Club Notes

WHAT a grand shot in the arm our visitors to-day Stoke City in particular and the Second Division in general have received since Stoke's commendable action in obtaining the signature of the one and only Stanley Matthews. While undoubtedly still an attraction whenever he played for Blackpool it was nothing like the enthusiasm which has been displayed at the Stoke ground or on opponents' grounds when the maestro has played since leaving the Seasiders. We never thought we would see him in action again at Kenilworth Road but all being well we shall see him to-day and thus many more will be seeing this match who would not otherwise have been here. We hope you all enjoy the afternoon's sport and that it will re-create some if not all the enthusiasm which has been enjoyed in the past at Kenilworth Road. Whenever the name of Stanley Matthews is mentioned we who saw it immediately think of that day in September 1956 when we played Blackpool at Bloomfield Road in a League 1 fixture. Bud Aherne was our left back but Stan that day was absolutely irrepressible. Stan has played many many brilliant games in his long career but never one more brilliant than on that occasion. Thank you Stoke City for giving us the opportunity of seeing this great player in action again. With Jackie Mudie as his Inside Forward who knows just the kind of ball Stan likes we should see some great football here to-day.

Stoke City, one of the original members of the Football League when it was formed in 1888 is the second

oldest Club in the League, having been Founded in 1863, only one year after Notts. County. Despite their long career they have never won either of the major honours of being League Champions or winning the F.A. Cup. They were League 2 Champions in 1932/33, Runners-up in 1921/22 and Division 3 (North) Champions in 1926/27, but the highest position in the Senior League was fourth in 1935/36 and again in 1946/47. This season so far they have not won a match on their opponent's ground but have picked up a point each at Charlton and Scunthorpe. Their position in the League 2 Table at present does not look well, but with only nine points difference between second from bottom and second from top, two consecutive wins for instance could make a big difference to any one of the twenty Clubs between these two positions.

We came back from Liverpool last Saturday with another point in the bag, our first draw of the season in seventeen matches. Without doubt Liverpool had the majority of the play which was not surprising considering all the circumstances. To be a goal down after only six minutes' play against the leaders before their own crowd would have dismayed most teams into merely trying to keep the score down but our lads continued to play their own normal game causing White, the Liverpool right back on two occasions to kick off the goal-line with Slater beaten, so that it was not all one way traffic as some of the Press reports would have us believe.

An account of this match this afternoon will be broadcast in Sports Session on the B.B.C. Home Service tonight at 6.15 p.m.

NOTES — continued

Our Jack Pot Scheme is proceeding nicely but we can do with quite a few more Sellers, especially in the villages and outlying districts. Please call on Mr. Jock Robertson the Promoter at his Office 68 Kenilworth Road after the match or any time those of you who wish to help the Club in this way. So far our ideas of holding a Jack Pot every Saturday whether for First or Reserve team matches so that there would be nice prizes every Saturday have not turned out as well as hoped. We had visualised that everybody who bought a Ticket for a First Team match would also purchase one for a Reserve match, but the response for other than First Team matches is very disappointing.

the reason apparently being that the prizes at a Reserve match are not so good. The point is however that if everyone who purchased a ticket for a First Team match would do likewise for a Reserve match the Prizes would be equally high. We want to avoid as much as possible selling Tickets on the day of the match, and that is why we would like to see more Sellers come along to sell their tickets to their friends and workmates during the week. A nice commission is paid for tickets sold, and the Sellers as well as the purchasers of the tickets can feel they are helping to bring nearer the day when our New Stadium is a fact and not just a hope.
