CLUB NOTES . . . by W. H. C. LANE

GOOD AFTERNOON ALL,

We welcome Luton Town this afternoon and it is interesting to note that it was as far back as 1936 that they paid their last visit to Goldstone. Since then, they have sampled mixed fortunes and, unfortunately, last season they were relegated to the 2nd Division. At the present time they, like ourselves, hover around the foot of the table and this afternoon's encounter is another "Four Pointer" as at Swansea last week. A good match is expected and we hope the better side wins.

We give a welcome to Tony Nicholas, our new signing from Chelsea, and I know you will give him a renowned Goldstone reception this afternoon. Signed late on Friday evening, he travelled to Swansea early Saturday morning to meet the boys, and as you know he played a great part in our first away victory, although he was not among the goalscorers. "Good luck, Tony, and a happy and long stay with the Albion".

Injuries

Alan Brown has recovered from an injury he received at Bristol City and is having a run with the Met. side today.

Denis Foreman was expected to be fit to resume activities this afternoon but unfortunately after a try out he was unfit.

Charlie Holcombe is making continued progress and it is hoped he may commence training in a fortnight's time.

Adrian Thorne twisted an ankle in the match with Swansea and appeared to be out of today's match. However, at the time these notes go to the press there is a possibility of him being fit for this afternoon's match.

Tony Nicholas also appeared doubtful during the early part of this week owing to an injured thigh muscle. He has responded to treatment and will be leading the forwards.

Football League match v Swansea Town. Saturday, 5th November, 1960

A great win at Swansea took us off the cushion at the foot of the table, and when one analyses the position in the League table it would be possible if we had a run of two or three wins to find ourselves well clear of the bottom. There are only ten points separating Ipswich who are second, to Lincoln who are bottom, and the individual points run in consecutive numbers from 11 to 21. Although on the receiving end during the first ten minutes and during the last quarter of an hour, the lads played with great enthusiasm and spirit which won them the match, but one most important factor which may have cost us a point was that we were prone to fall back on defence too many times when we were in the lead: attack is always the best means of defence.

Albion team: BAKER, McNICOL, LITTLE, BERTOLINI, JENNINGS, BURTENSHAW, TIDDY, MCNEILL, NICHOLAS, THORNE, JONES. Goalscorers: BERTOLINI (2), THORNE.

Met. League match at Oxford. Saturday, 5th November, 1960

Against an all-professional side at Headington our Met. side took a thrashing to the tune of 8-0. At half-time we were two down and it appeared that we might snatch a point, but the more experienced Oxford side took command and netted six more goals. Although failing to score, our forwards were not goal shy and a number of shots by them deserved to score.

Albion team: K. CARTER, R. RALFE, CULL; A. HALL, SIBLEY, UPTON; D. HANNAM, BRAYNE, LAVERICK, LAWRENCE, T. TIDDY.

Albion Juniors v Lancing "A" Saturday, 5th November, 1960

Keeping up their winning sequence the Juniors beat Lancing "A" 6-0 and so go to the top of the League. The match was played in heavy conditions and it is to the credit of the youngsters that they did not tire. Albion team: R. HOLICK; D. ROUND, D. DABES; M. HARRIS, I. BOOTH, A. KINGSBURY; D. HOBBS, S. BARRY, R. WEDGE, C. WOOD, R. SEAL. H.T. score 2-1; F.T. 6-2. Goalscorers: R. WEDGE (5), R. SEAL.

SUPPORTERS' CLUB NOTES

GOOD AFTERNOON, EVERYONE,

Today we extend a hearty welcome to Luton Town and their supporters. After last week's promising performance at Swansea, we look forward to seeing an exciting match here today, so let us show our lads some real loyal support. Let's hear that old "Goldstone Roar" echo again and again throughout the afternoon.

May we take this opportunity on behalf of the members of this supporters' club, to welcome our new boy, Tony Nicholas, into the Albion fold? We hope he and his wife will be very happy here with us, and look forward to seeing them both at any of our social functions.

The total membership of our Football Competition is still increasing steadily, and over £300 is given away in prize money each week. If you would like full details of how to join this scheme, contact the Competition Secretary, Mr. W. Allfrey of 58 Loder Road, Brighton, or the Club Office, 8 St. George's Place, Brighton, phone 21821, where the officer on duty will be only too pleased to help you.

That's about all for now, except to wish the lads "Good Luck" here today, and to remind you fans to give some real vocal encouragement.

SECRETARY, 8 St. George's Place, Brighton.
