### CLUB NOTES

 WELCOME all you here this evening to the opening of another football season, a season which will require great effort on everybody's part connected with the Club not only to hold our own but to do much better and try to regain our position in the First Division at the first attempt. The way our lads played last Saturday at Huddersfield, playing at times lovely and entertaining football, against a team which also played good football, it seemed hard to realize that we are not still in the top section. Not many teams we feel will obtain any reward for their visits to the Leeds Road ground this season, and that we did bring away a point, which could easily have been two, has given us all great confidence that our hopes will materialize. Our new Manager, Mr. Sam Bartram, whom we welcome most warmly, was very pleased indeed with the way his team set about their task and the classic football they produced. Mr. Bartram has not had long enough to assess every player's potential, but he is pleased with what he has seen, and feels he has some very good material to work on. He could not have wished for a better start than for the First team to pick up a point away, the Reserves to win their first match, and the third team to bring a point away from Eastbourne who fielded a much older and experienced side than the youngsters we played.

The team which did duty for the Reserves was — L. Bennett; McNally, Hawkes; McGuffie, Kelly, Collins; Noake, McCann, Dixon, Cummins and Tracey. L. Bennett was a young goalkeeper on a month's trial from Ireland but who has decided to return home.

The Metropolitan League side was comprised of O'Hara; Raffell, King; J. Hagert, Underwood, A. Clarke; R. Chandler, McCreadie, Andrews, B. Lesnick and Legate. We seem to have found a very promising young goalkeeper in Mike O'Hara, only 16 years old who showed quite a lot of confidence and all-round ability in this match for one so young. With a little more experience we could be seeing this lad in the second string before many weeks have passed.

During the Close Season we signed six players on to our professional staff, their names being — Stewart Imlach, a very experienced winger from Nottingham Forest whom we remember most vividly for the game he played against us at Wembley last year for his play resulted in the two goals being scored against us; Leslie Spencer from Rochdale, who interested us for his clever ball play and his ability to play in any forward position with the possible exception of centre forward; Ted King, from Wishaw Juniors, recommended by our old player Dave Hutchinson as a lad with a fine football brain and good control; Leslie Ker, former Schoolboy International Goalkeeper, not 16 until November and who has already shown good promise in the practise matches — our first professional Apprentice; Mike O'Hara, already mentioned; and Albert Cronin, a youngster living in Boreham Wood who wrote asking for a trial. He impressed immediately as an inside forward and so no time was lost in getting him to sign on the dotted line. We still have four players in the Services — Mike Dixon, Alwyn McGuffie, Mel Jenkins and Roland Legate.

McGuffie however is due for demob at the end of this month. Keith Underwood is now demobbed, and is on the full time staff. Up to now he has been a part time player, and we are hoping that with the extra training he is now receiving that the promise he showed as a Junior will be fulfilled. This short resumé of close season activities would not be complete without mentioning the name of Wally Fielding who left the managerial post at Southport to become our Assistant Trainer. We remember his many sterling displays for Everton for he was with them for nearly fifteen years, and particularly when he played at Kenilworth Road for he always seemed to play well here. He always felt that Kenilworth Road was one of his lucky grounds — we hope the feeling remains and that he will have many happy years with us.

We now have 38 professional players on the books, as follows — G. Andrews, R. Bayham, W. Bingham, A. Brown, M. Collins, G. Cummins, A. Collier, A. Cronin, S. Dunne, A. Daniel, M. Dixon, R. Folwell, J. Groves, K. Hawkes, S. Imlach, M. Jenkins, T. Kelly, L. Ker, G. King, E. King, J. Kilgannon, R. Legate, M. Lownds, R. Morton, J. McBride, A. McCann, W. McCreadie, J. McNally, D. Noake, J. O'Hara, D. Pacey, L. Spencer, W. Raffell, G. Turner, M. Tracey, K. Underwood and J. Warner.

Rather belated but none the less sincere we give a welcome to our opponents for this evening's match, the lads from Portsmouth. Relegated at the end of the 1958/59 season they found their return to the Second Division, which they last occupied in Season 1926/27, rather a nerve-wracking one for they escaped further relegation last season by the barest of margins, finishing in third place from the bottom of the Table. They began the season last Saturday with a very nice home win over Lincoln City by three clear goals. If they return home tonight with any spoils they will we feel justifiably have reason to think their lean patch of the last two seasons is behind them.

The Football Association have asked us to state that the "F.A. News" is now issued twelve times a year, the annual subscription being 15/-. It is a very concise and up-to-date magazine from Headquarters expressing among many matters the latest views on topics of interest, articles by many writers from many countries, containing very good photographs, and is a source of general current information. In addition the F.A. also issue the "F.A. Diary" price 4/- post free, again containing items of many matters including the date of every Football League fixture, many useful addresses, etc. and is very handy for the pocket, only 3" x 4".

Next Saturday we have the pleasure of a visit by the lads from the North East — the Team of all the Talents, a remark made about them by a high official who saw them playing in their hey days just before the turn of the century. Like our opponents of this evening Sunderland have fallen upon dark days recently, but they have made a good start this season in that they won their first match at Roker Park by beating Swansea Town 2-1, and last Monday drew at Stoke 1-1. They can be assured of a great welcome when they come on to the field here next Saturday.

Saturday is also Royal National Lifeboat Day and we hope you will all make a nice contribution to this worthy cause, as collectors will be on duty as you approach the Ground for the match.
