SECRETARY-MANAGER'S NOTES

Today I extend a warm welcome to Luton Town's players, officials and supporters for the F.A. Cup third round tie. We have an old score to settle with the Hatters not only for last season's Second Division "double" which they inflicted upon us, but also for the 5-2 fifth round Cup defeat at Portman Road in 1959. In that year Luton were a First Division club and actually reached Wembley only to be defeated by Nottingham Forest in the final. We were then in the Second Division having defeated Huddersfield Town at home and Stoke City away in the third and fourth rounds. This season the tables are turned with Luton in the Second Division, but I anticipate a tough match and know that we will have to be at our best to win. In the past we have been written off by the critics as being "not a Cup fighting side". I hope that we will be able to squash that argument once and for all with a successful run in the competition this season.

We collected two points from our Christmas matches, losing against Manchester City at Maine Road and beating Leicester City by a single Ray Crawford goal at Portman Road on Boxing Day. Our trip to Manchester was disappointing in that we failed to adapt our play to the bone-hard conditions and City duly completed a League double by three clear goals. The match with Leicester, which promised to have been a tremendous game was also rather spoilt by the conditions.

The return game at Filbert Street last Saturday was one of 42 English and Scottish League matches called off because of the weather. We had reached London when we received the message that the referee considered the snow-bound pitch unfit for play. Most of the players returned home and I took the chance to watch the Border League side beat Brantham 2-1 at Westerfield. Our Combination match with Leicester was called off on the Friday afternoon because the pitch here was almost flooded.

It is with deep sorrow that I record the passing of Mrs. Mills who has been responsible for the catering in the Boardroom for many years. She has been a wonderful servant to the Club, one of the staunchest supporters, and she will be very much missed.

ALF RAMSEY.
