HONOURS EVEN.

Two points from our Christmas matches were as many as even the most optimistic supporter could have hoped for, especially against Tottenham Hotspur, the League leaders, but even so not for them to come in the way in which they did. The reserves too continued to produce their improved form, even though only one point was gained from their two meetings with Derby County. Whilst the two junior teams continued in their winning vein.

All in all, it was quite a good Christmas, even for the players, who for a change had Christmas Day at home with their families and friends.

Saturday's encounter with Spurs showed us that they are in no false position at the head of the League table. They were a team without a weakness and probably the best we have come up against this season, they always appeared to have something in

WHATEVER THE TOAST

... it should be drunk in wine worthy of the occasion. MALLORIE'S, wine merchants to the gentry of the county of York since the reign of George III, have a fine selection of vintage sherries, claret ports, burgundies, champagne and cigars to grace every occasion.

hand, and hard though our boys tried, especially in the second half when they had much more of the play, they were well held by, on that display, their masters.

So who would have given us any chance at all of even getting one point in the return match at White Hart Lane? None in their senses. But once again, as they have so often done on away grounds this season, the players rose to the occasion and pulled off their best win of the season so far.

It was magnificent, the defence had their work cut out in holding the star-studded forward line, and this they did well, whilst our forwards played their part not only in attack but also in helping the defence. The four goals they scored came as a result of fine attacking moves being put to good account.

CASUALTY CORNER.

Don Revie's strained back has improved considerably and it is expected he will be fit enough to have a game to-day.

Jack Overfield's injured knee is mending slowly but he is not yet ready to start training.

Gerald Francis received a knee injury last Saturday against the Spurs and will be out of action for at least another week.

Another casualty last Saturday was John Hawksby. He got a knock on the thigh at Derby which kept him out of the return game with them on the Monday, but it is hoped he will be fit enough to turn out to-day.

HOLIDAY GAMES.

The Yuletide games brought mixed fortunes, the first team, after losing yet again at home, taking sweet revenge with a great win in the return fixture with the Spurs. John McCole, our centre forward, celebrated in great style, netting four goals in the two games, which is a rarity this season against the Spurs team.

The reserve eleven had two hard matches with Derby County Reserves losing at the Baseball Ground by the odd goal of three, and by a goal that was palpably offside, and in the return game the Rams reserves included five players from the team that played at Scunthorpe on Boxing Day. In this match the visitors levelled the score thirty seconds from time up. John Kilford scored the

represented England on several occasions, including their matches versus Denmark in Copenhagen, Ireland and Spain. Played for the Football League versus the League of Ireland on two occasions and also for the England 'B' team versus the Yugoslavia 'B'. Was a member of the F.A. Touring team to South America last close season.

S. DUNNE (Right back). Born in Limerick, Eire. Went to Luton from Shelbourne F.C. in May, 1950. Has played for his country on numerous occasions and recently took part in their international versus Poland.

A. DANIEL (Left back). A part-time professional player who recently went into the first team when Ken Hawkes had influenza. Son of Melville Daniel, who gave the Town fine service in a variety of positions immediately after the war. Before moving to Luton with his family, he was playing for Bexley Heath and then became a regular member of the Bedfordshire Youth team.

J. GROVES ((Right half). Son of Arthur Groves, the old Derby County inside forward. Won Derbyshire Schoolboy honours and signed by Luton when only 15. Plays either inside forward or wing half. Has captained the side since Syd Owen's retirement.

T. KELLY (Centre half). Born in Luton. Kelly played for Hitchen Town and Vauxhall Motors before joining the Town in 1950. Was a deputy to Syd Owen for many seasons. A very strong player who holds his own against most centre forwards.

D. PACEY (Left half). First signed for the club in August, 1956, whilst doing his National Service. Since his demob he has made exceptional progress and received his first honour when selected to play for the F.A. versus the R.A.F. in October, 1958. He has been a regular member of the first team for some time, although has missed several games this season through injury. Was a member of the England 'under 23' team which travelled to Italy in the last close season.

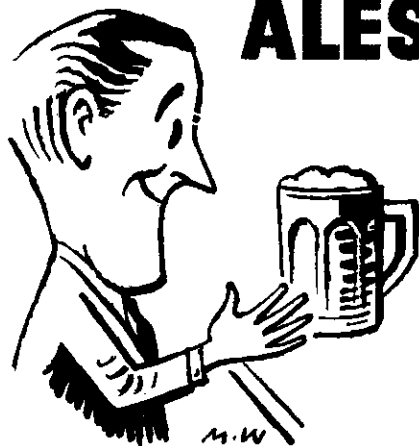

W. BINGHAM (Outside right). Luton paid their highest ever fee for this player from Sunderland during the close season of 1958. Is a shining light of his country's forward line and has played in every international match for his country (Ireland) since he was first chosen in 1952.

G. TURNER (Inside right). Joined Luton as a wing half upon his demobilisation from the navy in 1950, but found his true position at inside right. In season 1953-54 he broke the club's individual goal scoring record since their promotion to the Second Division with 37 goals. Represented the English League versus the Scottish League in October, 1955, and also played for the F.A. XI versus the Army in 1958.

A. D. BROWN (Centre forward). A Scottish international, secured from Blackpool for a five-figure fee in February, 1957. Has been extremely unlucky with injuries, missing two Cup Finals whilst with Blackpool and a further Cap against England in April, 1958. Joined Luton as a forward, but has recently been playing at right half with success. This is the position in which he started his playing career.

G. CUMMINS (Inside left). An Irishman born in Dublin. Cummins first crossed to sign for Everton in 1950, and it was from the Merseyside club that Luton secured him for a big fee in 1953. A brilliant ball player. He has already played for Eire on many occasions, including their matches with Luxemburg, Norway, Yugoslavia, Spain, Denmark, Poland and Czechoslovakia.

A. GREGORY (Outside left). A local product who played for Bedfordshire's Youth team, earned Youth caps for England, and was also a member of Bedfordshire's team in the Southern Counties Amateur Championships. Has made many appearances in the First team and was also playing at outside left in the Cup Final team. Now doing his National Service. Has also played centre forward on quite a number of occasions.
