Our Visitors . . .

# Luton Town

We welcome to the Victoria Ground this afternoon Luton Town. We fought out a goalless draw at Luton on 18th November. They are at present occupying 14th place in the League.

A who's who of the visiting players is appended.

**J. Standen** (goal)—Signed from Arsenal last year following a serious head injury to Ron Baynham. Plays County cricket for Worcestershire. When on his game very few goalkeepers are his better.

**B. McNally** (right back) Can occupy either full back position. Came from the League of Ireland Club, Shelbourne and has been with Luton since May, 1956. Played for Eire 'B' versus Rumania in Dublin in 1957 and also for Eire versus Czechoslovakia.

**J. Bramwell** (left back)—One of the two players who joined Luton from Everton when Billy Bingham, the Irish International, was transferred to that Club during the middle of last October. Is a very capable player and we are very surprised he has not been considered for International honours.

**J. Groves** (right half)—Won Derbyshire Schoolboy honours and was signed by Luton when only 15. Uses his height to great advantage and is a most accurate distributor of the ball.

**T. Kelly** (centre half)—Born in Luton. Played for Hitchin Town before joining the Town in 1950. Originally played wing half but was successfully converted into a centre half. A very strong player who holds his own with most centre forwards.

**D. Pacey** (left half)—First signed for the Club in 1956. Since his demob from the Army he has played for the F.A.

versus the R.A.F. and was also a member of the England Under-23 team against Germany and Italy. Very strong player with a liking for getting among the goalscorers.

**R. Morton** (outside right)—Local born and has been with the Club since 1948. Played for England 'B' versus Switzerland 'B' team, the Football Combination versus the Dutch XI (on two occasions) and also for the Football Association versus the Army. Was chosen as Reserve for England at Wembley in 1955 and again when they played Ireland in 1958. Usually a wing half, but has made numerous appearances at Centre Forward.

**G. Turner** (inside right)—Came to Luton as a wing half upon his demob. from the Navy but found his true position in the forward line. Represented the English League versus the Scottish League in 1955 and also played for the F.A. XI versus the Army in 1958. The Town's leading goalscorer for seven seasons out of the last eight. Has a tremendous shot.

**A. Ashworth** (centre forward)—The player who, with Bramwell, joined Luton when Bingham was transferred to Everton. A very progressive player always looking for the ball.

**T. McKechnie** (inside left)—Born Glasgow and came here direct from Rob Roy at the end of last Season. Has shown excellent promise in the trial games and is undoubtedly a player of the future.

**J. Fleming** (outside left)—Came to Luton from Partick Thistle when we transferred Joe McBride, in November, 1960. Is a very capable player with a tremendous shot and good turn of speed.
