### **Club Notes**

"THE Team of all the Talents" comes to Kenilworth Road for this afternoon's League II fixture, and a very warm welcome is extended to them. Lying in fourth place they still have an outside chance of regaining their position in the First Division, but to do this they must win this match today. Although they have a team of outstanding merit, as a perusal of the Pen Portraits will show, is asking a lot to clinch the deal with us to-day for having in previous years been beaten most decisively by such margins as 7-1, 6-2 and 8-2 (although last season holding us to a 3-3 draw) such defeats must be at the back of their minds as they enter the field this afternoon. The stage is therefore all set for a real ding-dong struggle, a situation which we expect has whetted the appetite of many of our lost fans and whom we hope will be with us to see the struggle for themselves. Certainly if the football produced at the Liverpool match a fortnight ago and that in the second half against Walsall last Wednesday evening could be relied upon then we have no doubt many of those fans of the past who have been missing lately would make sure of seeing the team in action whenever they could. When there is a lot of negative football such as when teams adopt a defensive system comprising of four or five Full Backs and three or four Half-Backs football becomes tedious to watch and the fans just will not spend their time watching it. In Sunderland we know we shall be seeing a game played with attack as the main ingredient for as proof of this they are second only to the leaders in the matter of "goals for" column, with an average

of almost two per match. They have however only three 'away' wins to their credit — Bristol Rovers, Middlesbrough and Preston North End, and five draws away from home. If their away record had been better only Bristol, Swansea and Leeds have won fewer matches away) then Sunderland would most certainly be knocking at the door for entry to the First Division next season.

We gathered two points at home to Walsall last Wednesday evening which have lifted us nicely in the Table. The Walsall lads played very well, particularly in the first half, and we were fortunate to reach lemon time with a clean sheet. Two goals by Gordon Turner however in the second half sealed the Midlander's fate and it became a question towards the end whether or not Turner would get his hat trick. Alan Clarke brought in at Outside Right, his debut in the senior side, proved quite a successful move and we shall see him again in that position this afternoon.

Just recently our playing staff has been increased by three new players, all youngsters who have impressed and whom we hope will soon be knocking at the door for first team duty. First was Barry Scott, wing half or inside forward, from Hatfield Town, 18 years old last Thursday, who has already had three games in the reserves side, then Allan Ross, goalkeeper, from the Scottish Club Petershill Juniors who will be twenty years old in May, and Jim Goldie, from the Scottish Club Kilsyth Rangers, also an inside forward much on the Tommy McKechnie lines. We welcome them all to Kenilworth Road, trusting their stay will be as successful as it is happy.

NOTES — **continued**

We have the pleasure of the Bradwell Silver Band to perform for us this afternoon, and welcome them once more to Kenilworth Road. They very much enjoy playing here and it is nice to have the opportunity of inviting them again. It has been brought about by the fact that the Luton Band are competing this afternoon in the London and Southern Counties' Area Championship to qualify for the Finals at the Royal Albert Hall, on 20th October next. We wish them every success in their efforts under their Musical Director Mr. Albert Coupe.

We shall be playing on the Bedford Town Ground, on Thursday, April 26th.

for the Bedfordshire Professional Cup, and at Watford on Monday, April 30th, for the Rigby Taylor Cup. Both matches will be played in the evenings but time of kick-off has not yet been arranged. We trust quite a few of you will make the journey and so help cheer our lads along.

With the First team playing at Leyton Orient on Good Friday, and the Reserves without a match the opportunity has been taken to let our South East Counties team play here. Their opponents will be Bexley Heath, kick-off 3 p.m., when we hope quite a nice crowd will be present to see our youngsters in action.

**PEN PORTRAITS OF OUR VISITORS**

**James Montgomery** (goalkeeper). A young local boy who this season ousted Wakeham from this position. Gained International Caps both as a schoolboy and Youth teams.

**Cecil Irwin** (right back). This is another local boy who after making two appearances last season, has this season been playing very well and made this position his own.

**Len Ashurst** (left back). Has been the regular First team choice at left full back for several seasons. Last season he made 40 appearances in the League and has missed few matches this Season.

**Martin Harvey** (right half). Only gets occasional games owing to the brilliance of Stan Anderson who is today playing for England against Scotland. His outings last season were limited to five in number.

**Charles Hurley** (centre half). 6 ft. 1 in. 14 st. This Eire International was secured from Millwall over three seasons ago for a big fee. Though big and strong, is an outstandingly skilful ball player.

**James McNab** (left half). 5 ft. 9 ins. 11 st. This young Scot has made rapid progress in the last two seasons in the First Team. A real 90 minutes player.

**Harry Hooper** (outside right). 5 ft. 8 ins. 10 st. 10 lbs. Originally a Sunderland amateur, he has eventually found his way back to Sunderland via West Ham, Wolverhampton and Birmingham. Fast, progressive, clever player with a good shot.

**George Herd** (inside right). 5 ft. 8 ins. 11 st. Secured from Clyde at the end of last season for a big fee. Brilliant, fast ball player and a terrific worker. A Scottish International.

**Brian Clough** (centre forward). 5 ft. 9 ins. 11 st. 10 lbs. Bought from neighbours, Middlesbrough for a big fee during the Close Season. Noted for his consistent

scoring season by season. A grand all round player.

**William McPheat** (inside left). He cost only signing-on fee and although playing among big transfer money colleagues, is well within his class, and has made this position his own.

**Jack Overfield** (outside left). 5 ft. 9 ins. 11 st. Joined Sunderland from Leeds last season and did well until injured. A clever, brainy player.

**Pools Club**

We have now just over one hundred Agents in the Pool Club which is increasing steadily. We want to keep on increasing on this number of Agents, so that anyone interested is asked to contact the Promoter, Mr. Peter Rump, at 62, Kenilworth Road or ring Luton 3151. The small Pool has been extended in view of the fact that we are not selling all our 15,000 tickets each week by the introduction of Tickets costing 1/- each bearing one number. Each day, Monday to Friday of each week, a Draw is made in various places of business such as Cafes, Public Houses, Shops where the Proprietor or some other independent person on the premises is invited to draw the lucky number for that day. Each day the lucky number is printed in the "Daily Sketch" and "Evening News" when the holder presenting that ticket will be handed a Prize of £10. In addition the Agent who has sold that ticket will receive £2. Agents are also required for this Pool, the Promoter of which is Mr. Jock Robertson.
