FROM THE BOARDROOM

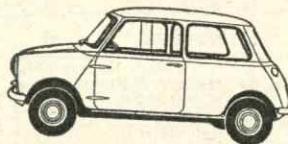

SOME OF our very loyal supporters made the long journey to Sheffield last Saturday to see the match against the United on their famous Bramall Lane ground. This was a very important match for Sheffield United and although they won by 2-1 I think the supporters who were present would agree it was a good game. The Saints were trying hard for the whole of the ninety minutes, the defence played well with Cliff Huxford probably having his best game since he was badly injured in the match at Derby last September. Wesley Maughan scored a good goal and Terry Paine very narrowly missed with a shot taken at the end of a spectacular run when he beat three defenders in quick succession.

After the match at Sheffield the Saints party travelled on to Seaburn, which is a very pleasant suburb of Sunderland who we played on Monday evening. This was the Saints first visit to Roker Park for a league match, and after the much improved performance at Sheffield we were expecting to come away with some of the spoils. We were beaten 3-1 but the Sunderland Chairman told me after the game that a 2-2 draw would have been a much fairer result and I don't think many people would have disagreed with him. Sunderland were a very attractive young side with an average age of only twenty-one. They played with great enthusiasm and plenty of skill, and the Saints accepted the challenge in great style. The Sunderland goal had at least four amazing escapes and for the whole of the match the Saints played their part in one of the best games I have seen for some time. Harry Penk was brought into the team in place of John Sydenham and with Brian Clifton formed a very effective left wing which gave our forward line the balance which we have missed in recent games. Clifton scored our only goal with a well-taken shot and with the slightest luck could have had two more in the net. Paine, O'Brien and Maughan each had very narrow misses. The referee for this game was the well known Arthur Ellis who has refereed in seventy-four international matches all over the world. What a difference a good referee can make to a game! Ron Reynolds said afterwards that it was a pity we couldn't have him for every game!

It was a happy coincidence that we had Director George Reader with us for he was able to meet Arthur Ellis for the first since the World Cup Final in Rio de Janerio in 1950, when Mr. Reader was the referee and his two linesmen were Arthur Ellis and Reg Leafe. Mr. Ellis was extremely complimentary about Mr. Reader's refereeing on that occasion, with a world record crowd of 200,000 present in the huge Brazilian stadium.

We were also able to renew acquaintances with three ex-Saints players—George Curtis who is of course trainer-coach at Sunderland, Bill Rochford who is now farming in the district and Jimmy Shields who is now playing for South Shields.

TEAM MANAGER'S NOTES

OUR JOURNEY north was a pointless one we could not stop Sheffield United's progress to the First Division. Of all the sides we have played in the league, I would say they are worthy promotion winners. We congratulate them on their success this season.

At Sunderland we had a return to something like the form we are capable of, and deserved a better fate than our 3-1 defeat on the football we played, Brian Clifton and George O'Brien being unlucky in hitting the woodwork in this very entertaining game, but at the moment, we are just not getting the run of the ball which can help so much, but we did leave a very healthy respect for our football behind with the Sunderland Supporters.

Our 3-0 defeat of West Ham Reserves on Wednesday evening, has put us in a safe position in the Combination table. One of the highlights of this game was the Home encouraging debut of 17 year old Right back, Ted Read, another of our probationary Professional.

I am sure no one expected us to have it all our own way in the first season of our return to the Second Division, but I am equally sure we agreeably surprised most supporters when our football, up until our recent lean time had held us in the very top region of the table. We have been unable this season to maintain our previous season's consistency in the higher standard of football we are now in. Away from Home we have had some creditable performances, but unfortunately, it is at home that we have suffered our biggest setbacks.

We now look ahead to next season aware of the problems confronting us in our desire to get into the top grade of football. We shall do our utmost to strengthen our playing sources for the coming season. We cannot win all the time—football is always a game of "ifs" and "buts", but I hope Supporters feel that except for the occasional game, which always catches up with you, they have had football entertainment to appease their appetites, and which we in this game must always dedicate ourselves to try and provide.

SUPPORTERS' CLUB NOTES

WHAT CAN we say? I am afraid we have seen a dismal end, so far to this season's football, but, we hope to see a good game to-day against our old friends, Luton Town.

Quite a number of us went to Wembley last Saturday, and we were treated to an epic making spectacle, on a glorious day.

Some of our "Hard core" supporters however, travelled to Sheffield. They were entertained very liberally by the Sheffield Supporter's and even though we lost, a good time was had by all.

SPOTLIGHT

The Directors, Staff and Players take this opportunity to thank all Spectators for their support during the season.

The team has given of its best and the fact that they have lost their winning form recently is as great a disappointment to them as to the Supporters, but let us take the Season as a whole and we can feel satisfied with our first year in the 2nd Division.

It is our aim to bring 1st Division football to the Dell and by Directors, Staff, Players and Supporters playing their part, this objective can be achieved.
