Club Notes

WE extend a warm welcome to Charlton Athletic on their visit to Kenilworth Road this afternoon in a League 2 fixture. The lads from the Valley have found the going very hard this season and very disappointing for they have been in bottom place of the Division almost the whole season and still occupy that position to-day. They have however closed the gap to only one point from those Clubs occupying second and third places from the bottom but is noticed that Charlton have three games in hand on Bristol Rovers next to bottom and a game in hand on Middlesbro' in third place so that if the recent improvement in our opponents of to-day continues they should soon be handing over the wooden spoon. Their successes to date in the F.A. Cup have certainly helped to build moral and they will we feel be a much harder nut to crack to-day than when we met them at the Valley last September when we won by an only goal. Charlton's successes in the F.A. Cup have against Scunthorpe United in the Third Round by one goal to nil and against Derby County in the Fourth Round when the score was two goals to one. Charlton had the advantage of playing at home for both Ties and if they can at least hold their own in the Fifth Round when they have to visit Villa Park, then they will have just cause for believing they can look forward to the future with confidence.

Our visit to Southampton last Saturday resulted in the first double being scored against us this season. If the several chances we had had been accepted a different story would have been told but that last effort was always just that much short on top of two miraculous saves by

Reynolds the Saints' goallie which of course had they registered would have almost assured us of a victory which we fully deserved on the run of play. On the three occasions when the goals were scored we had been in possession of the ball and had built up a dangerous position with good midfield play but on each occasion the ball was eventually cleared and in the next few seconds the ball was in our net from long clearances down the field. Freddy Jardine played at Inside Left in an attempt to bring more incisiveness into the forward line following his very good turn-outs in practise matches as well as the splendid game he had at Walsall on Boxing Day in that position when pressed into service due to injuries did not exactly fill the bill although it was not for the want of trying. Tommy McKechnie rested last week is recalled to-day when we hope the short break he has had will have been long enough for him to recover from the many knocks he has suffered lately so that he faces this game to-day 'rarin' to go. Roland Legate now fully recovered from 'flu is recalled, as is also John Groves playing in his first match since he broke an arm at Walsall.

OUR NEW POOLS SCHEME

The Jack Pot we have been running this season has been quite successful up to a point but compared with some of the other Clubs has not come up to scratch. This is in no way a reflection on the Promoter Mr. Jock Robertson who has worked very hard on the project together with his many willing helpers but the Scheme under the Small Lotteries Act does not allow sufficient inducements to make the effort worthwhile. We have therefore decided to register under the Pool Betting Act, 1954, where there are

NOTES — continued

not so many restrictions but unfortunately a 33% Betting Duty is imposed. However we feel that even with such a heavy Duty to bear the Pool can bring in more income and at the same time allow better Prizes to the fortunate members qualifying as well as better Commission to the Agents. Mr. Peter E. Rump has been appointed Promoter of the new Pool who will commence his duties at 62, Kenilworth Road, on Monday, 19th February, the first Draw to take place on the following Saturday, 24th February. A commission of 2/6 in the £ will be paid to Agents together with five per cent of any Prize money won on his or her book. As the Pool grows so will of course the Prizes, and in addition at the

end of each year a new Vauxhall Victor car will be presented to the member whose card shows in the year the highest aggregate of goals on a Saturday. Anyone interested in becoming an Agent please contact Mr. Rump at 62, Kenilworth Road or ring Luton 3151, or write when Mr. Rump will be pleased to call on you if you so wish. To show the possibilities of this new Pool we instance Mansfield Town supporters Club who we would like to record here have been most helpful to us in getting this new Pool started. Mansfield have a Membership of over 90,000 and their First Prize is £800, to be won every week. That is our target. Who is going to help us reach it?
