in the forward line by playing deep. This is not McGuffie's game, however, but such games as the one he had at Ipswich last Saturday will certainly be borne in mind. Tommy McKechnie also had a good match, the first since his injury received in a practice match. It is also pleasing to see Jim Goldie receiving applause from the crowd for his good work. We feel there is a great future for this lad for already in his two games against Southampton and Rotherham he has shown much ability and a liking for hard work.

The Luton Band is not with us this evening as they are having their final

rehearsal for the Festival Concert at Edinburgh next Saturday. We are pleased that they have had the honour of being invited to perform at this concert and have no doubt that it will be a memorable occasion for them. We regret that the Heath and Reach Band who were invited to play here this evening were unable to accept as some of their members find it difficult to get here for a mid-week match. It is to be hoped that there will be another occasion during the season when they can be invited to play here for their appearances on this Ground are always very popular.

**Club Notes**

WE extend a warm welcome to the Southampton Club on this mid-week return League II fixture. Last Wednesday evening at The Dell we divided the four goals scored equally which, all things considered, was a very creditable performance. We now meet in the return match with every hope of gaining our first win of the season especially in view of the fact that we held them to a draw on their own ground. We have had many a ding-dong struggle for points with the Saints going back to the year 1920 when the Third Division (South) was formed, although we did not meet in League warfare when Southampton gained promotion to League II at the end of season 1921/22 until our own promotion to that League in 1937/38. We have not met consistently since then for the Saints were relegated at the end of season 1952/53 whereas we won further promotion at the end of season 1954/55. We both found ourselves back in Division 2 however in Season 1960/61. The surprising fact about the Southampton Club is that despite the many famous players they have had on their books—and one who readily comes to mind at the moment is Alf Ramsey now Ipswich Town fame—the Saints have never been members of the First Division. They finished in third place of the Second Division in 1947/48 and in 1948/49, fourth place in 1949/50 and as far back as 1928/29. No doubt they were hoping for big things this season with such players in the side as Tony Knapp, one of the best centre half backs in the game, with forwards such as Terry Paine, George O'Brien, Derek Reeves, John Sydenham,

etc. but their defeat at The Dell last Saturday by Bury to the tune of three goals to nil especially coming so soon after the dropping of a point against ourselves must have come as a very unpleasant surprise.

We ourselves have not fared much better, for the loss of two home points last Saturday against Rotherham United came as a bitter blow. The fact that the second goal scored against us appeared to be well "Offside" and that the third goal was most definitely so by at least five yards does little to sweeten the pill. When John Lornie smashed in those two goals mid-way through the second half we at last could see some hope of a win but that third goal just finished such hopes although our lads did try to save the match and a screamer from Lornie which just topped the crossbar certainly deserved a better fate. It was not our day however, but what pleased the Manager as much as anything was the tremendous enthusiasm shown by the crowd when we had pulled level. This has really impressed him and given him the encouragement he needed to go out even more-so to get his lads into a well-moulded and successful side.

Our Reserve team played very well at Ipswich last Saturday, bringing home a well-deserved point. Every one of our lads played well, playing good constructive football with very seldom a pass going astray, but the player who took the eye most in this very entertaining match was Alwyn McGuffie in his old position of wing half. There is not a better purveyor of the ball than this player and that is why the Manager thought he would make a good link-man
