DERBY'S NEW PLAYERS

We welcome to the Baseball Ground Des Palmer and Don Roby and wish them a successful and happy season.

DES PALMER

DON ROBY

DES PALMER, inside-forward, signed in June. He returned to this country after a successful season in South African football in which he played to test a leg injury that at one time threatened to end his career. In the 1956-7 season he scored 30 goals for Swansea and gained International honours. Transferred to Liverpool, bad luck and injuries ended with Liverpool giving him a free transfer.

DON ROBY, right-winger, transferred from Notts County for a substantial fee. He is a player of repute having good ball control and the ability to beat his man on either side.

He joined Notts Staff as an amateur in 1949 and made 233 first team appearances, scoring 33 goals.

Our Visitors

ON this the first home match for the 1961-62 season, we extend a sincere welcome to our visitors, Luton Town, and trust that our friends from the Home Counties will enjoy a clean and hotly contested game this evening.

Looking back, we find that since reaching the final of the F.A. Cup in 1958-59, the fortunes of our visitors have been somewhat on the decline, for they were subsequently relegated from Division I just one season later. Now under the shrewd management of Sam Bartram we can expect a fight back to regain their former status. Again in retrospect, we find that records for both the 'Rams' and the 'Hatters' for the 1960-61 season bear a close comparison, the 'Rams' being placed 12th with 40 points, and the 'Hatters' in 13th position with 39 points. From this, one may deduce a close contest.

R. BAYNHAM, goalkeeper. Has been with Luton Town since 1951. Secured from Southern League Club, Worcester City. Has represented England on several occasions. Played for the Football League versus the League of Ireland on two occasions and also for the England 'B' Team versus the Yugoslavia 'B'. Was a member of the F.A. Touring Party to South America.

B. McNALLY, full-back. Can occupy either full-back position. Came from the League of Ireland Club, Shelbourne and has been with Luton since May, 1956. Played for Eire 'B' versus Rumania in Dublin in 1957 and also for Eire versus Czechoslovakia.

J. BRAMWELL, full-back. One of the two players who joined Luton from Everton when Billy Bingham, the Irish International, was transferred to that Club during the middle of last October. Is a very capable player and we are very surprised he has not been considered for International honours.

R. MORTON, wing-half or centre-forward. Local born and has been with the Club since 1948. Played for England 'B' versus Switzerland 'B' team, the Football Combination versus the Dutch XI (on two

occasions) and also for the Football Association versus the Army. Was chosen as Reserve for England at Wembley in 1955 and again when they played Ireland in 1958. Usually a wing-half, but has made numerous appearances at centre-forward.

R. COPE, centre-half. Signed from Manchester United just before the opening of the season. Has spent all his footballing career with Manchester United, signing as an amateur with them in 1950, turning professional in 1951. Was an England Schoolboy International. Has made 150 appearances for Manchester United in the First Team.

J. GROVES, wing-half or inside-forward. Won Derbyshire Schoolboy honours and was signed by Luton when only 15. Uses his height to great advantage and is a most accurate distributor of the ball.

H. WALDEN, outside-right. Joined Luton from Kettering last January and stepped straight into the first team at Norwich. An elbow injury prevented him from playing in the final weeks of last season, but he is now fully fit.

G. TURNER, centre- or inside-forward. Came to Luton as a wing-half upon his demob from the Navy but found his true position in the forward line. Represented the English League versus the Scottish League in 1955 and also played for the F.A. XI versus the Army in 1958. The Town's leading goalscorer for seven seasons out of the last eight. Has a tremendous shot.

J. LORNIE, centre-forward. An Aberdonian, he arrived here from Leicester City whom he joined in 1958 as an inside-forward. Was converted to centre-forward in which position he played several times in the City First Team.

A. ASHWORTH, inside-forward. The player, who, with Bramwell, joined Luton when Bingham was transferred to Everton. A very progressive player always looking for the ball.

J. FLEMING, outside-left. Came to Luton from Partick Thistle when we transferred Joe McBride, in November, 1960. Is a very capable player with a tremendous shot and good turn of speed.

SPECTATORS ENTERING THE FIELD OF PLAY— DURING THE COURSE OF A MATCH

The Management Committee of the Football League were very much concerned towards the end of last season by the number of reports from officials regarding spectators entering the field of play during the course of a match, and the Club would wish to draw the attention of supporters to the serious repercussions which could follow if the traditional high standard of behaviour of the British football supporter is allowed to deteriorate.

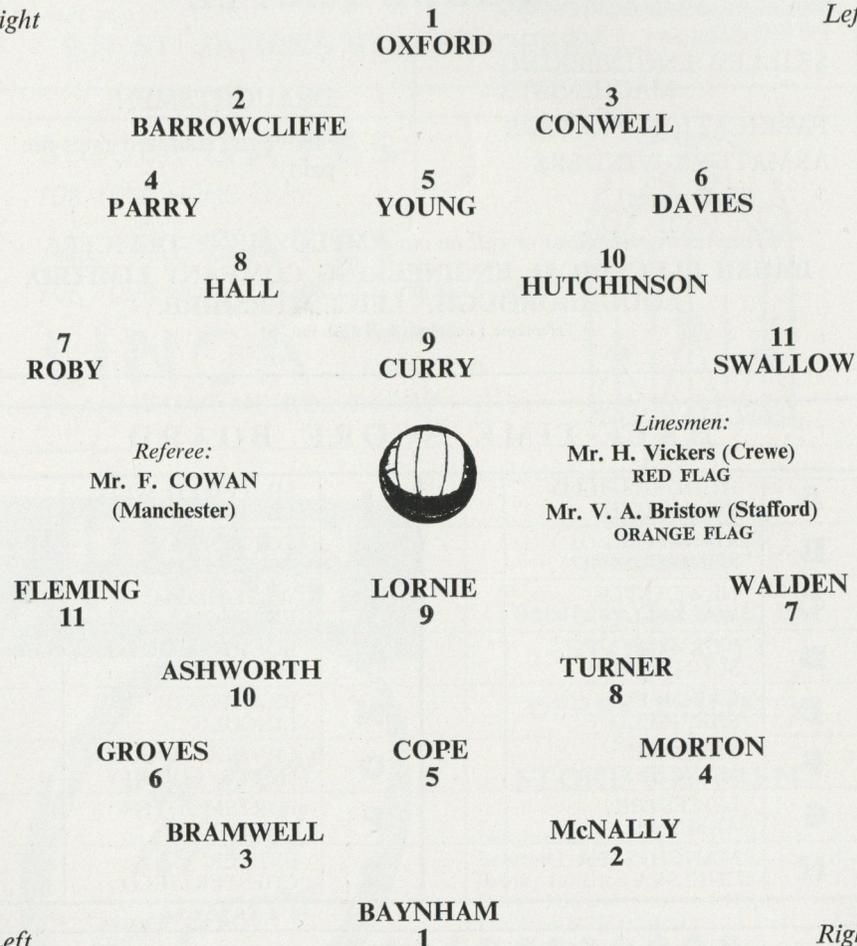

It is not a good thing for the game, nor for the Club, if, as a result of the action of a few over-enthusiastic spectators, the Football Association is compelled to close the ground and it is hoped that the sporting public will co-operate to ensure that the Club's 100 per cent. record of good behaviour continues.
