Club Notes

WE WELCOME you all here to-day for the last match of the 1961/62 Season regretting that in the end it has turned out to be rather a disappointing one after the great hopes we had entertained right up to December that the fight was going well and we would be still at the top of the Table when we reached this part of the programme. Alas that month of December proved a most disastrous one for us for after beating Rotherham United here on the first Saturday we did not pick up another League point until the middle of January and then to be eventually knocked out by Ipswich Town in the Third Round of the F.A. Cup, although in our two encounters with them at Portman Road and the Re-play here we more than held our own and in fact should have won on either occasion. We feel that if we had beaten Ipswich at that time our lads would have regained their confidence which after all had got us into third place in the League following our match against Rotherham. Although we beat Swansea Town by no less than 5 goals to one on the Saturday following our Cup defeat it was obvious in our Friendly Match with Falkirk the next Saturday that our edge had gone which has never really been recaptured although in our matches here with Newcastle United and Liverpool, both of which we won by an only goal, hopes were born again of a revival. Further defeats however both at home and away showed that we had not really regained our early season form. And so we come to our final match of this disappointing season unfortunately against a team

which must win if it hopes to survive as members of the Second Division for next season. We would it was not so but of course must accept the position as it stands and play to win. Brighton are already doomed to Third Division football next season, their fellow travellers being Bristol Rovers, Swansea or Leeds United. Leeds are away to Newcastle United to-day, while Swansea's two remaining matches are at home in each case to Sunderland and Liverpool. Swansea won at home against Plymouth last Tuesday by five clear goals which must give their fans every hope of them avoiding the drop. There will be much scanning of the final results to see who is 'staying put' and who is 'going down' following to-day's matches. All the decisions will not be reached to-day however for there are several matches to be played next week affecting the issues but nevertheless a fairly accurate picture of the final positions will be possible at the end of to-day's ninety minutes football. The position regarding promotion and relegation is that in the Third Division the two top teams gain promotion to the Second while the four bottom Clubs replace the four top Clubs of Division Four. Elsewhere the position is two 'Up' and two 'Down.' The four bottom Clubs in Division Four retire but are eligible for re-election at the League's Annual General Meeting in June.

The results of Daily Draw for £10 prize per day, week commencing April 23rd are as follows :—

Monday 9595	Tuesday 7142
Wednesday 7384	Thursday 10494
Friday 7083	Saturday 8626

We have the pleasure of once again receiving the "Butlin Young Ladies" to-day in a Pre-match Display, and welcome them most heartily. Considering that these young ladies give their services entirely free and can only practise in their spare time they give a very polished performance. We hope the weather is kind to them for then they are seen at their best. Give them a welcoming cheer as they come onto the field, and your usual applause at the conclusion of their performance to make them feel the visit to Kenilworth Road has once again been well worth-while.

In conclusion we wish to take this opportunity of thanking all those regular fans of ours who continue to support us through thick and thin. We hope we have now come through the thin time and can look forward with high hopes of great achievements next season. We are sure we have mostly the players with the skill to accomplish those hopes—it is we feel a question of just one perhaps two positions requiring strengthening which would give us a good chance of success. We had the opportunity last Tuesday evening of seeing Jim Goldie in action. He certainly created a good impression which augurs well for the future.
