CLUB NOTES AND NEWS

A WIN from Tuesday's home game against Walsall moves Scunthorpe United into fourth position in the Second Division table, and while it was far from being an outstanding performance from our team, the fact remains that we got two goals to Walsall's one, and that meant more precious points as the big all out and final effort gets under way.

We hope to get more points from today's match against Luton, but it is realised that Luton are a greatly improved team with a good away record, and that it is going to be another hard fight.

Next Saturday is a most important home day for our reserves, for the visitors to the Old Show Ground will be Middlesbrough Reserves in a game that could well have a vital bearing on the destination of the North Regional League championship trophy.

Middlesbrough have been holders of the championship trophy ever since the first season of the competition, but this year our reserves are well in the running, and supporters can look forward to an interesting and evenly contested game. It should produce the biggest

attendance at a reserve match for some years.

We would also remind supporters that the final of the Lincolnshire Senior Challenge cup takes place at the Old Show Ground on Monday, March 19th (6.45 p.m.), when our first team meets Lincoln City.

United have a grand record in this competition, and we look forward with pleasure to meeting the Imps. Unfortunately we have now lost our league games with them, as they were relegated to the third division last season.

The directors of Scunthorpe United continue to plan for the future, and particularly as it concerns the comfort of the Old Show Ground supporters.

They have two projects in mind that it is hoped to make a start on during the close season. They are improved shelter conditions for the patrons at the Northern end of the ground, and the provision of complete tip up seats in the West stand.

Some seats of a tip up nature have already been installed in the West stand, but the plan is to have the complete stand equipped with this type of seating.

OUR VISITORS

Pen pictures of Luton players
are :—

R. Baynham (Goalkeeper)

Has been with Luton Town since 1951. Secured from Southern League club, Worcester City. Has represented England on several occasions. Played for the Football League versus the League of Ireland on two occasions and also for the England "B" Team versus the Yugoslavia "B". Was a member of the F.A. Touring Party to South America.

B. McNally (Full Back)

Can occupy either full back position. Came from the League of Ireland Club, Shelbourne and has been with Luton since May, 1956. Played for Eire "B" versus Rumania in Dublin 1957 and also for Eire versus Czechoslovakia.

J. Bramwell (Full Back)

One of the twoplayers who joined

Luton from Everton when Billy Bingham, the Irish International was transferred to that club during the middle of October. Is a very capable player and we are very surprised he has not been considered for International honours.

J. Groves (Wing Half or Inside Forward)

Won Derbyshire Schoolboy honours and was signed by Luton when only 15. Uses his height to great advantage and is a most accurate distributor of the ball.

R. Cope (Centre Half)

Signed from Manchester United just before the opening of the season. Has spent all his footballing career with Manchester United, signing as an Amateur with them in 1950, turning professional in 1951. Was an England Schoolboy International. Has made 150 ap-

pearances for Manchester United in the First Team.

D. Pacey (Wing Half)

First signed for the Club in 1956. Since his demob. from the Army he has played for the F.A. versus the R.A.F. and was also a member of the England under 23 team against Germany and Italy. Very strong player with a liking for getting among the goalscorers.

R. Legate (Wing Forward)

Local Born. Joined our Ground-staff and was signed professional when 17 years of age. Just recently demobbed from the R.A.F. and was just showing signs of settling down again when the end of the season arrived. Has a very good shot.

A. Ashworth (Inside Forward)

The player who, with Bramwell, joined Luton when Bingham was transferred to Everton. A very progressive player always looking

for the ball.

G. Turner (Centre or Inside For'd)

Came to Luton as a wing half upon his demob. from the Navy but found his true position in the forward line. Represented the English League versus the Scottish League in 1955 and also played for the F.A. XI versus the Army in 1958. The Town's leading goalscorer for seven seasons out of the last eight. Has a tremendous shot.

T. McKechnie (Inside Forward)

Born Glasgow and came here direct from Rob Roy at the end of last season. Has shown excellent promise in trial games and is undoubtedly a player of the future.

H. Walden (Outside Right)

Joined Luton from Kettering last January and stepped straight into the first team at Norwich. An elbow injury prevented him from playing in the final weeks of last season, but he is now fully fit.
