villa in 1950. An England international who was born at Halesowen, Worcestershire. Stands 6 ft. 1 in., scales 12 st. 6 lb.

**Robin Lawler**, wing half or full back. Born in Dublin, came to Fulham as left half in 1948. Converted to left back in an emergency and then played for Eire on a number of occasions in that position. Has also played right back with success. Stands 5 ft. 10 ins., weight 11 st. 4 lb.

**Joe Stapleton**, half back. Born in St. Marylebone, London, and played in top class amateur football before turning professional for Fulham in September, 1952. Played everywhere in the half back line, but is best at centre half. Stands 5 ft. 11 ins., weight 12 st. 10 lb.

**Graham Leggat**, outside right. Scottish international, signed from Aberdeen in summer of 1958. Was Fulham's second highest scorer in

1958-59. Played for Aberdeen while still at school, and had an outstanding record in Scottish schools and juvenile football. Stands 5 ft. 8 ins., weight 11 st. 2 lb.

**Jimmy Hill**, inside right. Played for England "B" and other representative teams. Joined Fulham as wing half from Reading in March, 1952, and was converted to inside forward three seasons ago.

**Alf Stokes**, inside forward. An England "B" player who signed from Tottenham Hotspur in July, 1959. Has also played for England Under-23. Native of Hackney, London, stands 6 ft., weighs 12 st. 4 lb.

**Maurice Cook**, centre forward. Signed from Watford in 1957-58, after playing in every position for them, including goal in an emergency. Did well as a schoolboy, once scoring 60 goals in a season. Stands 6 ft., scales 12 st. 2 lb.

**Johnny Haynes**, inside left. An Edmonton, London, boy who came up from the ground staff to captain Fulham at 21. Has gained every England international honour from schoolboy upwards, and has scored more goals against Russia than any other Englishman. Club's leading scorer last season with 26. Stands 5 ft. 9 ins., weighs 11 st. 8 lb.

**Trevor Chamberlain**, outside left. Joined Fulham straight from his London school after playing for England schoolboys and England youths. Is a deadly shot. Stands 5 ft. 7½ ins., weighs 12 st. 3 lb.

**Reg. Stratton**, outside left. England amateur international who was in the Woking side which won the F.A. Amateur Cup in 1958. Signed professional forms for Fulham in July, 1959. Stands 5 ft. 11 ins., weighs 11 st.

**Tony Barton**, forward. Came to Fulham from school at Sutton, Surrey, and plays in all forward positions. Stands 5 ft. 7 ins., weighs 11 st.

**John Key**, winger. Born at Chelsea, joined Fulham ground staff and graduated to the League side last season. A player of whom a lot is expected. Stands 5 ft. 7 ins., weighs 10 st. 12 lb.

This is the third year of this Competition, which is proving quite successful. We won the Cup in its first season. Although we have begun this season very badly we shall do our best to try and win this Floodlight Cup again for there is honour in doing so. We hope to see an interesting and exciting match, with the spoils going to the most deserving side.

On Saturday next, when we have Burnley as our opponents in a League 1 fixture, we shall be having the Butlins' Young Ladies giving another of their displays before the kick-off. In their two previous visits they have proved very entertaining, and so we hope for fine weather on Saturday to enable these young ladies, who give their services entirely voluntarily, nice conditions under which to perform. They will begin about 2.15 p.m. Kick-off will be at 2.45 p.m.

Also on Saturday, we shall have the honour of receiving, at Kenilworth Road, a very distinguished guest, Herr E. Liesegang, the Mayor of Spandau (Berlin), who will be accompanied by the Mayor of Luton. Earlier in the year a party of Youth from Luton visited various Friendship Towns in Europe, Spandau being one of them. Our young people were made so welcome that the Mayor and Corporation of Luton are very glad to have the opportunity of receiving the Mayor of Spandau to try and reciprocate in some way for the splendid way they received our young people. We are very glad to have the opportunity of helping the Mayor and Corporation in their task, trusting that when Herr Liesegang returns to Berlin he will have very pleasant memories of his first, and, we hope, not his last visit to Luton in Bedfordshire.
